STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE KHAYAMI FOUNDATION

Independent examiner's report to the trustees of The Khayami Foundation

I report to the charity trustees on my examination of the accounts of The Khayami Foundation (the Trust) for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. GENERAL INFORMATION

The charity is a UK-based charitable trust. The address of its registered office is 4th Floor, Tuition House, 27-37 St George's Road, Wimbledon, London SW19 4EU. The registered number of the charity is 1083433 The financial information presented is for the year ended 31 December 2024 and is presented in sterling.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. In future years, the key risks to the charity are a fall in income. The trustees have a series of measures to control, mitigate and minimise the effects of a fall in income, including a prudent reserves policy.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The following specific policies apply to the categories of income:

- i) Donations and gift aid are recognised when the charity has been notified in writing of both the amount and settlement date.
- ii) Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include those costs incurred in the governance of the charity and comprise the production of the statutory accounts and the independent examination.

Taxation

The charity is exempt from tax on its charitable activities.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal activities of the charity are to advance the education of children and adults, to advance medical research, social welfare, the relief of need, hardship and distress and the advancement of religion.

The Khayami Foundation was established as a UK-based charitable trust in November 2000. The objects of the Foundation are deliberately expressed in the broadest terms, providing its trustees with the widest mandate to offer aid and assistance where it is felt to be most needed.

However, it is nonetheless, the will of its Trustees that the Foundation should primarily focus its attention on the ethos that peace and tolerance amongst nations can be achieved through the promotion of education and mutual understanding between people of all races and religions.

Significant activities

Major activities undertaken in 2021 were to provide donations in support of healthcare and education. Support was also given to other charitable causes as shown in the notes to the financial statements.

Public benefit

The trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charities Commission.

Grantmaking

In view of the wide range of objects which The Khayami Foundation is seeking to benefit, the trustees give much time to discussing the many requests for aid that are received from other charities and as to how the maximum benefits might be achieved in terms of the charity's objects.

Charitable activities

Summary of the main achievements during the year

The Khayami Foundation was able to make charitable grants of £120,000 in support of healthcare, education and other charitable causes.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 9 June 2022 and signed on its behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE KHAYAMI FOUNDATION

Independent examiner's report to the trustees of The Khayami Foundation

I report to the charity trustees on my examination of the accounts of The Khayami Foundation (the Trust) for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE KHAYAMI FOUNDATION

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal activities of the charity are to advance the education of children and adults, to advance medical research, social welfare, the relief of need, hardship and distress and the advancement of religion.

The Khayami Foundation was established as a UK-based charitable trust in November 2000. The objects of the Foundation are deliberately expressed in the broadest terms, providing its trustees with the widest mandate to offer aid and assistance where it is felt to be most needed.

However, it is nonetheless, the will of its Trustees that the Foundation should primarily focus its attention on the ethos that peace and tolerance amongst nations can be achieved through the promotion of education and mutual understanding between people of all races and religions.

Significant activities

Major activities undertaken in 2020 were to provide donations in support of healthcare and education. Support was also given to other charitable causes as shown in the notes to the financial statements.

Public benefit

The trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charities Commission.

Grantmaking

In view of the wide range of objects which The Khayami Foundation is seeking to benefit, the trustees give much time to discussing the many requests for aid that are received from other charities and as to how the maximum benefits might be achieved in terms of the charity's objects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Summary of the main achievements during the year

The Khayami Foundation was able to make charitable grants of £240,000 in support of healthcare, education and other charitable causes.

Performance achieved in charitable activities against objectives set

The aforementioned donations enabled The Khayami Foundation to fulfil its objective of the advancement of education of children and adults, to advance medical research, social welfare, the relief of need, hardship and distress and the advancement of religion.

Fundraising activities

The Khayami Foundation does not undertake fund raising activities.

Investment performance

The Khayami Foundation does not rely on funds invested to balance its budget.

Covid-19

The charity's income has not been affected and the trustees have been considering the impact of the Covid-19 pandemic. In 2020 The Khayami Foundation supported food banks with 5 x £5,000 to the Trussell Trust and 2 x £10,000 to The Caring Family Foundation.

Investment policy and objectives

There are no restrictions on the charity's powers to invest. However, the trustees are risk averse and will select any investments with that attitude in mind.

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which provides sufficient funds to cover management and administration and support costs and to respond to applications for grants which arise from time to time.

Funds in deficit

There are no funds in deficit.

The trustees are primarily responsible for controlling the management and administration of The Khayami Foundation charity and bear the ultimate responsibility for directing the affairs of The Khayami Foundation and ensuring that it is solvent, well run and delivering the charitable outcomes for which The Khayami Foundation has been set up.

Induction and training of new trustees

New trustees are given an induction kit including: Charity Commission of England and Wales "The Essential Trustee" that sets out the rules and regulations on the role, duties, and liabilities of trustees. The appointment of trustees is confirmed only after they show understanding of a trustee's role, duties and liabilities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE KHAYAMI FOUNDATION

Independent examiner's report to the trustees of The Khayami Foundation

I report to the charity trustees on my examination of the accounts of The Khayami Foundation (the Trust) for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. GENERAL INFORMATION

The charity is a UK-based charitable trust. The address of its registered office is 4th Floor, Tuition House, 27-37 St George's Road, Wimbledon, London SW19 4EU. The registered number of the charity is 1083433.

The financial information presented is for the year ended 31 December 2020. The financial information is presented in sterling.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. In future years, the key risks to the charity are a fall in income. The trustees have a series of measures to control, mitigate and minimise the effects of a fall in income, including a prudent reserves policy.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The following specific policies apply to the categories of income:

- i) Donations and gift aid are recognised when the charity has been notified in writing of both the amount and settlement date.
- ii) Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include those costs incurred in the governance of the charity and comprise the production of the statutory accounts and the independent examination.
