c. Activities undertaken to achieve objectives

The benefits of the Charity's work are the lifetime changes in people's lives, building bridges with our communities, collaborative working with businesses in Custom House, Canning Town and the whole of Newham to the advancement of the Christian faith in the borough. The Trustees are pleased that the achievements and performance of the Charity, as set out below, demonstrate tangible outcome. The significant activities that contributed to the achievement of these objectives were:

- **Police Encounter Panel (PEP)** – The panel was set up over three years ago by the Metropolitan Police Service (MPS) and it is aimed towards scrutinising issues that come to light during encounters between the police and the public. The role on the panel is voluntary and we are a member of this group. The meetings are held bi-monthly, and it involves watching Body Worn Video footage of police interactions with the public and sometimes looking at other associated documents too such as officer statements and stop and search forms. Members will then be asked to share their feedback or comments on how we think the incident went, what went well, and what could be done better.
- **Newham Council Budget 2024/25 Summits** – Organisations were invited to have their say or share their views on the draft Council Budget and proposals. It was an event which builds on the robust and successful management of the Council's finances over the past 4 years to protect frontline services, support residents and respond to growing demand. This is an annual event, and the Charity has been fully represented over the years.
- **Newham Warm Havens Network (Ongoing)** – As of Newham's Cost of Living response, a Newham Warm Haven's Programme' was launched with partners of the Council to keep spaces and places open for longer. This includes libraries, community buildings and other safe non judgemental places where residents can go, free of charge, for whatever reason they like. We signed up to this initiative as part of our ongoing outreach services and have participated in various activities and programmes to make residents feel supported, safe, and welcome in the community.
- **Newham Cost of Living Forum (Ongoing)** – This forum was set by Newham to help residents/people affected by the Cost of Living Crisis cope with the rising cost of Food, Fuel and Money and receive the right support available to them. Newham delivered several free online workshops linked to the Cost of Living Crisis to support frontline workers in the Borough who work closely with residents to present them with a range of social welfare issues that people may encounter during the crisis.

The sessions covered include:

- How to access Grants and Schemes available including eligibility criteria
- Benefit and income maximisation.
- How to refer residents to access food support and the different types of support available
- Energy and utility bill saving tips.

We have signposted some service users to where they can access information on receiving food supplies, help with paying their utility bills and entitlement to benefits.

- **British Red Cross** – The Charity still has ongoing work with the organisation to assist in responding and supporting our community suffering from the effects of devastation and other crisis related issues by providing services that will help them recover from such incidents. Updated training and induction are continuously being provided by the organisation to upskill volunteers on how to respond to disasters and crisis.
- **Community Resilience Advocate (Ongoing)** – We were nominated on a voluntary role which is supported by the British Red Cross and London Borough of Newham. It is a project which aims to build

- **Custom House and Canning Town Community Local Plan Assembly** – The Charity took part in the series of consultations (Regulation 18) for the Newham Local Plan Review where we expressed our views on their intended plan for the neighbourhood. The Newham Local Plan is the key planning document which the Council uses to assess planning applications and to manage where regeneration and development happens in Newham, what it is used for, and what it looks like. The Local Plan includes policies on housing, employment, climate, greenspaces, town centres, design, community facilities, and transport.

The project is funded by the London Borough of Newham and each of the eight neighbourhood was allocated a grant of £100k. We are in the process of monitoring the projects which were awarded to the 12 successful bidders, and this will involve visits to the sites and face to face meetings.
- **Newham Diverse Communities Health and Well Being Reference Group** – We are well represented on this group and its purpose is to improve engagement, communication and partnership working with all the diverse communities in Newham with regards to Racism, Inequality and Disproportionality during the Covid 19 pandemic and Black Lives Matter demonstrations. Meetings are held on second Monday of every month and outcomes from the group is fed into the Newham Strategic Health and Wellbeing Board at their meetings also held once a month. However, the rotation of the workstreams have been put on hold so we will continue to work on this current one.
- **Newham Food Alliance** – This group was set up at the peak of the Covid 19 pandemic and our membership with this group is still ongoing. The aim of the group is to connect all the foodbank outlets in the Borough to support those with direct food need due to financial issues, deprivation, homelessness,

a. Key performance indicators

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Review of activities

The benefits of the Charity's work are the ability to make a difference in people's situation through the various activities it runs in the course of the year. The Trustees are pleased that the achievements and performance of the Charity, a few of them set out below, demonstrate a tangible progress.

Smile of a Woman:

1. This is a scheme run by the Royal Women's Ministry which has continue to reach out to the less privileged people in the community as a result of the economic recession and the existing Covid 19 pandemic crisis. Donated toiletries to women in need in Tower Hamlets.

Congregational Health Checks:

1. Ongoing free health checks is open and accessible to members of the community and is run by our team of health professionals. Evaluation of the health checks showed that those who attended the sessions were made to feel at ease by the team members. Also, the ability for them to be able to discuss their health issues or concerns with the team are key achievements of this service.

Other activities undertaken to reach out to the Community:

1. The Charity was able to pay the school fees for 150 students in Uganda as part of its commitment to support the cause of orphans in Africa
2. The Charity does a collection of various items on a regular basis and contributes considerably to Mission to Africa, sending clothing and provisions to people in Uganda and Nigeria.

It's all part of the Council's commitment to forging deeper bonds with valued partners, residents and communities.

c. Investment policy and performance

The Trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

The balance held as unrestricted funds at 31 December 2024 was £3,769,604 (2023 - £3,567,254), of which £534,540 (2023 - £378,165) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The trustees recognise that the current level of free reserve does not reach the above target and are considering ways in which additional unrestricted funds will be raised.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances.

The Trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

The Charity's principal funding is through members contribution and donations from supporters and well-wishers of the church.

e. Pay policy for key management personnel

Our goal is to offer fair pay to attract and keep appropriately qualified staff to lead, manage, support and deliver the charity's aims. It is consistent with our aims and we recognise that we are able to attract senior executives with lower pay than public or private sector market rates.

1. The Trustees are responsible for setting remuneration levels for the church's pastors and most senior staff.
2. Pay and rewards are set making informed judgments and following the charity's governance and constitutional arrangements.

In deciding top levels of pay and rewards, trustees consider some or all of the following:

1. The purposes, aims and values of the charity, and its beneficiaries' needs including whether a lower rate of pay compared to similar roles in other sectors is appropriate
2. The Charity's current business plan and how implementing it may affect the number of senior staff the charity needs to employ or recruit, and the nature of these roles
3. The Charity's ability to pay, including:
 - the benefit to the charity that such positions will bring
 - the cost to the charity of increasing remuneration levels
 - how increasing pay, particularly at senior levels, would be perceived by employees, donors and beneficiaries
 - whether it's affordable
 - the appropriateness of the pay in the context of the charity and its beneficiaries' needs
4. Our assessment of the charity's and senior staff's performance against expectations, both short and long term
5. The wider 'employment offer' they can make to potential employees
6. The Charity's track record in attracting and retaining committed and motivated employees
7. The likely impact on, and views of, beneficiaries, donors, funders, and current and potential volunteers
8. The relationship between policy and practice for pay of senior staff and that of the Charity's whole workforce.

Plans for future periods

Forward Plan for Premises:

Change of Premises:

The Charity's current lease is rolling. Charity is still rigorously searching for a new premises.

Other future developments include:

- Planting more parishes within 5minute drive of residential apartments in line with the RCCG worldwide mandate. There is one or two in the pipeline next year.
- Planning more activities to further open up the premises to engage the community.
- Setting up small scale social enterprises, helping members of the community develop business opportunities, supporting the young people with their education and helping ensure they are employable when they leave school.
- Working collaboratively with a new Independent Commission on Belonging and Inclusion in Multi-ethnic Newham. The Commission on behalf of Newham wants to hear about how institutions and organisations are working to help people in Newham live well together, whatever their background or differences.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Stephen Michael Associates, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

Opinion

We have audited the financial statements of Redeemed Christian Church of God ('RCCG') Royal Connections (the 'charity') for the year ended 31 December 2024 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Trustees and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation.
- We considered the extent of compliance with those laws and regulations as part of our procedure on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Trustees.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We obtained a legal letter from the charity's solicitors and enquire of those charged with governance and management around actual and potential litigation and claims.
- We reviewed a sample of collection/count sheets to ensure they are signed by at least two people.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of operation.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

Redeemed Christian Church of God ('RCCG') Royal Connections is a charitable trust registered with the Charity Commission in England & Wales.

The office address is:
199 Freemason Road,
Canning Town,
East London,
London E16 3PG.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God ('RCCG') Royal Connections meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the revaluation model, tangible fixed assets whose fair value can be measured reliably shall be carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Revaluations are made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting date.

Gains and losses on revaluation are recognised in the Statement of financial activities, with a separate revaluation reserve being shown in the Statement of funds note.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Music and church equipment	- 12.5% straight line
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 12.5% straight line
Computer equipment	- 25% reducing balance

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

The Trustees confirm that the report and financial statements of the Charity have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charity's Trust Deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Objectives and activities

a. Policies and objectives

The charity's objects are:

- The advancement of the Christian religion worldwide; and
- The relief of poverty worldwide.

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and in the decision-making policy in allocating funds for the year. In carrying out this review the Trustees have considered the Charity Commission's supplementary public guidance on the advancement of religion for the public benefit.

The Charity pursues its objects by the operation of a centre for Christian worship at Monier Road, Bow, London, and by a programme of events aimed at reaching out to the unchurched. It also embarks on wide range charitable events aimed at engaging with hard-to-reach groups and to the disadvantaged in the community.

The charity's main objectives for the year were:

- Setting up new church parishes, small groups, and community centres.
- Organising conferences, seminars, celebrations, small group meetings and exhibitions.
- Setting up of community based social enterprises.
- Exploring various project works on Europe Region 3 mission work to advance Christian religion.
- Collaborating with businesses in the community to undertake project works that will build bridges.
- Setting up of Hot Meal Club to reach out to the homeless, alcoholics, drug addicts and other less privileged and hard to reach in the community.

- Attending the Councillors' surgeries to find out how RC can assist the Borough in alleviating poverty and meeting the needs of the community.
- Collaborating with the Metropolitan Police on some of their initiatives to build bridges with the community one of which is "Stop and Search".

