Structure, Governance and Management

Nature of the Governing Document and Constitution of the Charity

None of the Trustees had any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of winding up.

All Trustees are familiar with the practical work of the Trust, being encouraged to take part in the activities. Additionally new Trustees are invited to attend an introduction led by the Management Committee and covering:

- The obligations of the Management Committee members
- The governing document
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

The Trustees have served during the year and held regular meetings at Danson Youth Centre Management Committee, which consists of Trustees augmented with co-opted members with specialist knowledge when necessary.

The Trust is most appreciative of the excellent work performed by the Centre Manager, Joy Toghill and all the staff and volunteers who make Danson Youth centre so successful in delivering its service to the community.

The Trustees have considered the major risks to which the Trust is exposed, from the view of financial security, staff, users of the premises and external activities, and are satisfied that systems are in place to mitigate these risks. All of the Trust's financial resources are unrestricted and as a proportion of total yearly expenditure exceed 25%.

The methods adopted for the recruitment and appointment of new Trustees

New Trustees are vetted and approved by the existing Board of Trustees before being appointed.

Financial Review

Policies on reserves

It is the policy of the Trust that unrestricted funds that have not been designated for specific use should be maintained at a level of at least one year's expenditure. The Trustees consider that the reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's activities for a period of at least twelve months while consideration is given to ways in which additional funds may be generated. This level of reserves has been maintained throughout the year.

Transactions and Financial Position

The Trustees consider the financial performance by the Charity during the year to have been satisfactory.

The Statement of Financial Activities show net outgoing resources for the year of a revenue nature of £10,040 (prior year £95,203). During the year under review attendances at the Danson Youth Centre by young members totalled 27,828 (12,523 boys and 15,305 girls). The corresponding figures for 2024 were 30,183 (13,565 boys and 16,618 girls).

The total reserves at the year-end after accounting for unrealised losses stand at £1,007,009. (prior year £1,017,138).

Free unrestricted liquid reserves amounted to £1,007,009 (prior year £1,017,138).

DANSON YOUTH TRUST

The report of the Trustees for the year ended 31 March 2025

Statement of Directors' and Trustees' Responsibilities

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, the Companies Act 2006 and Charity law require the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Board is required to:-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' Report, and the responsibility of the independent examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts

The financial statements are set out on pages 10-13.

These financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime.

This report was approved by the Board of Trustees on 17 December 2025

DANSON YOUTH TRUST Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiner to the Trustees on the accounts of the Charity for the year ended 31 March 2025

I report on the financial statements of the Charity on pages 8 to 21 for the year ended 31 March 2025 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1 January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended in the Bulletin issued in February 2016) published by the Charity Commission in England and Wales (CCEW), effective January 2015. (The SORP), under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of Trustees and Examiner

As described on page 4, the Charity's Trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The Trustees are satisfied that the audit requirements of Section 144(1) of the Act do not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the Charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to: -

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England and Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 145(5)(b) of the Act in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements present with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquires, and consequently I do not express an audit opinion on the view given by the financial statement, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the Charity and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objective of the independent examination is achieved and before finalising the report, I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that

1. the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
2. the gross income of the Charity in the year ended 31 March 2024 appears to exceed the sum specified in section 145(4) of the Act, namely £250,000 and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of Association of Accounting Technicians (AAT);
3. this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection 145(5)(b) of that section which may be applicable;

and that, no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements have not been met:

- i) to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of the Charities Act 2011;
- ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;
- iii) have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and with the methods and principles set out in the FRS 102 Statement of Recommended Practice – Accounting and Reporting by Charities (effective January 2016)

Or to which, in my opinion attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2025

1 Accounting policies

Basis of preparation of the accounts

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2016, (The SORP), and in accordance with all applicable law in the Charity's jurisdiction of registration, except that the Charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold land and buildings and fixed asset investments.

Incoming Resources

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Where income is received in the year but has been designated for future use it will be carried forward and accounted for as income in the following year.

Except as described under the 'Deferred Income' accounting policy, all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Investment Income

Rental income is included in the income and expenditure account net of collection charges on a receivable basis.

Bank interest received is included on an actual receipts' basis.

Deferred Income

In accordance with the SORP, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the Charity or where it is uncertain whether the conditions can or will be met, are deferred on an accrual's basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities

Liabilities are recognised on the accrual's basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2025

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which is not recoverable, and is reported as part of the expenditure to which it relates.

