Mr Kamaldeep Kainth - Chairperson

Gingerbread Cottage Playgroup Limited

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2023

I report on the financial statements of the charitable company on pages 10 to 24 for the year ended 31 March 2023 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102 (effective January 2015) as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commission for England & Wales, effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 17.

Respective responsibilities of Trustees and Independent Examiner

As described on page 7, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) state whether particular matters have come to my attention.

Basis of Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions issued by the Charity Commission for England & Wales, under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Attention is drawn to the accounting policy stating that, notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, and in order to accord with current best practice, the Trustees have determined to prepare the financial statements in accordance with the FRS 102 SORP 2015. I concur with this approach, and any references in my report to the regulations should be read subject to this comment.

Gingerbread Cottage Playgroup Limited

Subject to the limitations upon the scope of my work as detailed above , in connection with my examination, I can confirm that :-

This is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection (5)(b) of that section which are applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with section 386 of the Companies Act 2006 and section 130 of the Charities Act 2011;

to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;

that the accounts comply with section 396 of the Companies Act 2006 and that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2015)

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Notes to the Accounts for the year ended 31 March 2023

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective January 2015)) and 'The FRS102 Statement of Recommended Accounting Practice 2015', (The SORP 2015), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP 2015 in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

These accounts have been prepared on a going concern basis which assumes the charitable company will have the ability to continue its operations as a going concern.

Policies relating to categories of income and income recognition.

Nature of income

Income from Charitable Activities is the fees paid for the Childcare.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

Gingerbread Cottage Playgroup Limited

Notes to the Accounts for the year ended 31 March 2023

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Liabilities arising from future funding commitments and constructive obligations where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over estimated useful lives.

Leasehold premises and building improvements	0	% straight line
Equipment, Fixture and Fittings	25	% straight line

Stocks and work in progress

Stock is valued at the lower of cost and net realisable value.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

Liabilities are recognised on the accruals basis in accordance with the normal accounting principles, modified when necessary in accordance with the guidance given in SORP.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The company operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

2 Liability to taxation

As a registered charity, the organisation is exempt from income and corporation tax to the extent that its income and gains are applied towards the charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