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Objectives and activities (continued)

c. Activities undertaken to achieve objectives

The benefits of the Charity's work are the lifetime changes in people's lives, building bridges with our communities, collaborative working with businesses in Fish Island, and the advancement of the Christian faith in the borough. The Trustees are pleased that the achievements and performance of the Charity, as set out below, demonstrate tangible outcome. The significant activities that contributed to the achievement of these objectives were:

- **The Coronation of our majesties King Charles III and Queen Camilla** – The Charity participated in the celebrations marking the coronation of our majesties King Charles III and Queen Camilla on Sunday 7th May 2023. A grant award of £500 each was approved to all participating faith, voluntary and community groups to help organise the events in the community to celebrate this landmark occasion. Two councillors representing this ward and a team from the Metropolitan Police were in attendance.
- **Metropolitan Police Recruitment Event** – We attended this event as a follow up to one that was held in 2021. The event gave an insight into the demographics of the police recruitment in the City of London and drilled down to Newham.
- **Police Encounter Panel (PEP)** – This is a new panel being set up by the Metropolitan Police Service (MPS) and it is aimed towards scrutinising issues that come to light during encounters between the police and the public. The role on the panel is voluntary and we are a member of this group. The meetings involve watching Body Worn Video footage of police interactions with the public and sometimes looking at other associated documents too such as officer statements and stop and search forms. Members will then be asked to share their feedback or comments on how we think the incident went, what went well, and what could be done better.
- **North East Borough Commandant Event** – We were well represented at this event organised by the Police Commandant of Waltham Forest and Newham Chief Superintendent Simon Crick to meet with the Faith, Community and Voluntary Groups and to share his vision and action plan for the two London boroughs he oversees.
- **Newham Council Budget 2023/24 Summits** – Organisations were invited to have their say or share their views on the draft Council Budget and proposals. It was an event which builds on the robust and successful management of the Council's finances over the past 4 years to protect frontline services, support residents and respond to growing demand. This is an annual event, and the Charity has been fully represented over the years.
- **Launch of Newham Warm Havens Network** – As of Newham's Cost of Living response, a 'Newham Warm Haven's Programme' was launched with partners of the Council to keep spaces and places open for longer. This includes libraries, community buildings and other safe non-judgemental places where residents can go, free of charge, for whatever reason they like. We signed up to this initiative as part of our ongoing outreach services and have participated in various activities and programmes to make residents feel supported, safe, and welcome in the community.
- **Newham Cost of Living Forum (Ongoing)** – This forum was set by Newham to help residents/people affected by the Cost-of-Living Crisis cope with the rising cost of Food, Fuel and Money and receive the right support available to them. Newham delivered several free online workshops linked to the Cost-of-Living Crisis to support frontline workers in the Borough who work closely with residents to present them with a range of social welfare issues that people may encounter during the crisis.

The sessions covered include:

Updated training and induction are continuously being provided by the organisation to upskill volunteers on how to respond to disasters and crisis.

It is a project which aims to build strong and sustainable links between community groups, local authorities, and emergency services to improve collaboration before, during and after emergencies such as the covid crisis and other emergency situation.
- **Mental Health First Aid Awareness** – The NHS Newham Clinical Commissioning Group is still offering upskill training to all frontline staff and volunteers in the Borough to raise awareness of mental health in the communities. The training covered – What mental health is and how to challenge stigma, A basic knowledge of some common mental health issues, an introduction to looking after own mental health and maintaining wellbeing, and confidence to support someone in distress or who may be experiencing a mental health issue during the pandemic.
- **Newham Community Builder Focus Group** – An initiative launched by Protection Approaches, a London based charity whose aim is to build awareness of hate crime and support community cohesion. We signed up to this and free online training offered to organisations or groups passionate about creating positive change in their communities and will help them build their knowledge and skills on how to bring people together, tackle injustice, and increase cohesion particularly those who are most marginalised from a community they are a part of.
- **Custom House and Canning Town Community Local Plan Assembly** – The Charity took part in the second round of consultation (Regulation 18) for the Newham Local Plan Review where we expressed our views. The Newham Local Plan is the key planning document which the Council uses to assess planning applications and to manage where regeneration and development happens in Newham, what it is used for, and what it looks like. The Local Plan includes policies on housing, employment, climate, greenspaces, town centres, design, community facilities, and transport.
- **Custom House and Canning Town Community Assemblies** – These are quarterly meetings held at the local library and virtual. We a key stakeholder at these meetings and discussions focuses around consultations on matters relating to community cohesion and safety.
- **Custom House and Canning Town Community Assembly Projects** – We are a member of this Working Group and were involved in sifting and interviewing potential bidders mainly from residents to undertake projects to improve their community. This is the second year we have been involved in the project funded by the London Borough of Newham and each of the eight neighbourhood was allocated a grant of £100k. We are in the process of monitoring the projects which were awarded to the 12 successful bidders, and this will involve visits to the sites and face to face meetings.
- **Newham Diverse Communities Health and Well Being Reference Group** – We are well represented on this group and its purpose is to improve engagement, communication and partnership working with all the diverse communities in Newham with regards to Racism,

The aim of the group is to connect all the foodbank outlets in the Borough to support those with direct food need due to financial issues, deprivation, homelessness, and sudden life change. We were invited to join the group due to our thriving community outreach service where we have been giving out food parcels every month to the community since the lockdown and up until now.

d. Volunteers

The church is grateful for the commitment and unstinting efforts of its volunteers who are involved in services provision. The Church has over 250 volunteers committed to working in various departments within the church. It is estimated that over 40,000 volunteer hours were provided during the year. If this is conservatively valued at £10.00 an hour the volunteer efforts amount to over £400,000. The church continues to dispense the service of heads of departments and Ministers to ensure that the best value is derived from the sterling efforts of the volunteers.

Achievements and performance

a. Key performance indicators

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Review of activities

The benefits of the Charity's work are the ability to make a difference in people's situation through the various activities it runs in the course of the year. The Trustees are pleased that the achievements and performance of the Charity, a few of them set out below, demonstrate a tangible progress.