Governance Costs

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Taxation

As a registered Charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Funds structure policy

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

Recognition of pension costs and pension assets and liabilities

Employees of the Charity are entitled to join the Local Government Pension Scheme and Teachers' Pension Scheme as appropriate which are funded by contributions from the employees and the Charity.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2025

2 Winding up or dissolution of the Charity

If upon winding up or dissolution of the Charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the Charity.

Structure, Governance and Management

Nature of the Governing Document and Constitution of the Charity

None of the Trustees had any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of winding up.

All Trustees are familiar with the practical work of the Trust, being encouraged to take part in the activities. Additionally new Trustees are invited to attend an introduction led by the Management Committee and covering:

- The obligations of the Management Committee members
- The governing document
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

The Trustees have served during the year and held regular meetings at Danson Youth Centre Management Committee, which consists of Trustees augmented with co-opted members with specialist knowledge when necessary.

The Trust is most appreciative of the excellent work performed by the Centre Manager, Joy Toghill and all the staff and volunteers who make Danson Youth centre so successful in delivering its service to the community.

The Trustees have considered the major risks to which the Trust is exposed, from the view of financial security, staff, users of the premises and external activities, and are satisfied that systems are in place to mitigate these risks. All of the Trust's financial resources are unrestricted and as a proportion of total yearly expenditure exceed 25%.

The methods adopted for the recruitment and appointment of new Trustees

New Trustees are vetted and approved by the existing Board of Trustees before being appointed.

Financial Review

Policies on reserves

It is the policy of the Trust that unrestricted funds that have not been designated for specific use should be maintained at a level of at least one year's expenditure. The Trustees consider that the reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's activities for a period of at least twelve months while consideration is given to ways in which additional funds may be generated. This level of reserves has been maintained throughout the year.

Transactions and Financial Position

The Trustees consider the financial performance by the Charity during the year to have been satisfactory.

The Statement of Financial Activities show net outgoing resources for the year of a revenue nature of £95,204 (prior year £64,853). During the year under review attendances at the Danson Youth Centre by young members totalled 30,183 (13,565 boys and 16,618 girls). The corresponding figures for 2023 were 29,584 (12,425 boys and 17,159 girls).

The total reserves at the year-end after accounting for unrealised losses stand at £1,017,138. (prior year £1,112,342).

The report of the Trustees for the year ended 31 March 2024

Statement of Directors' and Trustees' Responsibilities

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, the Companies Act 2006 and Charity law require the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Board is required to:-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' Report, and the responsibility of the independent examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts

The financial statements are set out on pages 10-13.

These financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime.

This report was approved by the Board of Trustees on 20 December 2024

Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiner to the Trustees on the accounts of the Charity for the year ended 31 March 2024

I report on the financial statements of the Charity on pages 8 to 21 for the year ended 31 March 2024 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1 January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended in the Bulletin issued in February 2016) published by the Charity Commission in England and Wales (CCEW), effective January 2015. (The SORP), under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of Trustees and Examiner

As described on page 4, the Charity's Trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The Trustees are satisfied that the audit requirements of Section 144(1) of the Act do not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the Charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to: -

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England and Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 145(5)(b) of the Act in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements present with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquires, and consequently I do not express an audit opinion on the view given by the financial statement, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the Charity and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objective of the independent examination is achieved and before finalising the report, I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that

1. the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
2. the gross income of the Charity in the year ended 31 March 2024 appears to exceed the sum specified in section 145(4) of the Act, namely £250,000 and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of Association of Accounting Technicians (AAT);
3. this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection 145(5)(b) of that section which may be applicable;

and that, no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements have not been met:

- i) to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of the Charities Act 2011;
- ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;
- iii) have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and with the methods and principles set out in the FRS 102 Statement of Recommended Practice – Accounting and Reporting by Charities (effective January 2016)

Or to which, in my opinion attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2024

1 Accounting policies

Basis of preparation of the accounts

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2016, (The SORP), and in accordance with all applicable law in the Charity's jurisdiction of registration, except that the Charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold land and buildings and fixed asset investments.

Incoming Resources

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Where income is received in the year but has been designated for future use it will be carried forward and accounted for as income in the following year.

Except as described under the 'Deferred Income' accounting policy, all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Investment Income

Rental income is included in the income and expenditure account net of collection charges on a receivable basis.

Bank interest received is included on an actual receipts' basis.

Deferred Income

In accordance with the SORP, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the Charity or where it is uncertain whether the conditions can or will be met, are deferred on an accrual's basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities

Liabilities are recognised on the accrual's basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2024

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which is not recoverable, and is reported as part of the expenditure to which it relates.

