### **Report of the Trustees for the year ended 31 December 2024**

The Trustees who are also Directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

### **Statement of Trustees' Responsibilities**

Company law requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period.

In preparing those accounts, the Trustees are required to:

- i) Select suitable accounting policies and apply them consistently
- ii) Make judgments and estimates that are reasonable and prudent
- iii) Prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue operating
- iv) State whether the policies adopted are in accordance with the Companies Act 2006 and with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the accounts
- v) Observe the methods and principles of the Charities SORP

The Trustees are responsible for keeping proper accounting records which disclose the financial position of the openTrust with reasonable accuracy at any time and enable them to ensure that the accounts comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Structure, Governance and Management Governing Document**

The openTrust is a company limited by guarantee with charitable status which is governed by a memorandum and articles of association.

### **Appointment of Trustees**

New Trustees are appointed by a majority of Trustees in office at that time.

### **Trustee Induction and Training**

The Trustees are people of wide experience in public life. They are provided with governance documentation and best practice guidance from the Charity Commission via GOV.UK and the Charity Governance Code and documents relating specifically to the openTrust. They are fully informed and kept up to date about the Trust's activities.

## **Report of the Trustees for the year ended 31 December 2024**

### **Organisational Structure**

Because of the small size and limited activities of the Trust, it is not considered that any formal structure is required. Issues to be decided by the Trustees are discussed and agreed at formal minuted meetings (in person or online) or are circulated via email and considered further if required.

### **Reference and Administrative Details**

The Trustees delegate day-to-day operational management to the Trust Administrator, Dr Nichola Tooke. The Trust Administrator manages the Trust's finances and produces monthly management accounts. Arrangements for setting the remuneration of the Trust Administrator are the responsibility of the Trustees.

### **Risk Management**

The Trustees assess the risks of the projects they support at their meetings or by circulation. Major risks have been reviewed and the Trustees do not feel that they need to have a more fully formulated policy on risk management than this at the present time.

### **Related Parties**

openDemocracy Ltd is the main recipient of the Trust's funds and has similar objectives to the Trust. Its one common director, Mr Anthony Barnett resigned from the oD Board in October 2023. The Trust also provides grant funding to other organizations which realise its objectives.

The Trustees regularly review their relationship with openDemocracy. They are satisfied that openDemocracy Ltd is an appropriate recipient of the Trust's funding. The Trustees are asked to approve formal proposals for funding and closely monitor the application of its funds under the terms of a Memorandum of Understanding and formal grant agreements which were reviewed and approved during the year. The Trustees are aware of the need to identify and manage potential risks so that the charity fulfils its objects for public benefit.

All the Trustees are aware of the Charity Commission guidance on conflicts of interest, acting in the charity's best interests and working with a non-charity and this guidance is renewed regularly.

The Trust's operation remains entirely separate from openDemocracy.

## **Report of the Trustees for the year ended 31 December 2024**

### **Objectives and Activities**

The object of the charity, as defined by its Memorandum and Articles of Association dated 27 April 2001, is the advancement of education, nationally and internationally, in the social, environmental, political and biological sciences, economics, law, the arts and media communication and other recognised scholarly subjects.

The Trustees confirm that they have complied with their duty under the Charities Act 2011 to have due regard to public benefit guidance issued by the Charity Commission, in particular guidance for charities with a connection to a non-charity, guidance on the advancement of education for the public benefit and restrictions on political campaigning.

The achievement of the charity's aims and objectives further the advancement of education. The Trust realises this by providing funding through the awarding of grants to openDemocracy and other organisations which realise its objectives.

The Trustees measure success in the reporting period by the increase of grants serving the objective of advancing global education. The majority of these go to openDemocracy, but the Trustees do consider directing grants to other recipients doing similar work.

The Trustees see no need for social investment policies at the present time.

The Trust has drawn up formal grant agreements with openDemocracy and these include acting within the Charity Commission's guidance on political activity.

None of the Trustees are remunerated by the Trust and act on a voluntary basis.

### **Achievements and Performance**

In the year under review, the openTrust has received and distributed appropriately the funds received by it in accordance with its objectives and responsibilities.

The charity remains committed to supporting openDemocracy, the pioneering website dedicated to global education. Its aim is to increase its funding to openDemocracy and thereby further its objectives.

### **Financial Review**

The charity had net outgoing resources for the year of £277,348 (2023 - £496,829). At 31 December 2024, the charity had net assets of £60,224 (2023- £337,572) being restricted funds of £35,221 (2023 - £304,718) and unrestricted funds of £25,003 (2023 - £32,854). The Trustees are satisfied with the financial position of the charity at the year end.

There were no significant events affecting financial performance and financial position during the period.

### **Reserves Policy**

The policy of the charity is to ensure its solvency by disbursing funds only in accordance with any restrictions imposed on them or when they are held without restriction. The charity incurs no liabilities unless they are fully funded.

## openTrust

### Activity during 2024

The MoU between the Trust and its main donee, openDemocracy was reviewed and approved at the Trustees' Meeting at the end of the year together with two supporting Grant Agreements proformas to realise the fulfilment of grant terms to openDemocracy and the transfer of funds.

The MoU includes an agreement whereby the openTrust will charge an administration fee of 2% of the value of grants that are awarded by third party funding bodies. The donations made by individuals through their foundations, trusts or other philanthropic vehicles which exceed £10,000 are also charged an administrative fee of 2%. Donations of £10,000 or less will be exempt from this fee. The fund created by the collection of these fees retains sufficient funds for two years of openTrust's administrative costs.

In addition to its work supporting openDemocracy, the Trust has made a grant to fund an environmental education project managed by Dr Caroline Lucas.

### Developments

The openTrust will continue to support openDemocracy's publishing and educational programmes.

### Declaration

The Trustees declare that they have approved the Trustees' report above.

## Independent Examiner's Report to the Trustees of openTrust

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024 which are set out on pages 7 to 15.

### Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
