Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (e.g.; trust deed, constitution)	The governing document is a Deed of Trust. The charity is constituted by this Deed of Trust and administered in accordance with its terms. The registered number of the charity is 1086402
How the charity is constituted (e.g.; trust, association, company)	The charity is constituted as a Charitable Trust. The operations of the Trust are directed by regular meetings of the trustees, minutes are taken and kept as an accurate record of proceedings.
Trustee selection methods (e.g.; appointed by, elected by)	Under Para 19.1 of the governing Deed of Trust: the power to appoint new or additional trustees shall be vested in the trustees from time to time by the Solomon R. Guggenheim Foundation and its Italian branch located in Venice

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The institutional mission of the Solomon R Guggenheim Foundation is to provide for the promotion of art and for the mental or moral improvement of men and women by furthering their education, enlightenment and aesthetic taste, and by developing the understanding and appreciation of art by the public; to establish, maintain and operate a museum or museums, or other proper place or places for the public exhibition of art.

Broadly captured in the word 'educational', this mission is carried out by the Guggenheim museums in a number of ways:

- ❑ by exhibiting its collections of 20th and 21st century painting, sculpture and photography
- ❑ by organizing exhibitions on specific artists and themes which promote the study and interpretation of the arts
- ❑ by publishing scholarly catalogues
- ❑ by operating intern programmes, bringing art, art history and museology students annually from all over the world to learn and work in the museum environment
- ❑ by facilitating access of schoolchildren and other students, with guided visits, workshops, teacher-training, as well as discounts for admission
- ❑ by collecting and conserving works of art through gift, extended loan or purchase
- ❑ by stimulating wide participation in the museums' programs through membership

The Guggenheim UK Charitable Trust exists to encourage contributions from the UK to support the work of the museums and activities of the Solomon G. Guggenheim Foundation based in New York and its museums around the world.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

UK Student interns at the Peggy Guggenheim Collection, Venice:

A major project of the Trust is to sponsor the participation of UK students in the internationally renowned internship programme of the Peggy Guggenheim Collection, Venice. In 2023, it sponsored 17 students from the United Kingdom who came from a diverse range of backgrounds. The internship programme delivers vital inspiration to young people as they start out on their careers in the art world and makes a lasting impact on their career development. Please click [here](#) for more details.

The Trust participates in projects, mainly connected with the improvement and development of the Peggy Guggenheim Collection in Venice. Such projects fund the improvement of facilities at the museum, sponsor educational programmes and exhibitions with the aim of increasing visitor numbers and widening public access, especially for the benefit of young people and those with disabilities.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Fundraising:

Since its formation in 2001 the Trust has raised annual revenue for the benefit of the Guggenheim museums through private and public donations:

2001: £23,026	2009: £49,948	2017: £72,374
2002: £38,497	2010: £101,568	2018: £53,753
2003: £40,674	2011: £123,655	2019: £37,666
2004: £86,080	2012: £90,664	2020: £84,067
2005: £118,910	2013: £56,825	2021: £36,661
2006: £87,392	2014: £62,049	2022: £41,214
2007: £87,618	2015: £128,614	2023: £81,438
2008: £81,469	2016: £123,941	

The Trust seeks to raise funds to spend on projects of educational and cultural importance to the UK within the Peggy Guggenheim Collection in Venice and through the wider Guggenheim Foundation.

- In 2002-3, for example, the Trust helped to mount the exhibition 'Thinking Big: Concepts for British Sculpture in the 21st Century'
- In 2006-2008 the Trust contributed to the capital costs for improvements to the public spaces and support areas of Palazzo Venier dei Leoni, home of the Peggy Guggenheim Collection in Venice.
- Between 2009-2013 the Trust contributed to the renovation of the gardens at the Palazzo Venier dei Leoni to set them out as one of the only garden exhibition spaces in the City of Venice and thereby increase visitor numbers through a programme of special exhibitions.
- In 2015 the UK members donated £128,000 over a three year period for the purchase, renovation and transfer of a new cafe & entertainment space to a new site which releases much-needed exhibition space.
- In 2017 one of the UK members commissioned a sundial from a well-known artist to act as a focal point for the courtyard of the new café complex.
- In 2019 the trustees agreed to support the Philip Rylands Curatorial scholarship for a three year period from 2020 – 2022.

The long-term aim of the Trust is to build a capital reserve from which to provide stable funding for the UK participants in its intern programme and other projects which include UK involvement run by the Foundation - especially at the Peggy Guggenheim Collection in Venice. The Trust has now resumed its capital building activity now that renovation of the café complex is complete.

Section E Financial review

Brief statement of the charity’s policy on reserves

The Deed of Trust vests the Trustees with wide ranging powers to invest the assets of the trust. The trustees agreed:

- to build up reserves for the on-going benefit of approved projects
- to hold a mixture of investments and cash deposits with reputable institutions
- to ensure that, where possible, disbursements on projects are less than sums raised each year.

The Trustees formed an investment committee consisting of two suitably experienced trustees to manage the assets of the trust on a day-to-day basis and to report regularly to the trust on their performance. This mechanism is permitted by its Deed of Trust.

Details of any funds materially in deficit

None. There are no major risks to which the Trustees or the Trust are exposed; no irrevocable commitments on expenditure have been made and assets are held in a mixture investments and cash invested with reputable banks for the purposes of future distribution.

Section F Other optional information

Details of any further information

It is with sadness and a profound sense of gratitude that the Trustees greeted the news that Lord Marland of Odstock was to retire as chairman. He served on the trust since its inception and was an Advisory Board member for more than twenty years. His sound advice and leadership at times of turmoil, not least the recent CoVID pandemic, has left the museum he loves stronger and facing the future with certainty and confidence.

Section G Declaration

The trustees declare that they have approved the trustees’ report above.

Section C		Notes to the accounts	
Note 1 Basis of preparation			
<i>This section should be completed by all charities.</i>			
1.1 Basis of accounting			
These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:			
<ul style="list-style-type: none"> Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005); 			
<ul style="list-style-type: none"> and with Accounting standards 			
<ul style="list-style-type: none"> and with the Charities Act 1993. 			
1.2 Change in basis of accounting			
There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.			
1.3 Changes to previous accounts			
No changes have been made to accounts for previous years.			

Note 2 Accounting policies	
<i>This standard list of accounting policies has been applied by the charity;</i>	
INCOMING RESOURCES	
Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
	Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.
	Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.
EXPENDITURE AND LIABILITIES	
Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
ASSETS	
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

**Respective responsibilities
of trustees and examiner**

I report to the trustees on my examination of the accounts of the Guggenheim UK Charitable Trust (the Trust) for the year ended 31st December 2021. As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
 2. the accounts do not accord with those records.
1. I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

<i>This standard list of accounting policies has been applied by the charity;</i>	
INCOMING RESOURCES	
Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
	Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.
	Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.
EXPENDITURE AND LIABILITIES	
Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
ASSETS	
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

**Respective responsibilities
of trustees and examiner**

I report to the trustees on my examination of the accounts of the Guggenheim UK Charitable Trust (the Trust) for the year ended 31st December 2021. As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
 2. the accounts do not accord with those records.
1. I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
