## TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

### FOR THE YEAR ENDED 31 DECEMBER 2024

---

The trustees present their annual report and financial statements for the year ended 31 December 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Memorandum of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)"

#### **Objectives and activities**

The charity's objectives are set out in the charity's trust deed and are summarised below.

Christel House is an international non-profit organisation dedicated to fostering a world where poverty does not limit potential. We operate a network of nine no-fee schools (across India, South Africa, Mexico, Jamaica and the United States) that transform the lives of students experiencing poverty through career-focused education and holistic support. Our mission is to ensure our graduates achieve upward economic mobility, demonstrate good citizenship, and become empowered to identify and realise their goals, dreams, and human potential.

We address the root causes of poverty through a proven 18-year, holistic human development model that combines rigorous academics with comprehensive wrap-around services including healthcare, nutrition, mental health support, parent and caregiver training, and college and career programming for five years after high school graduation. It is a deep commitment that helps students demonstrate that they have limitless potential.

#### *Public benefit*

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### **Achievements and performance**

##### *Significant activities and achievements against objectives*

Over the past 25 years, Christel House has impacted the lives of more than 21,000 underserved students. Currently, we enrol more than 7,000 students across five countries with plans to expand our impact. Today, 97% of graduates are in education, training and employment, with 70% of graduates securing high quality early career employment (jobs with benefits) – proof that the Christel House model works.

At Christel House South Africa, 82% of graduates qualify for university study through the national senior exam (double the provincial average). 80% of Christel House India graduates complete post-secondary education (five times the rate of their national peers). Christel House Mexico graduates are twice as likely to secure formal employment (jobs with benefits) compared to their national peers. Christel House Jamaica opened in 2020 and has already seen a 45% increase in students reading at or above grade level. Christel House Indianapolis graduates are the second highest income earners on average among public school graduates in the district.

#### **Financial review**

The surplus for the year amounted to £13,940 (2023 Surplus: £46,380).

During the year the charity made grants of £109,344 to Christel House South Africa, £53,675 to Christel House India, £1,000 to Christel House Jamaica and £1,000 to Christel House Mexico.

Grants made during the year were up on previous years.

Christel House International Inc has undertaken to donate sufficient funds to the company to cover its administrative and fundraising expenses, accordingly, the trustees request funds when required. Therefore the trustees have decided that reserves can be maintained at a relatively low level, due to limited administrative costs incurred.

#### *Investment policy*

The trustees have considered the most appropriate policy for investing funds and believe that, with the current level of funds, it is appropriate to hold the money in bank accounts. However as funds grow, alternative investments will be considered to ensure the best return is obtained whilst maintaining risk at a low level.

#### *Major risks*

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The organisation is a charitable company limited by guarantee, incorporated on 28 January 2000, and registered as a charity on 8 September 2000. The company was established under a Memorandum of Association which established the objects and funds of the charitable company and is governed under its Articles of Association.

There are two categories of membership: 'A' and 'B' members. The sole 'A' member is Christel House International Inc. The directors of the company who are also the charitable trustees for the purpose of charity law are 'B' members. In the event of the company being wound up, each member's liability is limited to £1.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Lord Anthony St John

Ms Diana Aitchison

Mr Paul Baker

Mr Dimitris Manikis

#### *Recruitment and appointment of trustees*

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The trustees report was approved by the Board of Trustees.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF CHRISTEL HOUSE EUROPE

---

I report to the trustees on my examination of the financial statements of Christel House Europe (the charity) for the year ended 31 December 2024.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2024

---

#### 1 Accounting policies

##### Charity information

Christel House Europe is a private company limited by guarantee incorporated in England and Wales. The registered office is Office 6, Harborough Innovation Centre, Airfield Business Park, Market Harborough, Leicestershire, LE16 7WB.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

##### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Costs of generating funds are those costs associated with the golf event which takes place annually to raise donations for the charity.

Grants payable are recognised in the period in which they are incurred.

Expenditure is recognised in the year in which it is incurred and includes attributable VAT which cannot be recovered.

##### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### 1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

##### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
