BEXHILL COMMUNITY CHURCH KNOWN AS LIVING WORD CHURCH BEXHILL TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Church's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The Church's objects are:

1. To advance the christian faith by such means as the church shall determine from time to time.
2. To relieve persons who are in conditions of need, hardship, or distress.
3. To educate and assist young persons through their leisure time activities so as to develop physical, mental and spiritual capacity.
4. To advance christian religious education and training and education in family life and relationships.

To embody these objects, the primary purpose of the church is to worship God and represent Jesus Christ and His word in the town through a strong representation of the Pentecostal Christian faith in the community.

The Church carries out a number of activities to fulfill its objectives. These include:

- (a) Different activities to encourage and develop membership of the Church e.g. a lively style of worship, continued pastoral support to church members, e.g. new membership evenings, meals together and the introduction of a specialist Bible teacher to engage the church members in a more meaningful way.
- (b) Interact with the local community, mainly through the children's Sunday Invaders Club, the quiz nights and trips to which members are free to invite family and friends
- (c) Special services with invited speakers within Assemblies of God organisation.
- (d) Continued representation at regional and national Assemblies of God events.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Church should undertake.

Achievements and performance

The church continues to be a vivacious Pentecostal expression of the Christian faith in the community with its primary goal of worshiping God, creating a space and preparing people for spiritual growth while making Jesus Christ known and representing his word in the town.

The church continues to advance its relationship with Assemblies of God UK as one of its fundamental objective in being a very outstanding Pentecostal Church in the town.

Church membership

The church continues to suffer from lower attendance when compared with pre pandemic turnout. Although the Sunday Services and Bible Studies are still made available via zoom some people remain disengaged.

Our annual income has not recovered to pre pandemic levels as some people seem to have reduce their contribution while others have withdrawn their giving altogether and the economic climate certainly does not help however our annual income remain encouraging due to the fact that there is a devoted core within the church's fellowship who continue to honor their responsibilities.

Community Interaction

A church service takes place Sundays am and Wednesdays pm, also a program for kid continues to inform and inspire the children. The church continues to maintain links with other local churches mainly through Churches Together in Bexhill.

Engaging with the wider community through Saturdays food and clothes giveaways organized by the church to help the less fortunately in our community, door to door interaction, street evangelism, leaflet drops, to forge friendship and to familiarize the wider public with the church.

Church Activities

Different activities to improve membership of the church e.g. a modern lively style of worship, inspirational Bible teachings to inspire the church in a more meaningful way continued pastoral care and support to church members.

Special services with invited speakers, Christian calendar events services and celebration, continued representation at regional and national Assemblies of God events.

We continue to spend on the maintenance and upkeep of the building making sure that it remains comfortable, safe, and hospitable to all.

Interior wall paints were refreshed. The premises are kept clean and tidy, new interior and exterior display posters installed and maintained. Resurfacing of the paved area around the church was not done as we had planned but we hope to do it as soon as the funds become available.

Financial review

There was a total deficit for the year of £1,486 leaving reserves of £126,832 carried forward at the year ended 31 March 2023

Reserves policy

It is the policy of the Church that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Church's current activities while consideration is given to ways in which additional funds may be raised.

Risk factors

The Trustees has assessed the major risks to which the Church is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

TO THE TRUSTEES OF BEXHILL COMMUNITY CHURCH**

I report to the Trustees on my examination of the financial statements of Bexhill Community Church (the Church) for the year ended 31 March 2023.

Responsibilities and basis of report

As the Trustees of the Church (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

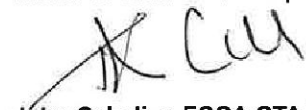

Having satisfied myself that the financial statements of the Church are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Church's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Church as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

1 Accounting policies

Company information

Bexhill Community Church is a private company limited by guarantee incorporated in England and Wales. The registered office is Chantry House, 22 Upperton Road, Eastbourne, East Sussex, BN21 1BF.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Church's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Church is a Public Benefit Entity as defined by FRS 102.

The Church has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Church. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Church has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the Church is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Church has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Church has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

FOR THE YEAR ENDED 31 MARCH 2023**

1 Accounting policies (Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised in the period in which it is incurred and allocated to the particular cost centre to which it relates. Expenditure includes irrecoverable VAT.

1.6 Property, Fixtures and Equipment

Property, Fixtures and Equipment are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives.

As the building is maintained to a fair standard, it is considered the residual value is above the cost so the original building purchased is not depreciated. Improvements to the building are however depreciated at 10% on a straight line basis.

The depreciation rates are as follows:

Land and buildings	No depreciation
Building improvements	10% on a straight line basis
Fixtures, fittings and equipment	20% on a straight line basis

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of non-current assets

At each reporting end date, the Church reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2023**

1 Accounting policies (Continued)

1.9 Financial instruments

The Church has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Church's balance sheet when the Church becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including trade and other payables and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Church's contractual obligations expire or are discharged or cancelled.

1.10 Taxation

The income of the Church is used solely for charitable activities and the Trustees consider it not to be subject to corporation tax.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Church is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Church's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