Reaching out to the Community:

Integration and Career Advisory Surgeries:

1. Organised monthly advice surgeries to members' on how to progress in their careers.
2. Many career professionals have been invited to talk on ways members can improve their knowledge and skills in gaining and retaining employment.
3. Organised monthly surgeries for members and non members to inform them of their legal, housing and immigration rights in the UK.
4. Run careers and business workshops and seminars.
5. Organised small group meetings to provide information on how members new to the UK can integrate well in the society.

Smile of a Woman:

1. This is a scheme run by the Royal Women's Ministry which has continue to reach out to the less privileged people in the community as a result of the economic recession and the existing Covid 19 pandemic crisis. Donated toiletries to women in need in Tower Hamlets.

Congregational Health Checks:

1. Ongoing free health checks is open and accessible to members of the community and is run by our team of health professionals. Evaluation of the health checks showed that those who attended the sessions were made to feel at ease by the team members. Also, the ability for them to be able to discuss their health issues or concerns with the team are key achievements of this service.

Other activities undertaken to reach out to the Community:

1. The Charity was able to pay the school fees for 150 students in Uganda as part of its commitment to support the cause of orphans in Africa.
2. The Charity does a collection of various items on a regular basis and contributes considerably to Mission to Africa, sending clothing and provisions to people in Uganda and Nigeria.
3. Operation 'Christmas Child'. Aimed at reaching out to the less privileged children in different parts of the world with our gifts and hope that through our generosity they can feel the true love of God.
4. Made charitable donations to charity organisations.

Collaborative Working:

The Charity has engaged with a number of local, voluntary and state bodies in Newham and outside the borough as set out below:

Achievements and performance (continued)

3. **Custom House and Canning Town Community Assembly Projects** – We are a member of this Working Group and we were involved in sifting and interviewing potential bidders mainly from residents to undertake projects to improve their community. Our role was to review the experiences we have had in the past when using the parks for our church events and what our thoughts are with the current state of the parks and the facilities available to make our events a worthwhile one.
8. **Newham's Annual Council Meeting** – This meeting is a very important civic moment for every resident, groups and organisations in Newham as it provides the opportunity to set out the plans of the Council in the coming 12 months. It's all part of the Council's commitment to forging deeper bonds with valued partners, residents and communities.

c. Investment policy and performance

The Trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

The balance held as unrestricted funds at 31 December 2023 was £3,560,669 (2022 - £3,434,853), of which £378,165 (2022 - £243,359) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The trustees recognise that the current level of free reserve does not reach the above target and are considering ways in which additional unrestricted funds will be raised.

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances.

The Trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

d. Principal funding

The Charity's principal funding is through members contribution and donations from supporters and well-wishers of the church.

Structure, governance and management

a. Constitution

Redeemed Christian Church of God ('RCCG') Royal Connections is a registered charity, number 1084771, and is constituted under a Trust deed dated 21 November 2000. .

They are provided with copies of the Charity Commission's guidance to trustees and given an introduction to the activities of the charity by the existing board.

d. Policies adopted for the induction and training of Trustees

Existing trustees are provided with training as and when required.

Structure, governance and management (continued)

e. Pay policy for key management personnel

Our goal is to offer fair pay to attract and keep appropriately qualified staff to lead, manage, support and deliver the charity's aims. It is consistent with our aims and we recognise that we are able to attract senior executives with lower pay than public or private sector market rates.

1. The Trustees are responsible for setting remuneration levels for the church's pastors and most senior staff.
2. Pay and rewards are set making informed judgments and following the charity's governance and constitutional arrangements.

In deciding top levels of pay and rewards, trustees consider some or all of the following:

1. The purposes, aims and values of the charity, and its beneficiaries' needs including whether a lower rate of pay compared to similar roles in other sectors is appropriate
2. The Charity's current business plan and how implementing it may affect the number of senior staff the charity needs to employ or recruit, and the nature of these roles
3. The Charity's ability to pay, including:
 - the benefit to the charity that such positions will bring
 - the cost to the charity of increasing remuneration levels
 - how increasing pay, particularly at senior levels, would be perceived by employees, donors and beneficiaries
 - whether it's affordable
 - the appropriateness of the pay in the context of the charity and its beneficiaries' needs
4. Our assessment of the charity's and senior staff's performance against expectations, both short and long term
5. The wider 'employment offer' they can make to potential employees
6. The Charity's track record in attracting and retaining committed and motivated employees
7. The likely impact on, and views of, beneficiaries, donors, funders, and current and potential volunteers
8. The relationship between policy and practice for pay of senior staff and that of the Charity's whole workforce.

Plans for future periods

Forward Plan for Premises:

Change of Premises:

The Charity's current lease is rolling. Charity is still rigorously searching for a new premises.

Other future developments include:

- Planting more parishes within 5minute drive of residential apartments in line with the RCCG worldwide mandate. There is one or two in the pipeline next year.
- Planning more activities to further open up the premises to engage the community.
- Setting up small scale social enterprises, helping members of the community develop business opportunities, supporting the young people with their education and helping ensure they are employable when they leave school.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2023

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Stephen Michael Associates, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

Opinion

We have audited the financial statements of Redeemed Christian Church of God ('RCCG') Royal Connections (the 'charity') for the year ended 31 December 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Trustees and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation.
- We considered the extent of compliance with those laws and regulations as part of our procedure on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Trustees.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We obtained a legal letter from the charity's solicitors and enquire of those charged with governance and management around actual and potential litigation and claims.
- We reviewed a sample of collection/count sheets to ensure they are signed by at least two people.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of operation.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God ('RCCG') Royal Connections meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

FOR THE YEAR ENDED 31 DECEMBER 2023

2. Accounting policies (continued)

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Gift Aid

In the case of a Gift Aid payment made within the Group, income is accrued when the payment is payable to the parent charity under a legal obligation. Measurement is at the fair value receivable, which will normally be the transaction value.

