REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 MARCH 2020**

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is a charitable company limited by guarantee and was incorporated on 28 April 2000. It is governed by its memorandum and articles.

The Charity is managed by employees of the school on a part time basis. Alice Robinson, Development Officer, has responsibility of the management of the Charity with the support of ancillary staff. Five Trustees/Directors are currently appointed to oversee the Charity. New Trustees are appointed by the Council of Trustees. The induction and training of new Trustees are dealt with on an ad hoc basis depending on their needs.

Three trustees retired and one new trustee has been appointed. The Council meets not less than 3 times a year and at each Annual General meeting the longest serving Trustee will become eligible for re-election. No Trustee received any remuneration or expenses during the year nor in the preceding year. The trustees in office at the date of this report are shown on page 1. The other trustees serving during the year were Irene Lindsay, Martin Morgan and Paul Thimont.

RISK ASSESSMENT

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems are in place to mitigate our exposure to the major risks. The trustees are aware of the likely impact of Covid-19

The principal risk for the Charity would be a drop in contributions owing to the financial climate or some other reason. The original purpose of the Parental Contribution Scheme was to support the school budget, enabling the school to maintain its pupil-teacher ratio; offer a wide and varied curriculum; and continue to recruit and retain teachers of the highest calibre. It has been widely reported that there are some real and significant cuts to school funding at the moment and The London Oratory School is facing challenging financial times for the foreseeable future and with the Covid-19 pandemic adding further significant unfunded costs in at least the near future. Now, more than ever, the support offered by the Friends will be of crucial importance to the school. We very much hope that the parents of all pupils joining the school in September will feel able to contribute to the Parental Contribution Scheme. The scheme is entirely voluntary, and we also appreciate that the Covid -19 pandemic may have badly affected the livelihood of some parents.

OBJECTIVES AND ACTIVITIES

The objects are to promote and further the charitable aims and objectives of The London Oratory School and the welfare and education of the registered pupils in attendance at The London Oratory School.

The sole aim of the Charity is to oversee the management of a Parental Contribution Scheme.

The principal activities of the Charity each year are to raise funds primarily from parental contributions and to remit these funds to The London Oratory School as required.

The grant making policy of the Charity is to make funds available to The London Oratory School to fulfil the objects of the Charity.

PUBLIC BENEFIT

The Trustees confirm that, in determining the activities of the Charity, they have paid regard to guidance issued by the Charity Commission on public benefit.

ACHIEVEMENTS AND PERFORMANCE

The Parental Contribution Scheme continues to do well and parents continue to contribute on a similar level to last year. This is consistent with the objectives set for the year. Owing to technical issues, required improvements in processes, contribution follow-ups and administrative issues there was a 9% dip in the contribution collections. These issues have now been identified and are being addressed swiftly to stem the flow of reductions in contribution collections

The Trustees are aware of and accept the fact that the ability of the Charity to increase the rate of uptake will always be limited by the fact that some parents are not able to contribute.

The Parental Contribution Scheme enhances the quality of the education of the 1350 pupils at The London Oratory School, including the benefits above and beyond what is expected of a school in the state system, as evidenced by the results of the most recent Ofsted inspection which was outstanding in every category.

REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31 MARCH 2020**

FINANCE REVIEW

Total income for the year was £367,998. Total expenditure was £400,814 which included grants to the school of £360,000. Therefore, the charity had net expenditure of £32,816 hence, with funds brought forward of £1,275,633 ended the year with funds carried forward of £1,242,817.

STATUS OF THE CHARITY

Reserves position and policy

Total reserves at 31 March 2020 were £1,242,817 (2019: £1,275,633). All funds are unrestricted and the decrease reflects the excess of grants payable in the year over net funds raised in the year.

The Trustees are aware of the tough financial circumstances faced by the School and the School's efforts to save money. The School is working to reduce the in-year budget gap, but at this stage the level of contribution required from FLOS is not clear. The Trustees also are aware of the School's projected ongoing deficits and believe it is prudent to hold this level of reserves at the current time should the funding situation deteriorate further for the School. The charity needs a very low level of retained reserve and the balance is available to support the School. Given these circumstances, the Trustees expect to receive significant grant applications in the foreseeable future.

Plans for the future

The Trustees do not expect any significant changes to occur in the objectives or activities of the Charity. However, the School's finances are being closely monitored for improvement to assess the need for any future contributions.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees, who are also the directors of Friends of The London Oratory School for the purposes of company law, are responsible for preparing the Report of the Trustees and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity, including the income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE FRIENDS OF THE LONDON ORATORY SCHOOL

I report to the Trustees on my examination of the accounts of the Friends of the London Oratory School for the year ended 31 March 2020 which are set out on pages 5 to 9.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). The trustees are satisfied that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charitable company's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's income is in excess of £250,000, your examiner must be a member of a body listed in the 2011 Act. I can confirm that I am qualified to undertake the examination because I am a registered member of the Institute of Chartered Accountants in England and Wales which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
