Doddington Hall Trust
Trustees Report
Accounts Year Ended 5 April 2025

The Trustees submit their annual report and financial statements of The Doddington Hall Trust for the Year Ended 5 April 2025. The Trustees confirm that the annual report and financial statements of the charity comply with current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities (SORP 2005)"

Structure, Governance and Management

The charity is constituted under a Trust Deed dated 30 March 2001 and is a registered charity number 1086024.

The trustees named on page 1 have served throughout the year. Appointment of trustees is governed by the trust deed of the charity. The power to appoint new trustees vests solely with the settlor during her lifetime. There has to be a minimum of three and a maximum of five trustees.

Objectives and Activities

The Objects of the Charity include such charitable purposes or charitable institutions as the Trustees see fit from time to time to support. Specifically to restore repair maintain and conserve for the benefit of the public the hall wing and stable block of the property known as Doddington Hall near Nantwich Cheshire and such other buildings associated with Doddington Hall as may be considered to be of outstanding architectural or historic interest.

Achievements and Performance

The Trustees have been informed by Lady Delves Broughton that the first phase of the restoration project is at last completed, following snagging issues with the builders. The next phase of the restoration will commence as soon as various permissions have been granted. The trustees will then commence fund raising.

Financial Review

The Trust Deed authorises the trustees to make and hold investments using the general funds of the charity. As at 5 April 2025 the charity held £123,722 in its bank account. The Charity recorded an excess of expenditure over income for the year amounting to £114,996 (2024 - income over expenditure amounting to £178,311) The charity does not hold any funds as a custodian trustee.

Risk Management

The trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the significant risks.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds at a level which equate to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs. Unrestricted funds are maintained at least this level throughout the year.

Future Developments

The Trustees are looking forward to participating in the second phase of the restoration of Doddington Hall in due course.

Accounts Year Ended 5 April 2025

Trustees' responsibilities

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgments and accounting estimates that are reasonable and prudent;
- d) state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Fixed Assets

The Trust has the beneficial interest in a property known as School House, Holmshaw Lane, Oakhanger. CREWE CW1 5XE
In July 2019 HM Revenue & Customs determined that the value of the property when received was £315,000 not £350,000 as originally valued.

Prospects

The trustees look forward to future progress.

Independent Examiners Report
Accounts Year Ended 5 April 2025

Independent Examiner's Report to the Trustees of Doddington Hall Trust

I report to the trustees on my examination of the financial statements of Doddington Hall Trust ('the charity') for the year ended 5 April 2025 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

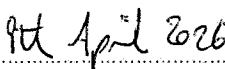

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Independent Examiner's Report to the Trustees of Doddington Hall Trust

I report to the trustees on my examination of the financial statements of Doddington Hall Trust ('the charity') for the year ended 5 April 2024 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

Structure, Governance and Management

The charity is constituted under a Trust Deed dated 30 March 2001 and is a registered charity number 1086024.

The trustees named on page 1 have served throughout the year. Appointment of trustees is governed by the trust deed of the charity. The power to appoint new trustees vests solely with the settlor during her lifetime. There has to be a minimum of three and a maximum of five trustees.

Objectives and Activities

The Objects of the Charity include such charitable purposes or charitable institutions as the Trustees see fit from time to time to support. Specifically to restore repair maintain and conserve for the benefit of the public the hall wing and stable block of the property known as Doddington Hall near Nantwich Cheshire and such other buildings associated with Doddington Hall as may be considered to be of outstanding architectural or historic interest.

Achievements and Performance

The Trustees have been informed by Lady Delves Broughton that the first phase of the restoration project is at last completed, following snagging issues with the builders. The next phase of the restoration will commence as soon as various permissions have been granted. The trustees will then commence fund raising.

Financial Review

The Trust Deed authorises the trustees to make and hold investments using the general funds of the charity. As at 5 April 2021 the charity held £46,672 in its bank account. The Charity recorded an excess of expenditure over income for the year amounting to £121,809 (2020 - (£46,357)) The charity does not hold any funds as a custodian trustee.

Risk Management

The trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the Charity and confirm that they have established systems to mitigate the significant risks.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds at a level which equate to approximately 12 months unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs. Unrestricted funds are maintained at least this level throughout the year.

Future Developments

The Trustees are looking forward to participating in the second phase of the restoration of Doddington Hall in due course.

Trustees' responsibilities

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.
