## Update report for the work currently underway in Rwanda

Have you ever wondered what happens to the smaller amounts of cash that we send through to Rwanda? The larger sums are easier to track, but here is what happens when we sent through just £1,100 for the preschool and healthy mum groups in Munazi. This is a summary of a report from Rwanda . . .

The **health mums' group** comprises 30 women who have children of between 3 to 6 years old attending the preschool with 35 children in the baby class and 30 in the middle class. The activities include teaching how to prepare a balanced diet to guard against malnutrition, the saving and credit program allowing members to borrow smaller sums at lower rates, and the vocational training to help them generate income, and of course teaching to live a Godly life.

The children of the **nursery school** had no comfortable chairs because they sat on the benches used in the church worship services. They are now sitting in a good position as 25 chairs were bought, placed in the church and are used during classes.

Some lessons and meals are still given on mats, so two more mats were bought to make them more comfortable. 10 football balls and 10 tennis balls were bought for £20 so children can play together.

The women who have children in this nursery school and are also members of the healthy mums groups were given cloth for clothes so that they can attend their group meetings, church worship and other gatherings without embarrassment. 30 mums received these clothes with great joy. To help with school fees for the children of the nursery school,

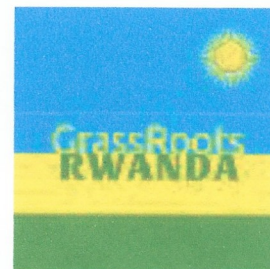

mums were given a piglet per three people so that they can grow

the piglets to generate income. 10 piglets at a cost £450 were distributed. The children usually drink the porridge and eat food which has been prepared by their parents at school using the kitchen utensils such as cups, plates and cooking pans for porridge and food. The school has been helped with additional cooking pans, cups, and plastic plates.

Members of the groups expressed their happiness and gratitude to the donors who provided all the preschool equipment, the piglets and clothes for the mums. They particularly said that during a recent meeting prayer, God promised to offer a gift of clothes and they wished God's blessings on the donors who have been guided by God in this way.

### Ongoing support update

The trust continues to seek to meet the needs of the poorest in Rwanda, especially those furthest from the tarmac road. The trust also supports the Dufatanye project which the trust has absorbed. This project has its own supporters and we were blessed to talk to the church of St Marks in Worle, Weston Super Mare. Here the trust supports a wide group of people by making land available for them to plant crops and each family has access to their own banana tree. Porridge is provided for the youngest, and every Sunday around 500 children agreed between 4 and 17 come for Bible Study. Two ongoing projects here are to support a small disabled child abandoned by her parents, and to rebuild a home for a poor widow.

### Encouraging involvement

If you would like a trustee to come to your church to update you with the work, please email [info@grassrootsrwanda.com](mailto:info@grassrootsrwanda.com)

### Visit Rwanda

Visiting Rwanda has been difficult over the last few years due to Covid, but we are planning a low key visit for a few trustees in October (please pray for a good and safe visit) and a larger visit with guests the following Easter. If you are interested in coming, again email [info@grassrootsrwanda.com](mailto:info@grassrootsrwanda.com)

For those who know him, we will be welcoming Pastor Amos to the UK for a week this Easter.

May God continue to bless the Trust as we seek to help those in need. We are very grateful for your kind and faithful donations which allow us to do this.

Independent  
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