Governance Costs

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Taxation

As a registered Charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Funds structure policy

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

Recognition of pension costs and pension assets and liabilities

Employees of the Charity are entitled to join the Local Government Pension Scheme and Teachers' Pension Scheme as appropriate which are funded by contributions from the employees and the Charity.

DANSON YOUTH TRUST

The report of the Trustees for the year ended 31 March 2023

Statement of Directors' and Trustees' Responsibilities

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, the Companies Act 2006 and Charity law require the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Board is required to:-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business;

DANSON YOUTH TRUST

Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiner to the Trustees on the accounts of the Charity for the year ended 31 March 2023

I report on the financial statements of the Charity on pages 8 to 21 for the year ended 31 March 2023 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1 January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended in the Bulletin issued in February 2016) published by the Charity Commission in England and Wales (CCEW), effective January 2015. (The SORP), under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of Trustees and Examiner

As described on page 4, the Charity's Trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The Trustees are satisfied that the audit requirements of Section 144(1) of the Act do not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the Charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to: -

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England and Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 145(5)(b) of the Act in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements present with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquires, and consequently I do not express an audit opinion on the view given by the financial statement, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the Charity and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objective of the independent examination is achieved and before finalising the report, I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that

1. the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
2. the gross income of the Charity in the year ended 31 March 2023 appears to exceed the sum specified in section 145(4) of the Act, namely £250,000 and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of Association of Accounting Technicians (AAT);
3. this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection 145(5)(b) of that section which may be applicable;

and that, no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements have not been met:

- i) to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of the Charities Act 2011;
- ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;

Notes to the Accounts for the year ended 31 March 2023

1 Accounting policies

Basis of preparation of the accounts

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2016, (The SORP), and in accordance with all applicable law in the Charity's jurisdiction of registration, except that the Charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold land and buildings and fixed asset investments.

Incoming Resources

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Where income is received in the year but has been designated for future use it will be carried forward and accounted for as income in the following year.

Except as described under the 'Deferred Income' accounting policy, all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Investment Income

Rental income is included in the income and expenditure account net of collection charges on a receivable basis.

Bank interest received is included on an actual receipts' basis.

Deferred Income

In accordance with the SORP, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the Charity or where it is uncertain whether the conditions can or will be met, are deferred on an accrual's basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities

Liabilities are recognised on the accrual's basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2023

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which is not recoverable, and is reported as part of the expenditure to which it relates.

Governance Costs

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Taxation

As a registered Charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Funds structure policy

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

Recognition of pension costs and pension assets and liabilities

Full time employees of the Charity are entitled to join the Local Government Pension Scheme and Teachers' Pension Scheme which are funded by contributions from the employees and the Charity.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2023

2 Winding up or dissolution of the Charity

DANSON YOUTH TRUST

The report of the Trustees for the year ended 31 March 2022

Structure, Governance and Management

Nature of the Governing Document and Constitution of the Charity

None of the Trustees had any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of winding up.

All Trustees are familiar with the practical work of the Trust, being encouraged to take part in the activities. Additionally new Trustees are invited to attend an introduction led by the Management Committee and covering:

- The obligations of the Management Committee members
- The governing document
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

The Trustees have served during the year and held regular meetings, mainly at Danson Youth Centre Management Committee, which consists of Trustees augmented with co-opted members with specialist knowledge.

The Trust is most appreciative of the excellent work performed by the Centre Manager, Joy Toghill and all the staff and volunteers who make Danson Youth centre so successful in delivering its service to the community.

The Trustees have considered the major risks to which the Trust is exposed, from the view of financial security, staff, users of the premises and external activities, and are satisfied that systems are in place to mitigate these risks. All of the Trust's financial resources are unrestricted and as a proportion of total yearly expenditure exceed 25%.

The methods adopted for the recruitment and appointment of new Trustees

New Trustees are vetted and approved by the existing Board of Trustees before being appointed.

Financial Review

Policies on reserves

It is the policy of the Trust that unrestricted funds that have not been designated for specific use should be maintained at a level of at least one year's expenditure. The Trustees consider that the reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's activities for a period of at least twelve months while consideration is given to ways in which additional funds may be generated. This level of reserves has been maintained throughout the year.

Transactions and Financial Position

The Trustees consider the financial performance by the Charity during the year to have been satisfactory.

The Statement of Financial Activities show net incoming resources for the year of a revenue nature of £60,883 (prior year £203,562). During the year under review attendances at the Danson Youth Centre by young members totalled 29,865 (14,782 boys and 15,083 girls). The corresponding figures for 2021 were 1,703 (1,022 boys and 681 girls).

