The charity was registered on 6 March 2001 following the devastating earthquake in Bhuj on 26 January 2001, which destroyed approximately 90% of Sukhpur. The object of the charity is to relieve distress caused by the earthquake in Sukhpur, Bhuj, Gujarat, India on 26 January 2001. The purpose is to use the funds to relieve those who may need help whether now or in the future because of this tragedy, with special consideration being given to orphans, the elderly and people who are with disability.

The charity is continuing with its objectives of providing long-term assistance through SSERT Hospital in Sukhpur by providing basic GP services 24 hours per day including Physio services, Dental and Eye Clinic and Medical Store at the hospital. We are also making donation to the Sukhpur Tiffin Service to provide 2 meals daily free or partly paid every day to the needy people in the town. The hospital is still providing a valuable service to the local community and the surrounding towns. The committee and the trustees are happy with the service it is providing. We have set up Dental clinic from April 2018 with a fulltime dentist employed and Eye clinic from June 2018 at the hospital through a link up with The Blind Peoples Association charity in Bhuj. They are providing the specialist to operate the clinic at SSERT hospital and if any patients require eye treatment or operation, they will carry out the required treatment at their fully equipped hospital in Bhuj at very low cost or even free depending on the treatment required.

The charity is still running completely on interest and the income generated by the Hospital and Medical Store. The trustees believe that whilst the charity is able to support itself there is no need to generate any additional funds in UK.

As per last year's report we have opened 3 trustees NRE account no. 382413110000565 with foreign account status with our existing fund holding bank - Bank of India to hold the SSERT funds in the 3 UK trustee names with any 2 trustee's signatures to operate the account. We have also arranged the legal agreement to protect the SSERT funds and the trustees against any legal or tax problems or any funds ownership problems while the SSERT funds are held in their names. The 3 trustees on the legal agreement are Lalji V Bhudia, Hirji Lalji Bhudia, Gopal Kanji Naran. The bank has agreed to hold all the existing fixed deposit accounts held in the SSERT trust name and we will transfer them to the 3-trustee account as they mature. The funds transferring process is working good and we will complete all the funds transfer in June 2022.

Due to the COVID-19 we have not been able to hold a face-to-face meeting with the trustees to discuss reducing the number of trustees who are less active as mentioned in the last years report. We will review this in 2022 when we are able to hold the face-to-face meeting to allow any new persons who regularly visit Sukhpur and who are interested in joining the charity to become trustees so that we are able to run more efficiently and make it easier to make trustee decisions.
