3. All our staff have the necessary skills, knowledge and attitude to deliver the standard of service that we strive for.
4. Our accommodation is fit for purpose and we strive to improve the standard wherever possible.
5. We identify and apply, where possible, for local, regional and national funding opportunities that will further support and develop our work with young people.
6. Every young person has an individual support plan that identifies their health, education, training/employment needs and opportunities.

#### **Public Benefit Statement**

#### **Strategic Report**

##### **Achievements and Performance**

The main areas of charitable activity are the provision of supported accommodation, advice and information in housing related support, life skills, education and training and resettlement of homeless young people.

Funding for the Project is through commissioned bed spaces by Leicester City and other Authorities' Children and Young People's Services, Housing Benefit, ineligible charges, grants and donations. This is sufficient to employ 31 members of staff which is equivalent to 19 full time staff. This excludes sessional workers which are included casual/bank staff working for the Project. During the year we have achieved an occupancy level of 96.5% and have accommodated 107 residents within our 63 bed unit. 44 residents moved on during the year with 35 move-ons (79.5%) being positive. During the course of the year:

9	Moved into their own tenancies
12	Moved back to family
3	Moved in with partners
3	Abandoned their bed space
6	Moved to other supported accommodation provider
6	Moved on due to breach of licence clauses or house rules
1	Social services ended placement
1	Moved to take up university courses and related accommodation

#### **Financial Review**

During the year, the charity made a net surplus of £38,004.

It has been a difficult year with the extensive refurbishment work carried out at the Hinckley Road premises. The long term strategy of the charity looks promising as we now own two properties whereas all our properties were rented in earlier years.

#### **Reserves Policy**

The Trustees have examined the charity's requirements for reserves in light of the risks to the organisation. It has established a policy whereby the reserves are invested on deposit at National Westminster Bank in a high deposit account. The level of reserves has been depleted by the need to invest in the refurbishment of the Hinckley Road property. The Trustees have prioritised the need to build up cash reserves to equate to 3 months average running costs of the Project and seek additional sources of funding should the Project lose its current funding sources. The Trustees consider that this is a prudent measure to take place should existing activities be curtailed.

#### **Plans for Future Periods**

The charity plans to continue the activities outlined above in the forthcoming years subject to the continuance of satisfactory funding arrangements. We have continued to develop the purchased properties and enhance our financial stability. Current developments are centred on the West End of Leicester, where property is significantly cheaper than in Clarendon Park.

#### **Structure, Governance & Management**

##### **Governing Document**

The organisation is a charitable company limited by guarantee, incorporated on 20<sup>th</sup> January 2000 and registered as a charity on 3rd May 2001. The company was established under a Memorandum of Articles which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

**TRUSTEES ANNUAL REPORT (INCLUDING DIRECTORS' REPORT AND  
STRATEGIC REPORT) FOR THE YEAR ENDED 31 MARCH 2022 (CONTINUED)**

**Governing Document (Continued)**

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles of Association.

One third of the trustees or a minimum of three are required to stand for re-election at each Annual General Meeting on a rotating basis.

Due to the nature of the objectives of the Project much of the charity's work focuses upon young people. The Trustees seek to ensure that the needs of this group are appropriately reflected through the diversity of the trustee board. To enhance the potential pool of trustees, the charity seeks to identify young people who have been homeless and would be willing to become trustees and use their own experiences to assist the charity.

The more traditional business skills are well represented by the Trustees. In an effort to maintain a broad mix of skills, Trustees are requested to provide a list of their skills and in the event of particular skills being lost due to retirement, individuals are approached to offer themselves for election as Trustees.

Most trustees are familiar with the practical work of the charity as the charity has worked in partnership with them in a variety of fields to enhance the support provision provided to the young people.

