The accounts have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure until January 2021. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

(c) Income

Income is recognised in the SOFA when the charity has entitlement to the funds, any performance conditions attached to the monies have been met, the receipt of the income is probable and its amount can be reliably measured.

Income from government and other grants, whether 'capital' grant or 'revenue' grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

(d) Expenditure and liabilities

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

(e) Tangible fixed assets

All assets costing more than £400 are capitalised and valued at historical cost

Depreciation has been calculated to write down the cost or valuation, less estimated residual value, of all tangible fixed assets over their expected useful lives on a straight line basis.