Where the right to receive Gift Aid has been established, the amount receivable is recognised as investment income in the Statement of financial activities.

2. Accounting policies (continued)

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the revaluation model, tangible fixed assets whose fair value can be measured reliably shall be carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Revaluations are made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting date.

Fair values are determined from market-based evidence by appraisal that is normally undertaken by professionally qualified valuers. If there is no market-based evidence of fair value because of the specialised nature of the tangible fixed asset and it is rarely sold, except as part of a contributing business, a charity may need to estimate fair value using an income or depreciated replacement cost approach.

Gains and losses on revaluation are recognised in the Statement of financial activities, with a separate revaluation reserve being shown in the Statement of funds note.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Music and church equipment	- 12.5% straight line
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 12.5% straight line
Computer equipment	- 25% reducing balance

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

The church is grateful for the commitment and unstinting efforts of its volunteers who are involved in services provision. The Church has over 250 volunteers committed to working in various departments within the church. It is estimated that over 40,000 volunteer hours were provided during the year. If this is conservatively valued at £10.00 an hour the volunteer efforts amount to over £400,000. The church continues to dispense the service of heads of departments and Ministers to ensure that the best value is derived from the sterling efforts of the volunteers.

Achievements and performance

a. Key performance indicators

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Review of activities

The benefits of the Charity's work are the ability to make a difference in people's situation through the various activities it runs in the course of the year. The Trustees are pleased that the achievements and performance of the Charity, a few of them set out below, demonstrate a tangible progress.

Reaching out to the Community:

Integration and Career Advisory Surgeries:

1. Organised monthly advice surgeries to members' on how to progress in their careers.
2. Many career professionals have been invited to talk on ways members can improve their knowledge and skills in gaining and retaining employment.
3. Organised monthly surgeries for members and non members to inform them of their legal, housing and immigration rights in the UK.
4. Run careers and business workshops and seminars.
5. Organised small group meetings to provide information on how members new to the UK can integrate well in the society.

Smile of a Woman:

1. This is a scheme run by the Royal Women's Ministry which has continue to reach out to the less privileged people in the community as a result of the economic recession and the existing Covid 19 pandemic crisis. Donated toiletries to women in need in Tower Hamlets.

Congregational Health Checks:

1. Ongoing free health checks is open and accessible to members of the community and is run by our team of health professionals. Evaluation of the health checks showed that those who attended the sessions were made to feel at ease by the team members. Also, the ability for them to be able to discuss their health issues or concerns with the team are key achievements of this service.

Other activities undertaken to reach out to the Community:

1. The Charity was able to pay the school fees for 150 students in Uganda as part of its commitment to support the cause of orphans in Africa.
2. The Charity does a collection of various items on a regular basis and contributes considerably to Mission to Africa, sending clothing and provisions to people in Uganda and Nigeria.
3. Operation 'Christmas Child'. Aimed at reaching out to the less privileged children in different parts of the world with our gifts and hope that through our generosity they can feel the true love of God.
4. Made charitable donations to charity organisations.

Collaborative Working:

The Charity has engaged with a number of local, voluntary and state bodies in Newham and outside the borough as set out below:

1. **Collaborative Working** with the Newham Faith and Communities Metropolitan Police Officer – We are actively working closely with the Metropolitan Police in their efforts to engage with the community to combat crime and other social issues which will bring peace and community cohesion.

Achievements and performance (continued)

3. **Custom House and Canning Town Community Assembly Projects** – We are a member of this Working Group and we were involved in sifting and interviewing potential bidders mainly from residents to undertake projects to improve their community. The projects are about to commence and we will be one of the project supervisors monitoring the progress made.
4. **Police Encounter Panels (PEPs)** – We will be expected to actively work with the Met Police on this initiative when it officially takes off next year.
5. **Newham Food Alliance** – As one of the leading food distributing hub in the Borough, there is potential for us to be engaged with this group on a larger scale due to the spiralling inflation affecting the low-income people in the community.

c. Investment policy and performance

The Trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

The balance held as unrestricted funds at 31 December was £3,434,853 (2021 - £2,559,537), of which £243,359 (2021 - £26,438) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The trustees recognise that the current level of free reserve does not reach the above target and are considering ways in which additional unrestricted funds will be raised.

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances.

The Trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

Structure, governance and management (continued)

e. Pay policy for key management personnel

Our goal is to offer fair pay to attract and keep appropriately qualified staff to lead, manage, support and deliver the charity's aims. It is consistent with our aims and we recognise that we are able to attract senior executives with lower pay than public or private sector market rates.

1. The Trustees are responsible for setting remuneration levels for the church's pastors and most senior staff.
2. Pay and rewards are set making informed judgments and following the charity's governance and constitutional arrangements.