New trustees are invited and encouraged to attend an induction course to familiarise themselves with the charity and the context within which it operates. This is led by the Chief Executive Officer and overseen by the Chair of the Trustees and covers:

1. A tour of all of the Project's properties.
2. The obligations of the Trustees.
3. The policies and procedures and other documents including the Memorandum and Articles of Association.
4. Resourcing and the current financial position as set out in the latest published accounts.
5. Future plans and objectives.
6. Information Pack

Further information is provided in a pack prepared from various Charity Commission documents and the Charity Commission's website guide 'An Essential Trustee'.

Additional training, if required, is sourced and paid for by the Project or delivered by the Chief Executive Officer.

#### **Risk Management**

The Project's Risk Register is reviewed three times per year, the outcome of which is reported to the Management Committee. Where appropriate, systems and procedures have been established to mitigate the risks that the charity faces. External risks to funding have been minimised with a strategic plan to allow diversification of funding. Internal control risks are minimised by the implementation of a Financial Policy and Procedure for authorisation of all transactions within the Project.

Procedures are in place to ensure compliance with Health and Safety of staff, volunteers, trustees, service users, contractors and visitors to the Project. The Project's internal monitoring procedures ensure a consistent quality delivery for all operational aspects of the charity. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

#### **Organisational Structure**

Park Lodge Project currently has 6 trustees who meet every 6 weeks and are responsible for the strategic direction and policy of the charity. The trustees come from a variety of professional backgrounds relevant to the work of the charity.

A scheme of delegation is in place and the day to day responsibility for the provision of services rests with the Chief Executive Officer along with the Service Managers. The CEO is also responsible for ensuring that the charity delivers the services specified and that key performance indicators are met, and for working with the Management Committee to provide strategic management. The Service Managers have the responsibility for the day to day operational management of the Project, one at each of the Project's two hubs, and for the individual supervision of the staff team and also ensuring that the team continue to develop their skills and working practices in line with good practice.

#### **Related Parties**

To enable the charity to achieve its charitable objectives, the charity operates within local and national guidelines. At a national level the Project is steered by the Department of Levelling Up, Housing and Communities strategy to reduce homelessness. At a local level the Project works within Leicester City's Homelessness Strategy and the Leicester City and Leicestershire County Council's Children and Young People's Services guidelines. Park Lodge Project continues to establish and improve links with other organisations, local authorities elsewhere in the country, and the community to identify policy development and prospective funding opportunities to improve services to all service users.

**Statement of Trustees' Responsibilities**

The Trustees (who are also directors of the Park Lodge Project for the purposes of company law) are responsible for preparing the Trustees' Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources of the charitable company for the year.

In preparing those financial statements, the trustees are required to:

- \* select suitable accounting policies and then apply them consistently;
- \* observe the methods and principles in the Charities SORP 2019 (FRS 102);
- \* make judgements and estimates that are reasonable and prudent;
- \* state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- \* prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as we are aware:

- \* There is no relevant audit information of which the charitable company's auditor is aware
- \* the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF PARK LODGE PROJECT  
FOR THE YEAR ENDED 31 MARCH 2022**

**Opinion**

We have audited the financial statements of Park Lodge Project (the 'charitable company') for the year ended 31 March 2022 which comprise The statement of Financial Activities, Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

**In our opinion the financial statements:**

- \* give a true and fair view of the state of the charitable company's affairs as at 31 March 2022, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- \* have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- \* have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF PARK LODGE PROJECT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Other information**

The other information comprises the information included in the trustees annual report<sup>2</sup>, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report<sup>2</sup>. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- \* the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- \* the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- \* adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- \* the financial statements are not in agreement with the accounting records and returns; or
- \* certain disclosures of directors' remuneration specified by law are not made; or
- \* we have not received all the information and explanations we require for our audit [ ]; or
- \* the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

(LIMITED BY GUARANTEE)**

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF PARK LODGE PROJECT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**Auditor responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.]5 The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates and, considered the risk of acts by Management which were contrary to applicable laws and regulations, including fraud.

