

The aim of the Charity based at the Birchmeadow Centre is to promote Arts, Youth and Sports in Shropshire (Broseley, Telford & Wrekin areas).

Activities such as Yoga, Square Dancing, Healthy Friendships and Memory and Respite Groups and various children's activities are now regular features at the Centre. Colleges also hire the facilities to run various courses.

International, UK and Local musicians, Amateur Dramatic Societies and Youth Theatre perform at the Centre on a regular basis.

The Centre offers several sized rooms for different kinds of functions and a well-appointed kitchen and an attractive bar area which overlooks the park. The Centre has parking for several cars both to the front and rear of the building.

In addition, the Centre offers users access to a range of theatrical lighting, audio, visual and computer equipment for use in running presentations, teaching and training.

10th August 2021

Birch Meadow Centre
Broseley

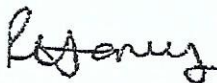

I can confirm that I have audited more than the required % of the Income and Expenditure of the bookkeeping records for the above company from bank statements and Invoice records provided.

I would suggest in future if Barry still could download and print from the online banking:

1. Sum the total payments and receipts for the accounting period/
2. Ensure Invoices are received if missing chase copies
3. Include PAYE schedule and copy of HMRC payments
4. Profit & Loss schedule from the accounting system ✓

Everything has been accounted for correctly from the percentage checked, and all records are correctly filed.

Regards

Rachel Harvey- MAAT
Accountant