In deciding top levels of pay and rewards, trustees consider some or all of the following:

1. The purposes, aims and values of the charity, and its beneficiaries' needs including whether a lower rate of pay compared to similar roles in other sectors is appropriate
2. The Charity's current business plan and how implementing it may affect the number of senior staff the charity needs to employ or recruit, and the nature of these roles
3. The Charity's ability to pay, including:
 - the benefit to the charity that such positions will bring
 - the cost to the charity of increasing remuneration levels
 - how increasing pay, particularly at senior levels, would be perceived by employees, donors and beneficiaries
 - whether it's affordable
 - the appropriateness of the pay in the context of the charity and its beneficiaries' needs
4. Our assessment of the charity's and senior staff's performance against expectations, both short and long term
5. The wider 'employment offer' they can make to potential employees
6. The Charity's track record in attracting and retaining committed and motivated employees
7. The likely impact on, and views of, beneficiaries, donors, funders, and current and potential volunteers
8. The relationship between policy and practice for pay of senior staff and that of the Charity's whole workforce.

Plans for future periods

Forward Plan for Premises:

Change of Premises:

The Charity's 10 year lease at its current premises at 90 Monier Road runs out in December 2018. To this end, Taylor Wimpey became the new owners of the premises after acquiring it from our previous landlord in early 2018 with the aim of building flats on the land once we move out. Effectively, The Charity began the rigorous task of searching for a new premises as efforts to negotiate extension fell through.

Other future developments include:

- Planting more parishes within 5minute drive of residential apartments in line with the RCCG worldwide mandate. There is one or two in the pipeline next year.
- Planning more activities to further open up the premises to engage the community.
- Setting up small scale social enterprises, helping members of the community develop business opportunities, supporting the young people with their education and helping ensure they are employable when they leave school.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

Opinion

We have audited the financial statements of Redeemed Christian Church of God ('RCCG') Royal Connections (the 'charity') for the year ended 31 December 2022 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Trustees and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation.
- We considered the extent of compliance with those laws and regulations as part of our procedure on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Trustees.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We obtained a legal letter from the charity's solicitors and enquire of those charged with governance and management around actual and potential litigation and claims.
- We reviewed a sample of collection/count sheets to ensure they are signed by at least two people.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of operation.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. General information

Redeemed Christian Church of God ('RCCG') Royal Connections is a charitable trust registered with the Charity Commission in England & Wales. The office address is 199 Freemason Road, Canning Town, East London, London E16 3PG.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God ('RCCG') Royal Connections meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the cashflow forecast and the projected income and expenditure for 12 months from authorising these financial statements. The level of free reserves and funds held is sufficient for the charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Music and church equipment	- 12.5% straight line
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 12.5% straight line
Computer equipment	- 25% reducing balance

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.11 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

d. Volunteers

The church is grateful for the commitment and unstinting efforts of its volunteers who are involved in services provision. The Church has over 250 volunteers committed to working in various departments within the church. It is estimated that over 40,000 volunteer hours were provided during the year. If this is conservatively valued at £10.00 an hour the volunteer efforts amount to over £400,000. The church continues to dispense the service of heads of departments and Ministers to ensure that the best value is derived from the sterling efforts of the volunteers.

Achievements and performance

a. Key performance indicators

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Review of activities

The benefits of the Charity's work are the ability to make a difference in people's situation through the various activities it runs in the course of the year. The Trustees are pleased that the achievements and performance of the Charity, a few of them set out below, demonstrate a tangible progress.

Reaching out to the Community:

Integration and Career Advisory Surgeries:

1. Organised monthly advice surgeries to members' on how to progress in their careers.
2. Many career professionals have been invited to talk on ways members can improve their knowledge and skills in gaining and retaining employment.
3. Organised monthly surgeries for members and non-members to inform them of their legal, housing and immigration rights in the UK.
4. Run careers and business workshops and seminars.
5. Organised small group meetings to provide information on how members new to the UK can integrate well in the society.

Smile of a Woman:

1. This is a scheme run by the Royal Women's Ministry which has continue to reach out to the less privileged people in the community as a result of the economic recession and the existing Covid-19 pandemic crisis. Donated toiletries to women in need in Tower Hamlets.

Congregational Health Checks:

1. Ongoing free health checks is open and accessible to members of the community and is run by our team of health professionals. Evaluation of the health checks showed that those who attended the sessions were made to feel at ease by the team members. Also, the ability for them to be able to discuss their health issues or concerns with the team are key achievements of this service.

Other activities undertaken to reach out to the Community:

1. The Charity was able to pay the school fees for 150 students in Uganda as part of its commitment to support the cause of orphans in Africa.
2. The Charity does a collection of various items on a regular basis and contributes considerably to Mission to Africa, sending clothing and provisions to people in Uganda and Nigeria.
3. Operation 'Christmas Child'. Aimed at reaching out to the less privileged children in different parts of the world with our gifts and hope that through our generosity they can feel the true love of God.
4. Made charitable donations to charity organisations.

Collaborative Working:

The Charity has engaged with a number of local, voluntary and state bodies in Newham and outside the borough as set out below:

1. **Collaborative Working with the Newham Faith and Communities Metropolitan Police Officer** – We are actively working closely with the Metropolitan Police in their efforts to engage with the community to combat crime and other social issues which will bring peace and community cohesion.
2. **Transform Newham** – We are actively involved in this charity's work in connecting churches and charities together for the common good and actively pray for the Borough and for families going through difficult times during the pandemic.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Achievements and performance (continued)

3. **Custom House and Canning Town Community Assembly Projects** – We are a member of this Working Group and we were involved in sifting and interviewing potential bidders mainly from residents to undertake projects to improve their community. The projects are about to commence and we will be one of the project supervisors monitoring the progress made.
4. **Police Encounter Panels (PEPs)** – We will be expected to actively work with the Met Police on this initiative when it officially takes off next year.
5. **Newham Food Alliance** – As one of the leading food distributing hub in the Borough, there is potential for us to be engaged with this group on a larger scale due to the spiralling inflation affecting the low-income people in the community.

c. Investment policy and performance

The Trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

The balance held as unrestricted funds at 31 December was £2,775,997 (2020 - £2,956,982), of which £26,438 (2020 - £267,960) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The trustees recognise that the current level of free reserve does not reach the above target and are considering ways in which additional unrestricted funds will be raised.