The total reserves at the year-end after accounting for unrealised losses stand at £1,177,195 (prior year £1,116,312).

Free unrestricted liquid reserves amounted to £1,177,195 (prior year £1,116,312).

The report of the Trustees for the year ended 31 March 2022

Statement of Directors' and Trustees' Responsibilities

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, the Companies Act 2006 and Charity law require the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Board is required to:-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' Report, and the responsibility of the independent examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts

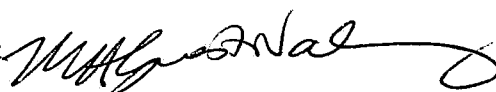

The financial statements are set out on pages 10-13.

These financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime.

This report was approved by the Board of Trustees on 12/12/2022

Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiner to the Trustees on the accounts of the Charity for the year ended 31 March 2022

I report on the financial statements of the Charity on pages 8 to 21 for the year ended 31 March 2019 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1 January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended in the Bulletin issued in February 2016) published by the Charity Commission in England and Wales (CCEW), effective January 2015. (The SORP), under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of Trustees and Examiner

As described on page 4, the Charity's Trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The Trustees are satisfied that the audit requirements of Section 144(1) of the Act does not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the Charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England and Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 145(5)(b) of the Act in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements present with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquires, and consequently I do not express an audit opinion on the view given by the financial statement, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the Charity and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objective of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that

1. the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
2. the gross income of the Charity in the year ended 31 March 2019 appears to exceed the sum specified in section 145(4) of the Act, namely £250,000 and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of Association of Accounting Technicians (AAT);
3. this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection 145(5)(b) of that section which may be applicable;

and that, no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements

- i) to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of the Charities Act 2011;
- ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;
- iii) have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and with the methods and principles set out in the FRS 102 Statement of Recommended Practice – Accounting and Reporting by Charities (effective January 2016)

have not been met; or

to which, in my opinion attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2022

1. Accounting policies

Basis of preparation of the accounts

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2016, (The SORP), and in accordance with all applicable law in the Charity's jurisdiction of registration, except that the Charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold land and buildings and fixed asset investments.

Incoming Resources

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Where income is received in the year but has been designated for future use it will be carried forward and accounted for as income in the following year.

Except as described under the 'Deferred Income' accounting policy, all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Investment Income

Rental income is included in the income and expenditure account net of collection charges on a receivable basis.

Bank interest received is included on an actual receipts' basis.

Deferred Income

In accordance with the SORP, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the Charity or where it is uncertain whether the conditions can or will be met, are deferred on an accrual's basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities

Liabilities are recognised on the accrual's basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

DANSON YOUTH TRUST

Notes to the Accounts for the year ended 31 March 2022

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which is not recoverable, and is reported as part of the expenditure to which it relates.

Governance Costs

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Taxation

As a registered Charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Funds structure policy

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

Recognition of pension costs and pension assets and liabilities

Full time employees of the Charity are entitled to join the Local Government Pension Scheme and Teachers' Pension Scheme which are funded by contributions from the employees and the Charity.

DANSON YOUTH TRUST

Structure, Governance and Management

Nature of the Governing Document and Constitution of the Charity

None of the Trustees had any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute £1 in the event of winding up.

All Trustees are familiar with the practical work of the Trust, being encouraged to take part in the activities. Additionally new Trustees are invited to attend an introduction led by the Management Committee and covering:

- The obligations of the Management Committee members
- The governing document
- Resourcing and the current financial position as set out in the latest published accounts
- Future plans and objectives

The Trustees have served during the year and held regular meetings, mainly at Danson Youth Centre Management Committee, which consists of Trustees augmented with co-opted members with specialist knowledge.

The Trust is most appreciative of the excellent work performed by the Centre Manager, Joy Toghill and all the staff and volunteers who make Danson Youth centre so successful in delivering its service to the community.

The Trustees have considered the major risks to which the Trust is exposed, from the view of financial security, staff, users of the premises and external activities, and are satisfied that systems are in place to mitigate these risks. All of the Trust's financial resources are unrestricted and as a proportion of total yearly expenditure exceed 25%.

The methods adopted for the recruitment and appointment of new Trustees

New Trustees are vetted and approved by the existing Board of Trustees before being appointed.

Financial Review

Policies on reserves

It is the policy of the Trust that unrestricted funds that have not been designated for specific use should be maintained at a level of at least one year's expenditure. The Trustees consider that the reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Trust's activities for a period of at least twelve months while consideration is given to ways in which additional funds may be generated. This level of reserves has been maintained throughout the year.

