ANNUAL REPORT 2024-25

Introduction

The King Georges Fields Trust has been in operation since 2019 as a separate trust following advice from the auditors of the Aldenham Parish Council (APC) after a substantial payment was received for a installation of a telecommunications mast on the field known as the 'second pitch' on the King George V Playing Fields.

The sole trustees of the trust is APC, so automatically the councillors are trustee representatives whilst they remain a councillor. There is a 'MOU' with APC whose staff maintain the land.

The Land

The land is known as King George V Playing Field and consists of the following fields;

- The Rose Field,
- The Piggeries,
- TabardRFC Field,
- Second pitch field,
- Picnic Field,
- Salters Field,
- Wellhouse Dell
- Cobden Hill Dell.

These lands were gifted to APC in 1938 by The Phillimore Trust on the understanding that they were placed under the King George V Playing Fields protection.

The management of the national KGV Trust body is now dealt with by Fields in Trust.

APC is the owner of the land, and set up the King Georges Fields Trust to oversee the land.

About the Trust's Work

The Trust is mainly set up to maintain the fields and dell's outlined above so that the public who visit the area can enjoy the open space provided.

Three clubs lease land from the trust and provide activities such as Rugby, Cricket and Mountain Bike riding.

During the period 2024-2025 the following were carried out by the trust

- Installation of perimeter fencing at Cobden Hill Dell to improve safety.
- Installation of perimeter fence for the Radlett Trails Club to improve security for the club.
- Commented on petition to HertsCC to install a public ROW linking footpath 54 along the perimeter of Rose Field, along the rear of the Radlett Cricket Club ground, and around the Second Pitch linking up to footpath 70 at Salters Field by a local resident.
- Maintenance of the access road into the car park from Cobden Hill.
- Commented on proposal by RadlettCC to improve the pavilion on the second pitch.
- Agreed to enter into a new lease with TabardRFC which will allow them to sub-let part of the field to a commercial enterprise who will install four Padel Tennis courts.

Where the Trusts Derives income from

The Trust relies upon obtaining a grant from APC as its ability to raise funds is limited. It does not employ any staff so expenditure is mainly used on maintenance or improvements in the area.

In 2024-25 APC gave grants to the trust totalling £29,000. There was some hire income for use of Salters Field as a car park for MiddxCC matches at RadlettCC ground etc totalling £3,279.

Where the Trust spent its money in the past year

In 2024-25 the income was allocated to the fencing as detailed above (£20,000), general maintenance £2,590 and professional fees such as audit and legal work for new leases, £2,445.

Reserves Policy.

The reserves at the end of the year stood at £10,190. This will be used towards the tree surveys due in 2025 and then any works that may be required as a result of this inspection.