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances.

The Trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

Structure, governance and management (continued)

e. Pay policy for key management personnel

Our goal is to offer fair pay to attract and keep appropriately qualified staff to lead, manage, support and deliver the charity's aims. It is consistent with our aims and we recognise that we are able to attract senior executives with lower pay than public or private sector market rates.

1. The Trustees are responsible for setting remuneration levels for the church's pastors and most senior staff.
2. Pay and rewards are set making informed judgments and following the charity's governance and constitutional arrangements.

In deciding top levels of pay and rewards, trustees consider some or all of the following:

1. The purposes, aims and values of the charity, and its beneficiaries' needs including whether a lower rate of pay compared to similar roles in other sectors is appropriate
2. The Charity's current business plan and how implementing it may affect the number of senior staff the charity needs to employ or recruit, and the nature of these roles
3. The Charity's ability to pay, including:
 - the benefit to the charity that such positions will bring
 - the cost to the charity of increasing remuneration levels
 - how increasing pay, particularly at senior levels, would be perceived by employees, donors and beneficiaries
 - whether it's affordable
 - the appropriateness of the pay in the context of the charity and its beneficiaries' needs
4. Our assessment of the charity's and senior staff's performance against expectations, both short and long term
5. The wider 'employment offer' they can make to potential employees
6. The Charity's track record in attracting and retaining committed and motivated employees
7. The likely impact on, and views of, beneficiaries, donors, funders, and current and potential volunteers
8. The relationship between policy and practice for pay of senior staff and that of the Charity's whole workforce.

Plans for future periods

Forward Plan for Premises:

The Charity's lease at its current premises at 199 Freemasons Road is on a rolling contract or lease. Equally, The Charity is vigorously looking for a new premises and so far, has not been able to find a suitable one.

Other future developments include:

- Plans are still ongoing to plant more churches in line with the RCCG worldwide mandate though this has been hampered by the pandemic.
- Community Outreach Team will be rolling out series of events twice a month in the premises to engage with the community.
- Other various events such as supporting young people with their education and training to help them secure jobs, establishing small scale enterprises and assisting members of the community to develop business ideas were put on hold due to Covid-19.

The Charity will continue its efforts to embark on the above plans as soon as the Covid-19 restrictions are lifted.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Stephen Michael Associates, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

Opinion

We have audited the financial statements of Redeemed Christian Church of God ('RCCG') Royal Connections (the 'charity') for the year ended 31 December 2021 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Trustees and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation.
- We considered the extent of compliance with those laws and regulations as part of our procedure on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Trustees.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We obtained a legal letter from the charity's solicitors and enquire of those charged with governance and management around actual and potential litigation and claims.
- We reviewed a sample of collection/count sheets to ensure they are signed by at least two people.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of operation.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. General information

Redeemed Christian Church of God ('RCCG') Royal Connections is a charitable trust registered with the Charity Commission in England & Wales. The office address is 199 Freemason Road, Canning Town, East London, London E16 3PG.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God ('RCCG') Royal Connections meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the cashflow forecast and the projected income and expenditure for 12 months from authorising these financial statements. The level of free reserves and funds held is sufficient for the charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Music and church equipment	- 12.5% straight line
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 12.5% straight line
Computer equipment	- 25% reducing balance

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.11 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

- 2. Custom House and Canning Town Community Assembly Projects** – We are a member of this Working Group and we were involved in sifting and interviewing potential bidders mainly from residents to undertake projects to improve their community. The project was funded by the London Borough of Newham and each of the eight neighbourhood was allocated a grant of £100k. We are in the process of monitoring the projects which were awarded to the 12 successful bidders, and this will involve visits to the sites and face-to-face meetings.
- 3. Newham Diverse Communities Health and Well-Being Reference Group** – We are well represented on this group and its purpose is to improve engagement, communication and partnership working with all the diverse communities in Newham with regards to Racism, Inequality and Disproportionality during the Covid-19 pandemic and Black Lives Matter demonstrations. - 6. Census 2021** – We worked closely with the Census Community Advisor to raise awareness among the congregation by including Census communication in our weekly announcements. The Community Advisor attended one of our Sunday services to promote the Census where they were able to answer questions from church members. We placed posters and leaflets on our notice boards and in prominent areas in the building for the exercise. We also held a completion session to assist church members, people from the community and in particular the senior citizens to complete the census form. We then enclosed the census postcards in the food parcel bags we distributed locally to our service users.
- 7. Newham Council Health Champions Vaccine Q&A Session** – The event was organised to enable all the key stakeholders ask The Champions about what they know about the Covid-19 Vaccine and its roll-out and vice versa for them to explain to us how a vaccine works, how does the Covid-19 vaccine work, how the Covid-19 vaccine was developed, how the safety of the Covid-19 was guaranteed and ensured; and how the vaccine will be rolled out.

Achievements and performance

a. Key performance indicators

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help.

The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Review of activities

The benefits of the Charity's work are the ability to make a difference in people's situation through the various activities it runs in the course of the year. The Trustees are pleased that the achievements and performance of the Charity, a few of them set out below, demonstrate a tangible progress.

