**OBJECTIVES AND ACTIVITIES**

The objectives of the Charity are:

- (a) To advance the Christian faith in the UK and overseas - by the church providing activities in the local community and overseas. Locally the church offers regular weekly worship, teaching, fellowship and guidance within the community. - (c) To serve, through social action and evangelism - the under privileged, deprived and/or those who feel rejected.
- (d) To provide a relevant and Biblical approach to worship using music, drama and other means of a high quality, essential for effective communication in today's culture and to enable Christians to encourage each other in their faith and disciple other people.
- (e) To strengthen the faith of Christians through sound biblical teaching, fellowship and prayer so they are able to stand for Christ in today's world.

**ACHIEVEMENT AND PERFORMANCE**

We are continuing to meet as church members. Our aim continues to be to work in the best interests of the wider community.

South Normanton Community Church ([www.southnormantoncommunitychurch.com](http://www.southnormantoncommunitychurch.com))

We continued to develop moral learning and foundational teaching increasing faith and hope in individual lives and the wider community. Our pastoral care extends into the local community, not just within the confines of the church, and this has continued to grow at a steady pace.

Thrive

Home to a youth centre offering various activities, including internet accessible personal computers. The delivery of services has not only been sustained, but also improved by working more closely with our partners.

Here we work in partnership with the SNaP Development Project which provides a range of activities for youth. (Improvements have been made to the building, which are ongoing).

We also hold SNCC small group meetings and a "Friendly Bench" outreach. We negotiate with other partners to explore how by working together we can provide much needed services to local people.

Thrive also provides office space for our Administrator and for Release, an independent financial charity.

Faso Fund

Under the aegis of the Faso Fund, work continues to be funded and expanded in different parts of the African continent and we have also financially supported a school and an orphanage in India.

In Burkina Faso, we continue to support the development of schools (pre-school, primary and secondary), a clinic, maternity unit and orphanage.

The number of both employees and beneficiaries of these projects has continued to grow and we continue to develop sources of funding.

The support of works in South Africa has helped to provide a community/orphanage building at Village 3 near Kidds Beach. Two of our church members relocated to SA to further this work. Donations and gifts have continued to be received this year, which brings additional humanitarian aid to parts of Africa and India.

The Charity Shop

The charity shop has now operated for 11 years and income from the Charity shop is used to support the work of the Faso Fund.

The shop has also acted as a catalyst for the local community, empowering many local people as volunteers. They are overseen by the shop manager and the assistant manager.

Partnership Working

In line with our aims and objectives we have developed links with:

- I. South Normanton Churches Together, which is the churches working together to benefit the community, initially with the establishment of a foodbank (part of the Trussell Trust Network)
- II. South Normanton and Pinxton Development Project (SNaP) which provides youth and community services.
- III. Release Financial Charity which delivers free, confidential and non-judgemental money education, debt advice and support services to the local community.

**FINANCIAL REVIEW**

The Statement of Financial Activities is set out on Page 6 of the financial statements.

The Trustees are satisfied with the results and year end financial position, taking into account the national economic austerity measures which has decimated many of the life changing works we are involved with. We are reviewing this situation and hope to be able to at least provide a consistent level of activity, which can be maintained during the current year.

**Investment Powers**

These are governed by the Memorandum and Articles of Association which permit the funds to be invested in any investments, security or property that the Trustees see fit.

**Reserves Policy**

It is our expressed desire to operate with three months reserves in place. However we are constrained to a certain degree by the method in which our funders operate. Our policy is to only commit ourselves to expenditure after the funding has been approved.

**Changes in fixed assets**

The movements in fixed asset are set out in the notes to the accounts.

**FUTURE PLANS**

The trustees regularly review its ongoing performance against its objectives. Our current plans are detailed below:-

- Continue to outwork our strategy of working into the community by developing our relationship with South Normanton and Pinxton Development Project.
- Other expression of the aforementioned strategy are also demonstrated by, in particular, Thrive and the links with Release Financial Charity.
- After recognising the need to train and develop our personnel, a formal training programme has been implemented and is reviewed regularly, and is seen as an on-going requirement to maintain the quality of our service delivery.
- We are committed to working in partnership alongside other organisations to benefit the local community.
- Challenging social injustice by addressing financial, social, educational and environmental needs, and continuing to develop improved methods to measure the outcomes of our projects.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing Document**

The organisation is a charitable company limited by guarantee with no share capital, incorporated on 11 May 2000 and registered as a Charity on 19 March 2001. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

**Recruitment and Appointment of Trustees**

The Board of Trustees consisting of the four elected members administer the Charity

**Trustee Induction and Training**

New Trustees undergo an orientation day to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the Charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

**Related parties**

Full disclosure of all related parties and the transactions therewith are contained in the notes to the financial statements.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Public Benefit**

The Trustees have had regard to the guidance, which from early 2008 meant we should report on the Charity's public benefit.

Two underlying principles are:

- i. There must be an identifiable benefit or benefits - that arise from our aims, and
- ii. Benefit must be to the public, or a section of the public, who our aims intend to benefit

As well as benefiting people with spiritual well-being, we serve the community in general. The public benefit of each of our activities is detailed in the section 'Achievements and Performance'.

**Independent examiner's report to the trustees of South Normanton Community Church (A company Limited by Guarantee) ('the Company')**

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**South Normanton Community Church**  
**(A company Limited by Guarantee)**

**Notes to the Financial Statements**  
**for the Year Ended 31 March 2021**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Shop income represents the amounts receivable for goods sold to customers. It is recognised at the point of sale.

Donations, grants and gifts are accounted for when received. Any resultant deed of covenant or gift aid tax claim is included as part of the income for the year.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Expenditure includes any VAT which cannot be fully recovered and is included within the costs of activities.

Direct charitable expenditure is allocated to the relevant category or mission outreach as shown in the income and expenditure account. Administrative expenditure is classified according to the nature of the cost.

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include management, finance, and governance costs. They are incurred directly in support of expenditure on the objects of the charity.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost over the expected useful economic lives.

Freehold property	- 2% on cost
Music PA Equipment	- 25% on cost
Equipment	- 25% on cost
Trailers and motor vehicles	- 25% on cost
Computer equipment	- 25% on cost

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.
