**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 30TH JUNE 2021**

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30th June 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The charity's objects and principal activity continues to be that of such Charitable purpose as the Trustees in their absolute direction from time to time think fit.

## **ACHIEVEMENT AND PERFORMANCE**

### **Charitable activities**

The trustees are satisfied with the level of donations during the period and are confident of an increase in the foreseeable future.

## **FINANCIAL REVIEW**

### **Reserves policy**

The charity's reserves policy is to maintain sufficient reserves to enable the charity to continue its activities and services at a meaningful level, should there be a drop in income.

As all income is derived from regular voluntary donations from companies in which the trustees have interest, the trustees review this position on a regular basis.

The statement of Financial Activities shows a net surplus for the year of £13,529 (2020 : Deficit of £13,537) and our reserves stand at a surplus of £16,054 (2020 : £2,525).

## **PUBLIC BENEFIT**

The trustees have carefully considered the public benefit requirements and their duty to ensure that they are compliant with them. They feel that the activities as detailed below, more than adequately, satisfy the public benefit requirement.

The trustees continue to operate within the confines of the charity objectives.

The trustees provide grants to a variety of charitable educational establishments encompassing assistance with staffing and curriculum. The trustees have also identified institutions which as a result of the economic downturn are experiencing a reduction in their fee income and have provided assistance to them in this respect as well. In addition the trustees make grants to needy individuals within the Jewish Community so as to help alleviate genuine hardship.

Where the trustees make grants to institutions, they stipulate how these monies should be spent and constantly monitor the effectiveness of the allocation of the resources extended through the grant funding.

The trustees are of the opinion that this latter method of funding combines both objectives of the charity such that through the grants to the institution, students who are partly able or unable to pay their fees, are also assisted.

The trustees believe that the present level of funding is adequate to support the continuation of the charity's objects.

## **FUTURE PLANS**

The need for our services is increasing and we plan to continue doing what we can to assist. However, the trustees realise that we must use the resources we have wisely and so we will continue to target those problems where we have expertise to make the most difference.

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

### **Recruitment and appointment of new trustees**

The board has the power to appoint additional Trustees as it considers fit to do so.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 30TH JUNE 2021**

---

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Organisational structure**

The charity is constituted as a company limited by guarantee and is therefore governed by a Memorandum and Articles of Association. All Directors of the company are also trustees of the charity and there are no other Trustees. All of the Trustees named on page one served throughout the year.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The charity trustees have considered the major risks to which the charity is exposed. Major risks are risks that will affect the charity's operational performance and aims and objectives. The charity review these risks on an ongoing basis and satisfy themselves that adequate systems and procedures are in place to manage the risks identified.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
E M SHASHA FOUNDATION LIMITED**

---

**Independent examiner's report to the trustees of E M Shasha Foundation Limited ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30th June 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of \_ which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30TH JUNE 2021**

---

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Taxation**

The charity is exempt from corporation tax on its charitable activities.

**Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Financial instruments**

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit or loss.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Debtors**

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

**Cash and cash equivalents**

Cash and cash equivalents are represented by cash in hand, deposits held at call with financial institutions, and other short-term highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**Creditors**