We made enquiries of the Directors to obtain further understanding of risks of non-compliance.

We focused on laws and regulations that could give rise to a material misstatement in the financial statements.

Our tests included, but were not limited to:

- \* obtaining an understanding of the applicable legal and regulatory framework and how the board is complying with that framework;
- \* assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur;
- \* identifying which laws and regulations are significant in the context of the board;
- \* enquiries of management regarding known or suspected instances of non-compliance with laws and regulations;

**PARK LODGE PROJECT  
(LIMITED BY GUARANTEE)**

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF PARK LODGE PROJECT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2022**

**Auditor responsibilities for the audit of the financial statements (Continued)**

- \* review of minutes of the Board meetings throughout the year;
- \* obtaining an understanding of the control environment in place to prevent and detect irregularities;
- \* agreement of the financial statement disclosures to underlying supporting documentation; and
- \* considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion.

There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the FRC's website at: <https://www.frc.org.uk/auditors/audit-assurance/auditor-s-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor%E2%80%99s-responsibilities-for> This description forms part of our auditor's report.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The nature of the charity's operations and principal activities detailed on page 2-3 of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting practice.

The financial statements have been prepared to give a "true and fair" view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair" view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value where considered necessary. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest pound.

**b Funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

**b Funds (Continued)**

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**c Income recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance of conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. A corresponding amount is recognised in expenditure.

No amount of time is included in the financial statements for volunteer time in line with SORP FRS (102). Further detail is given in the Trustees Annual Report.

Where practicable, gifts in kind donated for distribution to the beneficiaries of the charity are included in stock and donations in the financial statements upon receipt. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh any benefits then the fair value is recognised as a component of donations when it is distributed and an equivalent amount recognised as charitable expenditure.

Gifts in kind donated for resale are included at fair value, being the expected proceeds from sale less the expected cost of the sale. Where estimating the fair value is practicable upon receipt it is recognised in stock and "Income from other trading activities". Upon sale, the value of stock is charged against "Income from trading activities" and the proceeds are recognised as "Income from other trading activities". Where it is impracticable to fair value the items due to the volume of low value items they are not recognised in the financial statements until sold. This income is recognised within "Income from other trading activities".

**c Income recognition (Continued)**

Fixed assets gifts in kind are recognised when receivable and are included at fair value. They are not deferred over the life of the asset.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion, legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed on these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Investment income is earned through holding assets for investment purposes such as interest. Interest income is recognised using the effective interest method. Any dividend and rent income is recognised as the charity's right to receive payment is established.

**d Expenditure recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Cost of raising funds
- Expenditure on charitable activities
- Other expenditure represents those items not falling into the above categories.

Irrecoverable VAT is charged as an expense against the activity for which the expenditure arose.

**e Support costs allocation**

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative costs. They are incurred directly in support of expenditure on the objects of the charity.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in note 6.

**1 Accounting Policies (Continued)**

**1. Summary of significant accounting policies (Continued)**

**f Tangible fixed assets**

The accounting policy seeks to capitalise such fixed assets that are of continued use to the and administration of the Charity and provides depreciation thereon as follows:

Freehold Properties	Not Depreciated
Improvement to Freehold Properties	Not Depreciated
Computer Equipment	- 33.33% on cost
Fixtures & Fittings	- 25% on cost

The freehold property and improvements thereon has not been depreciated since it is the opinion of the trustees that it's market value is in excess of its book value. It is a requirement from the Companies Act 2006 and FRS102 to charge depreciation on all tangible fixed assets, but in the opinion of the trustees' the valuation as stated provides a true and fair view.

Assets that relate to direct charitable expenditure for residents continue to be written off at the time of purchase. These items will continue to have very little residual value.

**g Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, It is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

**h Leases**

Rentals payable or receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

**i Taxation**

No provision has been made for taxation as the charity's charitable status renders it exempt from UK direct taxation.

**j Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
