THE CHILY FOUNDATION

Report of the Trustees for the year ended 5th April 2023

The trustees present their report with the financial statements of the charity for the year ended 5th April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims for public benefit

The trustees shall hold the trust fund and its income upon trust to apply them for the following objects:-

- such charitable purposes for or towards the relief of poverty or infirmity, the advancement of education, the advancement of religion, whether in or outside the United Kingdom, as the trustees shall see fit;
- such general charitable purposes for the benefit of the community or permitted by statute in any part of the United Kingdom or the world as the trustees shall see fit, provided that such purposes would be charitable if carried out in the United Kingdom.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

Significant activities

Donations are made following direct approach to the trustees by various charitable causes. The intention of The Chily Foundation is to support charitable participation of the family and friends and work colleagues of the Chilton Family in an organised and fair way. We do not generally make donations following approach from general letters received through the post, these requests are replied to with a letter explaining our policy.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In accordance with the objects as set out in the trust deed, grants were made to the charities disclosed in the notes to the accounts.

Fundraising activities

Donations of £28,000 (05/04/2022 - £40,000) were received in the year. Gift aid of £7,000 (05/04/2022 - £10,000) is recoverable.

FINANCIAL REVIEW

Reserves policy

Since the Foundation exists to make grants out of available funds, the trustees consider it necessary to retain only a small balance on reserves to cover the minimal annual administration costs. Further grants will be made from reserves carried forward at the end of the financial period as suitable recipients are identified. The balance and movement on reserves is shown in the notes.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The Foundation was established in order to make donations in compliance with the objects of the charity as set out in a trust deed dated 12th March 2001 as detailed below.

Recruitment and appointment of new trustees

The trust deed states that there shall be at least three trustees. Any future trustee shall be appointed by a resolution of the trustees passed at a special meeting.

**Independent Examiner's Report to the Trustees of
The Chily Foundation**

Independent examiner's report to the trustees of The Chily Foundation

I report to the charity trustees on my examination of the accounts of The Chily Foundation (the Trust) for the year ended 5th April 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE CHILY FOUNDATION

Notes to the Financial Statements for the year ended 5th April 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The charity only enters into transactions involving basic financial instruments that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received.

Financial assets that are measured at cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

Where financial assets are measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the charity would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Statement of Financial Position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.
