##### **Objectives and activities**

The objects of the charity are to:

- (1) improve the conditions of life of residents of Hartlepool by advancing education and providing recreational facilities including by managing a community centre; and
- (2) relieve poverty, sickness and distress of the residents of North East England, including by providing advice on welfare benefits and generally.

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The provision of a resource centre offers much needed support to the residents of Hartlepool. The centre is fully resourced, Advice workers are available throughout the day offering advice on welfare and benefits together with any other advice which may be required.

##### **Strategic report**

The following sections for achievements and performance and financial review form the strategic report of the charity.

##### **Achievements and performance**

The centre continues to serve the local community and other areas throughout Hartlepool. Our advice team is kept up to date with the many changes to our society and is highly regarded within the advice sector. This high regard has lead other organisations within the third sector to seek our support in advising local residents throughout the Hartlepool area.

The centre also delivers Macmillan advice throughout Northumberland, Durham and the Tees Valley areas.

With the support of our funders, the resource centre will continue to support and advise the general public. The trustees would like to thank our staff and all our volunteers for their continued support.

##### **Financial review**

The unrestricted free reserves of the charity as at 31 March 2024, (that is those not tied up in fixed assets and contingency funds) amount to £38,563.

The trustees have examined the requirement for free reserves and they consider the charity should aim to provide a contingency fund £28,000 for specific purposes such as redundancy and other contingencies. The trustees also consider that it is prudent to ensure that there are sufficient free reserves at a level which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover support costs, management and administration and to respond to emergency applications for grants which arise from time to time.

### **Independent Examiner's Report to the Trustees of West View Advice & Resource Centre Limited**

**Year ended 31 March 2024**

---

I report to the trustees on my examination of the financial statements of West View Advice & Resource Centre Limited ('the charity') for the year ended 31 March 2024.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

### Notes to the Financial Statements

Year ended 31 March 2024

---

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is The Community Centre, Miers Avenue, Hartlepool, TS24 9JQ.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

##### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### Going concern

There are no material uncertainties about the charity's ability to continue.

##### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# West View Advice & Resource Centre Limited

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

---

#### 3. Accounting policies *(continued)*

##### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	-	2% straight line
Equipment	-	25% reducing balance

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

West View Advice & Resource Centre is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