Transactions and Financial Position

The Trustees consider the financial performance by the Charity during the year to have been satisfactory.

The Statement of Financial Activities show net incoming resources for the year of a revenue nature of £203,562 (prior year £26,333). During the year under review attendances at the Danson Youth Centre by young members totalled 1,703 (1,022 boys and 681 girls). The corresponding figures for 2020 were 16,525 (9,612 boys and 6,713 girls).

The total reserves at the year-end after accounting for unrealised losses stand at £1,116,312 (prior year £912,750).

Free unrestricted liquid reserves amounted to £1,116,312 (prior year £912,750).

The report of the Trustees for the year ended 31 March 2021

Statement of Directors' and Trustees' Responsibilities

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016).

In particular, the Companies Act 2006 and Charity law require the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity as at the end of the financial year and of the surplus or deficit of the Charity. In preparing those financial statements the Board is required to:-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law);
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements.

The law requires that the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which are sufficient to show and explain the Charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' Report, and the responsibility of the independent examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts

The financial statements are set out on pages 10-13.

These financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016).

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime.

This report was approved by the Board of Trustees on 23/12/2021

Independent Examiner's Report to the Trustees of the Charity

Report of the Independent Examiner to the Trustees on the accounts of the Charity for the year ended 31 March 2021

I report on the financial statements of the Charity on pages 8 to 21 for the year ended 31 March 2019 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1 January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended in the Bulletin issued in February 2016) published by the Charity Commission in England and Wales (CCEW), effective January 2015. (The SORP), under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of Trustees and Examiner

As described on page 4, the Charity's Trustees, who are also the directors of the company for the purpose of company law, are responsible for the preparation of the financial statements.

The Trustees are satisfied that the audit requirements of Section 144(1) of the Act does not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the Charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England and Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 145(5)(b) of the Act in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements present with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquires, and consequently I do not express an audit opinion on the view given by the financial statement, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the Charity and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objective of the independent examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that

1. the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;
2. the gross income of the Charity in the year ended 31 March 2019 appears to exceed the sum specified in section 145(4) of the Act, namely £250,000 and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of Association of Accounting Technicians (AAT);
3. this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection 145(5)(b) of that section which may be applicable;

and that, no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements

- i) to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of the Charities Act 2011;
- ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;
- iii) have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and with the methods and principles set out in the FRS 102 Statement of Recommended Practice – Accounting and Reporting by Charities (effective January 2016)

have not been met; or

to which, in my opinion attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Notes to the Accounts for the year ended 31 March 2021

1. Accounting policies

Basis of preparation of the accounts

The accounts have been prepared on the accrual basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective 1 January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) published by the Charity Commission in England & Wales (CCEW), effective January 2016, (The SORP), and in accordance with all applicable law in the Charity's jurisdiction of registration, except that the Charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015 (as amended by the Bulletin issued in February 2016) in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold land and buildings and fixed asset investments.

Incoming Resources

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Where income is received in the year but has been designated for future use it will be carried forward and accounted for as income in the following year.

Except as described under the 'Deferred Income' accounting policy, all grants, including grants for the purchase of fixed assets, are recognised in full in the Statement of Financial Activities in the year in which they are receivable.

Investment Income

Rental income is included in the income and expenditure account net of collection charges on a receivable basis.

Bank interest received is included on an actual receipts basis.

Deferred Income

In accordance with the SORP, grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the Charity or where it is uncertain whether the conditions can or will be met, are deferred on an accruals basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the SORP.

Notes to the Accounts for the year ended 31 March 2021

Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which is not recoverable, and is reported as part of the expenditure to which it relates.

Governance Costs

Governance costs include those incurred in the governance of the Charity and its assets and are primarily associated with constitutional and statutory requirements.

Allocation of costs within types of resources expended

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

Unrealised and realised gains

Realised gains and losses are included in the accounts on the date at which a contractual obligation is entered into.

Unrealised gains and losses are computed by reference to the market value of the investments at the balance sheet date, compared to the brought forward cost or valuation, and gains and losses arising on similar categories of investments are netted off.

Taxation

As a registered Charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Finance and operating leases

Rentals payable in respect of operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Statement of Financial Activities as incurred.

Funds structure policy

The Charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. Such funds may be held in order to finance both working capital and capital investment.

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.

Recognition of pension costs and pension assets and liabilities

Full time employees of the Charity are entitled to join the Local Government Pension Scheme and Teachers' Pension Scheme which are funded by contributions from the employees and the Charity.
