Activities

Objects: 1) THE RELIEF OF PERSONS SUFFERING INJURY OR ILLNESS BY THE PROVISION OF IMMEDIATE MEDICAL CARE.2) TO ADVANCE THE STUDY OF IMMEDIATE CARE, BY THE PROVISION OF TRAINING.

Activities: The charity funds a group of volunteer doctors and one nurse consultant who provide prehospital medical care to patients. The major component of our work is providing roadside care for victims of road traffic accidents, but we treat patients with a broad range of serious injury and illness. We aim to bring critical care skills to these patients that would normally only be found in hospitals.
