## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2022

---

The trustees present their annual report and financial statements for the year ended 31 December 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

### Objectives and activities

The Create Health Foundation is devoted to the promoting of an evidence-based, holistic and supportive approach to women's reproductive health. Our aim is to become the most comprehensive, enlightened reproductive health charity in the UK.

On the back of increased concerns into higher maternal mortality for BAME women, the Create Health Foundation intends to undertake an exploratory research into the experiences of BAME women during their pregnancy journeys, including pre-pregnancy. Survey questions and qualitative interviews would be undertaken to develop the data in a report. A set of recommendations to improve BAME women's experiences of pregnancies will then be produced.

The Foundation has plans to organise and run postgraduate courses at the University of Bolton to help educate the next generation of reproductive experts. The first course on Ultrasound imaging in Reproductive Medicine / Fertility and Assisted Reproduction, resulting in a Certificate from the University of Bolton will be launched in the following year.

### Charitable Aims

- 1- To raise awareness of women's reproductive health among the public and healthcare professionals.
- 2- To empower women with information about their bodies of all ages, from puberty to menopause.
- 3- To support basic and clinical research in women's health.
- 4- To empower women to make informed decisions about their health.

The charity's aims to achieve its goal by:

- % Raising awareness of women's health issues by funding research and organising educational programmes.
- % Organising medical scientific meetings and scientific workshops especially on the topic of safer and affordable natural fertility treatment.
- % Campaigning for improved funding for infertility treatment and funding to support research into fertility.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### Achievements and performance

Individual trustees have pursued the charitable interests through their own departments and continue to collaborate to ensure that relevant research is available on charity's own website, where it can be accessed by general public and practitioners wishing to consult it.

The Foundation has led the pioneering of fertility education in schools and are major campaigners for introduction of fertility education as part of secondary school curriculum.

The donations received by the charity in the year were partly used to fund a film called "My week with Maisy", this raises awareness about intergenerational conversations about diversity, women's cancer, and cancer treatment.

## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

---

### Financial review

#### Result for the Year

The charity continued to raise the awareness about women's reproductive health through public conversations and media interviews.

In the year ended 31 December 2022, the charity received donation and legacies of £55,000 (2021 - £53,470) of which the charity expended £26,681 (2021- £53,470). This leaves a surplus of income over expenditure for the year of £28,319 (2021 - £0.00) for the year. Unrestricted reserves carried forward for the year amounts to £60,467 (2021 - £32,148).

The Statement of Financial Activities on page 5 summarises the incoming resources and main areas of expenditure. The Balance Sheet on page 6 shows the Charity's assets and liabilities on 31 December 2022.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

#### Reserve Policy

The Charity has very few fixed costs and has no need for reserves beyond a minimal level. The Trustees consider that £5,000 is adequate for free reserves at the present time, an amount that the charity holds.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### Structure, governance and management

The charity is a company limited by guarantee, governed by its Memorandum and Articles of Association, was incorporated on 5 January 2000 as a company limited by guarantee and not having a share capital. The company was registered with the Charity Commission on 30 August 2000.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Professor Stuart Campbell

Amanda Kelly

Rex John Scaramuzzi

Professor G Nargund

P Nargund

(Resigned 11 January 2022)

(Resigned 11 January 2022)

(Appointed 1 February 2022)

(Appointed 11 January 2022)

New trustees are appointed by the existing Board, with the aim of establishing a balance between trustees with an appropriate medical background and with particular skills and experience appropriate to charity's activities.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The board of trustees, which is currently made up of 3 members, administer the charity. The board meets regularly to agree the general strategy area, covering development, activity, performance and policies of the charity as appropriate.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF CREATE HEALTH FOUNDATION

---

I report to the trustees on my examination of the financial statements of Create Health Foundation (the charity) for the year ended 31 December 2022.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

---

### 1 Accounting policies

#### Charity information

Create Health Foundation is a private company limited by guarantee incorporated in England and Wales. The registered office is Accountancy House, 90 Walworth Road, London, SE1 6SW.

#### 1.1 Accounting convention

The accounts have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

#### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Services received for use by the charity are recognised when receivable.

# CREATE HEALTH FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

---

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure.

Charitable activities include both the direct costs and support costs associated with the running of the charity.

Expenditure settled directly to service providers are recognised on receipt of invoice.

Governance costs are those incurred in connection with the management of the company's assets, organisation administration and compliance with constitutional and statutory requirements.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### 1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

# CREATE HEALTH FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2022

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

### 3 Donations and legacies

	Unrestricted funds	Unrestricted funds
	2022	2021
	£	£
Donations and gifts	55,000	53,470

### 4 Charitable activities

	Research & Education - Women's reproductive health	Research & Education - Women's reproductive health
	2022	2021
	£	£
Charity Campaign	-	51,970

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) *FOR THE YEAR ENDED 31 DECEMBER 2022*

---

### **10 Related party transactions**

Two of the trustees, Professor Stuart Campbell and Professor Geeta Nargund, are also trustees of International Society for Mild Approaches in Assisted Reproduction (ISMAAR), a registered charity. The Create Health Foundation agreed to undertake the administration costs of ISMAAR. The Statement of Financial Activities and Notes 3 and 4 summarise those transactions. The balance due to ISMAAR at 31 December 2022 was £ Nil (2021: £ Nil).

The payments made to the charity by Professor Geeta Nargund of £55,000 have been treated as a donation by Professor Geeta Nargund to the charity and are not repayable.

All trustees have provided assistance to the Foundation through a variety of actions: these have not been quantified.