Reaching out to the Community:

Integration and Career Advisory Surgeries:

1. Organised monthly advice surgeries to members' on how to progress in their careers.
2. Many career professionals have been invited to talk on ways members can improve their knowledge and skills in gaining and retaining employment.
3. Organised monthly surgeries for members and non-members to inform them of their legal, housing and immigration rights in the UK.
4. Run careers and business workshops and seminars.
5. Organised small group meetings to provide information on how members new to the UK can integrate well in the society.

Smile of a Woman:

1. This is a scheme run by the Royal Women's Ministry which has continue to reach out to the less privileged people in the community as a result of the economic recession and the existing Covid-19 pandemic crisis. Donated toiletries to women in need in Tower Hamlets.

Congregational Health Checks:

1. Ongoing free health checks is open and accessible to members of the community and is run by our team of health professionals. Evaluation of the health checks showed that those who attended the sessions were made to feel at ease by the team members. Also, the ability for them to be able to discuss their health issues or concerns with the team are key achievements of this service.

Other activities undertaken to reach out to the Community:

1. The Charity was able to pay the school fees for 150 students in Uganda as part of its commitment to support the cause of orphans in Africa.
2. The Charity does a collection of various items on a regular basis and contributes considerably to Mission to Africa, sending clothing and provisions to people in Uganda and Nigeria.
3. Operation 'Christmas Child'. Aimed at reaching out to the less privileged children in different parts of the world with our gifts and hope that through our generosity they can feel the true love of God.

from residents to undertake projects to improve their community. The projects are about to commence and we will be one of the project supervisors monitoring the progress made.

c. Investment policy and performance

The Trustees have decided that at present, funds should be retained in Banks and Building Societies. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

The balance held as unrestricted funds at 31 December was £2,956,982 (2019 - £2,770,920), of which £267,960 (2019 - £696,038) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The trustees recognise that the current level of free reserve does not reach the above target and are considering ways in which additional unrestricted funds will be raised.

c. Principal risks and uncertainties

The Trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity and its finances.

The Trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

d. Principal funding

The Charity's principal funding is through members contribution and donations from supporters and well-wishers of the church.

Structure, governance and management (continued)

e. Pay policy for key management personnel

Our goal is to offer fair pay to attract and keep appropriately qualified staff to lead, manage, support and deliver the charity's aims. It is consistent with our aims and we recognise that we are able to attract senior executives with lower pay than public or private sector market rates.

1. The Trustees are responsible for setting remuneration levels for the church's pastors and most senior staff.
2. Pay and rewards are set making informed judgments and following the charity's governance and constitutional arrangements.

In deciding top levels of pay and rewards, trustees consider some or all of the following:

1. The purposes, aims and values of the charity, and its beneficiaries' needs including whether a lower rate of pay compared to similar roles in other sectors is appropriate
2. The Charity's current business plan and how implementing it may affect the number of senior staff the charity needs to employ or recruit, and the nature of these roles
3. The Charity's ability to pay, including:
 - the benefit to the charity that such positions will bring
 - the cost to the charity of increasing remuneration levels
 - how increasing pay, particularly at senior levels, would be perceived by employees, donors and beneficiaries
 - whether it's affordable
 - the appropriateness of the pay in the context of the charity and its beneficiaries' needs
4. Our assessment of the charity's and senior staff's performance against expectations, both short and long term
5. The wider 'employment offer' they can make to potential employees
6. The Charity's track record in attracting and retaining committed and motivated employees
7. The likely impact on, and views of, beneficiaries, donors, funders, and current and potential volunteers
8. The relationship between policy and practice for pay of senior staff and that of the Charity's whole workforce.

Plans for future periods

Change of Premises:

The Charity's 10 year lease at its current premises at 90 Monier Road runs out in December 2018. To this end, Taylor Wimpey became the new owners of the premises after acquiring it from our previous landlord in early 2018 with the aim of building flats on the land once we move out. Effectively, The Charity began the rigorous task of searching for a new premises as efforts to negotiate extension fell through.

Other future developments include:

- Planting more parishes within 5minute drive of residential apartments in line with the RCCG worldwide mandate. There is one or two in the pipeline next year.
- Planning more activities to further open up the premises to engage the community.
- Setting up small scale social enterprises, helping members of the community develop business opportunities, supporting the young people with their education and helping ensure they are employable when they leave school.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

Opinion

We have audited the financial statements of Redeemed Christian Church of God ('RCCG') Royal Connections (the 'charity') for the year ended 31 December 2020 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2020 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS (CONTINUED)

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Trustees and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation.
- We considered the extent of compliance with those laws and regulations as part of our procedure on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Trustees.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We obtained a legal letter from the charity's solicitors and enquire of those charged with governance and management around actual and potential litigation and claims.
- We reviewed a sample of collection/count sheets to ensure they are signed by at least two people.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of operation.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. General information

Redeemed Christian Church of God ('RCCG') Royal Connections is a charitable trust registered with the Charity Commission in England & Wales. The office address is 199 Freemason Road, Canning Town, East London, London E16 3PG.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Redeemed Christian Church of God ('RCCG') Royal Connections meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The consolidated financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the cashflow forecast and the projected income and expenditure for 12 months from authorising these financial statements. The level of free reserves and funds held is sufficient for the charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

REDEEMED CHRISTIAN CHURCH OF GOD ('RCCG') ROYAL CONNECTIONS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Short-term leasehold property	- 10% straight line
Plant and machinery	- 12.5% straight line
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 12.5% straight line
Computer equipment	- 25% reducing balance

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.11 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
