#### Achievements and performance

##### a. Main achievements of the Charity

We run Sunday church services and midweek bible study and prayer meetings to enable beneficiaries connect to God and experience the love of God. Our services:

- Ensure our parishioners experience increased awareness of God's presence and to celebrate God's love.
- help people to learn and grow as Christians, through mutual support and care; and
- be a good neighbour to people in need and challenge injustice.

The Charity's community project, Craft and Tailor trainings did not hold during the year 2023. However, the charity continues to provide virtual support to the trainees that requested for it.

The charity supplied Christmas hampers to over 50 families in the community during the Christmas festive period. This is to provide support to help families on low income have a decent Christmas meal.

The charity collected used clothes which were shipped to less privileged families who are in need of them.

##### b. Review of activities

During the year under review, the Church was of benefit to its congregation and its local community both spiritually and to a limited extent, financially. Apart from the regular weekly church services and prayer meetings, the church organised seminars, training, and workshops to address issues relating to health and financial managements. The Charity is content with the benefits of its activities to the beneficiaries and will continue with the activities in the coming year.

#### Financial review

##### a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of average annual expenditure. At this level, the Trustees holds the view that they would be able to continue the current activities of the church in the event of a significant drop in funding.

#### Structure, governance and management

##### a. Constitution

Redeemed Christian Church of God -The Place of Restoration is a registered charity, number 1084575, and is constituted under a Trust deed dated 27th October 2000.

##### b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

##### c. Organisational structure and decision-making policies

The church is organised so that the trustees meet regularly to manage its affairs. The day to day administration of the church is managed by the trustees.

##### d. Policies adopted for the induction and training of Trustees

Most trustees are already familiar with the activities of the charity as they are drawn from members who have the skill set to offer and empathy with our core values. Newly elected trustees are encouraged to attend a series of training sessions led by the Chair.

The courses attended equip the trustees with skills to carry out their duties as trustees. The training enables them to understand:

- Their obligation as trustees.
- The importance of the main documents which set out the operational framework for the charity including the trust deed.
- The control of resources and current financial position using the management accounts.
- Their responsibility for the statutory accounts.
- How to translate future plans and objectives into budgets and plans.
- Use of budgetary control.

During induction, they meet other trustees. As part of the induction training, they are encouraged to attend appropriate external events where these will facilitate the undertaking of their role.

##### **e. Related party relationships**

The Place of Restoration is a member of the Redeemed Christian Church of God (RCCG) which has parishes all over the world. The parish's relationship with RCCG and other parishes is governed by an 'Agreement for Common Purposes'.

Under the Common Purposes Agreement (see above), The Place of Restoration has agreed to make an annual contribution to RCCG (UK). In addition, the church supports missionary organisations such as Festival of Life and World Evangelism Mission. The church also provides support to members of the congregation (at the discretion of the trustees) who are in need.

##### **f. Financial risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

##### **Plans for future periods**

The church continues to explore various ways of spreading the gospel of Christ in an effective manner. The charity is also looking to grow in membership and continue to develop its members to make life changing impact in society. In addition to the Craft and Tailor It project, the charity intends to launch a new project called Imagination. The main objective of imagination is to help develop digital skills for young people in area of photography and help move them away from anti-social behaviour in the community by making them responsible members of the community.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

---

#### **Independent examiner's report to the Trustees of Redeemed Christian Church of God -The Place of Restoration ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 December 2023.

#### **Responsibilities and basis of report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

Signed:

## REDEEMED CHRISTIAN CHURCH OF GOD -THE PLACE OF RESTORATION

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

---

#### 1. General information

Redeemed Christian Church of God - The Place of Restoration , charity number 1084575, is a Charity trust established by a declaration of Trust Deed dated 27th October 2000. The office address is 46,Hollywood Way, Erith Kent DA8 2QE.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God -The Place of Restoration meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 2.2 Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

##### 2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023

---

**2. Accounting policies (continued)**

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives as well as any associated support costs. Support costs are those costs incurred directly in support of expenditure on the objects of the church and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the church and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.6 Tangible fixed assets and depreciation**

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the Charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

## REDEEMED CHRISTIAN CHURCH OF GOD -THE PLACE OF RESTORATION

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

---

#### 2. Accounting policies (continued)

##### 2.6 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following basis:

Music & church equipment	-	33.33%	straight line
Motor vehicles	-	25.00%	reducing balance
Fixtures and fittings	-	12.50%	straight line
Office equipment	-	25.00%	reducing balance
Computer equipment	-	33.33%	straight line

##### 2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### 2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

##### 2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

##### 2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

##### 2.11 Operating leases

Rentals paid under operating leases are charged to the statement of financial activities on a straight line basis over the lease term.
