All Policies and Procedures are periodically reviewed to ensure that they continue to meet the needs of the Charity.

Objectives and Activities for Public Benefit

As set out in the Constitution, the Charity’s objectives are: [HOLLYM VILLAGE HALL Charity No: 1082209](#)

1. Hollym Village Hall (also referred to as the “Trust Property” shall be held in trust for the purposes of a Village Hall for the use of the inhabitants of Hollym and the neighbourhood (hereinafter called the area of benefit) without distinction of sex, sexual orientation, age, disability, nationality, race, political opinions, religious or other opinions, and in particular for the use for the meetings, lectures and classes, and other forms of recreation and leisure time occupation with the object of improving the conditions of life for the said inhabitants.
2. Secure the establishment of the Village Hall, and manage and maintain same (whether alone or in co-operation with any local authority or other person or body) in furtherance of these objectives.
3. Promote such other charitable objectives as may from time to time be determined.

Summary of Main Activities in relation to the purposes for the public benefit:

At Hollym Village Hall we continue to provide facilities for education, recreation, leisure and sporting activities for people in the area of benefit. These include bowling, table tennis, Zumba, Rainbows, Brownies and Guides, discussion groups, Women’s Institute meetings, arts and crafts, Parish Council meetings, wedding receptions, wakes, parties, craft fairs, beetle drive, Royal Celebrations, remembrance parties etc. This is by no means an exhaustive list. The village hall is also used by East Riding of Yorkshire Council as an official polling station when necessary.

Main objectives for the following year are:

In developing the main objectives for the following year the Trustees have given regard to the Charity Commission guidance on public benefit.

Our main objectives for the following year are to continue to provide a welcoming community building for the use of the inhabitants of the area of benefit, and to continue to support the growth and wellbeing of the local community. This includes continued refurbishment of the Hall, to include providing heating for the Annex, and possibly updating the kitchen and boarding out the loft area/roof space to provide additional storage facilities, also provide a safe access hatch and attached steps to same.

Achievements and Performance

The main focus of 2023-24 was to ensure the Village Hall could continue to operate in a safe, healthy, modern and economical way as the original hall was over 60 years old and was becoming dilapidated and was failing in certain areas. The Trustees, with the committee and volunteers, plus local licensed tradesmen, continued to carry out refurbishment work to the hall which was not fully completed in the previous financial year, including installing a new heating system, air conditioning, full electrical re-wire, suspended ceiling with zone lighting, re-cladding of the rear of the hall, new ladies, gents and disabled toilets, new store room with roller shutter door, and additional emergency exit, signage and broadband/router. A small amount of financial grant monies slippage occurred due to all the refurbishment works not being fully completed in the previous financial year, and were carried forward into the next financial year as restricted funds.

[HOLLYM VILLAGE HALL Charity No: 1082209](#)

The works were project managed by the Chair and Vice Chair and the representative from Hollym Parish Council to enable activities to continue without disruption to the hall users as far as possible, thus ensuring continuity for the regular user groups and community, and to ensure continued income was received.

Review of Activities 2023-24

In addition to the regular activities, there was a children's Christmas party, Easter Egg hunt, a Village Tea Party for King Charles 111 Coronation celebration, a Treasure Trail and a "Blue Light Committee" evening with a quiz, and several craft fairs. Small grants of £50 were received from East Riding Village Halls Network under their "Halls for All" scheme, in order to help achieve small activities, eg. coffee or craft mornings, which are free to attend, with a view to bringing the community together. All our events have been very well attended.

Financial Review

Hollym Village Hall has no employees.

Reserves Policy

It is the aim of the Board of Trustees to retain at least six months' core running costs in the unrestricted general fund to ensure a sufficient buffer to enable effective financial decision making and ensure there are reserves available for unexpected expenditure, e.g. to be able to provide funds to provide a new boiler, should the current boiler break. A regular annual income stream is raised by running a 100 Club, with the necessary gambling licence being obtained from East Riding of Yorkshire Council and returns being made to them on a monthly basis. The Bank Account achieves c.a. £100 interest per month. Chair operates a comprehensive cash flow forecast document, and monies are held as restricted funds, where necessary (e.g. annual insurance, electricity).

Plans for the future

The Trustees and Management Committee are looking to a brighter and more expansive 2024-25. Following the major refurbishment works to the Village Hall during 2023 and 2024 we are hopeful of increasing user groups booking the hall on a regular basis, particularly during daytime hours, resulting in securing ongoing income. Additional income should be achieved from room hire to community groups and individuals for parties, wakes, wedding receptions etc now we have a very attractive building.

Statement of disclosure of information to Independent Examiner

The Charity has an income between £25,000 and £1M and therefore falls under the Independent Examiner regime. We, the Trustees of the Charity who held office at the date of approval of these financial statements, each confirm so far as we are aware, that:

- There is no relevant information of which the Charity's Independent Examiner is unaware; and

[HOLLYM VILLAGE HALL Charity No: 1082209](#)

- We have taken all the steps that we ought to have taken as Trustees in order to make ourselves aware of any relevant information and to establish that the Charity's Independent Examiner is aware of that information.

Statement of Trustee's responsibilities

The Charity Trustees are responsible for preparing a Trustees' Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

The charity accounts have been prepared on the accruals basis. In preparing the financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
