Trustees' Report

The Trustees of Poole District Scouts present the annual report together with the financial statements of the charity for the year ended 31st March 2024. The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales. The Trustees also confirm that they have continued to operate within the guidelines laid down within the Policy, Organisation and Rules published by Scout Association Headquarters. It ensures that the programme offered by Scout Groups within Poole meet the District's aims to benefit the youth of Poole by providing training in Scouting.

The Committee's financial position is as set out in the Balance Sheet and continues to remain healthy. Its reserves are set aside to fund its objectives of training young people, which is achieved by following Scouting programmes set out in the Rules. The reserves are also used to maintain Scout properties and fund the administration of Scouting in Poole. A substantial part of the reserves is made up of investments, which are invested in funds with a professional adviser whose remit is to maintain income as high as possible, without reducing the value of the investments. Income from investments has risen somewhat over the past year, but remains below historical levels. However we have continued to meet all of our objectives. The Executive continues to look at how to increase income in other ways and will continue to look sensitively at future requests that we may receive for the use of District Halls. The cash reserves held mean that the current level of income is not a major issue for the immediately foreseeable future.

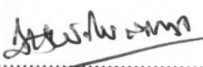

The committee continues to provide support to the Groups in Poole. This is achieved through responding to requests for capital funding that improves the way in which Groups support their activities. Our policy for approving grants has not changed in the past year, all requiring presentation to the Executive Committee for ratification before seeking the advice and approval of the Finance Committee. No requests for funding have been received in the past year. However, the Executive Committee remains open to new proposals.

The primary issues dealt with by the Trustees in the past year have been the refurbishment of the Dennis Gooding Centre and repurposing this hall into a new "home" for the St Peter's Scout Group. This work came largely within budget. We also "lost" the tenant at Burden Hall and this has contributed to a fall in income in the last year. Fortunately a new tenant will be in place for the beginning of September.

The District Team continue to put in a great deal of effort to support the objective of Scouting in Poole. As a result, it is hoped that all objectives can be met in the coming year. Thanks as always are due to all adult members for the support provided to Scouting in the difficult time experienced over the past 3 years.

The policy adopted for appointing Trustees is set out in the Policy, Organisation and Rules. This will change for the coming year 1st April 2024 to 31st March 2025. A full list of Trustees is reproduced on page 1 – Charity Information.

Approved by the Trustees and signed on their behalf by:

Independent Examiner's Report to the Trustees of Poole Scouts Districts Finance Committee

I report on the accounts of the Trust for the year ended 31 March 2024, which are set out on pages 5 to 14.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145 (5) (b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

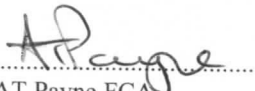

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The notes on pages 7 to 14 form an integral part of these financial statements.

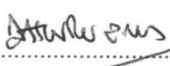

Poole Scouts Districts Finance Committee

Notes to the Financial Statements for the Year Ended 31 March 2024

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities', the Financial Reporting Standard for Smaller Entities (FRS 102) and the Charities Act 2011.

Fund accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Further details of each fund are disclosed in note 19.

Incoming resources

Shop income is recognised as earned (that is, as the related goods or services are provided).

Investment income is recognised on a receivable basis.

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Costs of generating funds are the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specific service or output.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Support costs

Poole Scouts Districts Finance Committee

Notes to the Financial Statements for the Year Ended 31 March 2024

..... continued

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Fixed assets

Individual fixed assets costing £0 or more are initially recorded at cost.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Plant and machinery	25% reducing balance basis
---------------------	----------------------------

Investments

Fixed asset investments are included at market value at the balance sheet date.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the statement of the financial activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the statement of financial activities based on the market value at the year end.

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for resale or distribution are not included in the financial statements until they are sold or distributed.
