Achievements and Performance of the Charity

Summary of the main achievements of the charity during the year

Wages

During this year we continued to employ an office administrator on a part time basis.

Charity Funds

In addition to the General Fund that is used for regular day to day charity activities in the furtherance of the charity objectives, there are a number of restricted funds:

- Good Samaritan Fund
- Israel Fund
- New Building Fund

Good Samaritan Fund

Orphanage

The Fund, which was set up in August 2005, has continued to help those in need of essential provisions. This year the fund has continued its support to 'Educational Orphanage No 3' in Kramatorsk, Ukraine. We are closely monitoring how the funds are being used. Our continued support to the Orphanage includes making sure the children are fed and dressed appropriately by sending parcels with second hand clothes and toys. We also bought beds and donated toward the cost of building work which has been carried out to improve the orphans standard of living.

Our appointed representative missionary visits the orphanage on a regular basis to make sure the children have proper meals, including fruit and vegetables and she reports back to us if any further assistance is needed. We have been providing them with children's Bibles and Christian video tapes and also arranged day trips. We have maintained a close relationship with the Directorate of the Orphanage, which help us determine the needs of the children.

In addition to supporting the orphanage the fund actively supported a number of members of local community during the lockdown period. The fund has been providing weekly food parcels to people who were in need but did not have sufficient provision from the food banks.

Structure, Governance and Management

Nature of the Governing Document and constitution of the charity

The charity is an unincorporated association governed by a Trust Deed. Eligibility for membership of the charity and membership of the Board of Trustees is governed by the Trust Deed. There are no restrictions in the governing document on the operation of the charity or on investment powers, other than those imposed by charity law.

The methods adopted for the recruitment and appointment of new trustees

New Trustees are introduced based on recommendations of the Board of Trustees and the Leadership Team. They are generally upstanding members of the Christian community.

The organisational structure of the charity and how decisions are made.

Within the Philadelphia Church International we have a Leadership Team, which comprises of the Pastor, the Deacon and Deaconess, the Church Secretary and a small group of leaders. The Leadership Team meet together once a month to discuss the issues in the Charity, the financial needs and how they will be met, as well as future Church events.

All financial decisions are discussed within the team and are finally agreed upon by the

Pastor and Secretary (who are also the Trustees of the charity), Deconess and Deaconess.

The charity is open to the usual financial risks of any organisation, and the charity has introduced controls to minimise these risks, such as two signatures being required for payments from the bank account. In addition, the accounts are regularly explained to members

Financial Review

Policies on reserves

The Trustees have resolved to establish reserves to provide for future activities.

The policy on reserves is that the existing assets are retained to produce income which is wholly utilised to support existing activities. This policy is justified in that it is necessary to preserve income at the present levels in order to maintain the activities of the charity.

Funds in deficit

There were no funds in deficit.

Principal funding sources and how expenditure in the year under review has supported the key objectives of the charity.

The Church is run solely on donations. There are no investments or grants. Each Sunday the donations are counted and the cash donations form filled in. The form is checked and signed by two signatories - the Church Secretary and a member of the Leadership Team. All cheques are authorised by the pastor and the Church Secretary monitors expenditure.

All donations that are given to the Church are distributed sensibly in accordance to needs.

Availability and adequacy of assets of each of the funds

The Board of Trustees is satisfied that the charity's assets in each fund are available and are adequate to fulfil its obligations in respect of each fund.

The financial statements are set out on pages 8 to 12. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK. Statement of Trustees' Responsibilities

Charity Law requires the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

- state whether applicable accounting standards and statements of recommended practice have been followed , subject to any material

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act. Independent Examiner's Report

Report of the Independent Examiner to the trustees on the accounts of the Charity for the year ended 31 March 2022

I report on the financial statements of the Charity which comprise the Statement of Financial Activities, the Profit and Loss Account, the Balance Sheet and the related notes, as set out on pages 8 to 15. The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK.

Respective responsibilities of trustees and examiner

As described on page 5, the Charity's trustees are responsible for the preparation of the financial statements. The trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit and is eligible for independent examination it is my responsibility to:

- a) examine the accounts under section 145 of the Act.
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5) (b) of the Act; and;
- c) to state whether particular matters have come to my attention.

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales in relation to the conducting of an independent examination. An independent examination includes a detailed review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the Accounting and Reporting by Charities: Statement of Recommended Practice, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity and my report is limited to the matters set out in the statement below.

We planned and performed our examination so as to satisfy ourselves that the objectives of the independent examination are achieved and before finalising the report we obtain written assurances from the trustees of all material matters.

PHILADELPHIA CHURCH INTERNATIONAL

Independent Examiner's Report

Independent Examiner's Statement, report and opinion

Subject to the limitations upon the scope of my work as detailed above , in connection with my examination , I confirm that this is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection (5)(b) of that section which are applicable and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material requirements

(i) to keep accounting records in accordance with section 130 of the Act;

(ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Act and;

(iii) that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice - Accounting and Reporting by Charities

have been met.
