TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their annual report together with the audited financial statements of the Company for the year 1 September 2021 to 31 August 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) as amended by Update Bulletins 1 and 2.

CONSTITUTION

The Princethorpe Foundation is a company limited by guarantee, registered number 4177718. It is a registered charity in England and Wales, number 1087124.

The governing instruments under which the charitable company operates comprise the memorandum and articles of association of the company and the instrument of government. The articles were amended in December 2019 to clarify the requirements relating to the retirement and reappointment of trustees.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Directors of the charitable company ('the Foundation') are its Trustees for the purpose of charity law and throughout this report are collectively referred to as the Trustees. The Trustees are also members of the company for the purpose of company law.

The Trustees who served during the year are named on page 1.

Mrs H M Knight and Miss S C M Fry were presented for appointment having become a trustee since the last Annual General Meeting.

Mr M W Fletcher, Mrs B M Forster and Miss T M McNamara retired and, being eligible, offered themselves for reappointment.

Mrs C A E Cook and Mrs E C Kenward have resigned as trustees, directors and members of the Foundation during the 2021/22 year.

Mr A Q D Cornforth, Mr D G Jackson and Mr C J Russell have reached the end of their term of office and have stood down as trustees, directors and members of the Foundation at the Annual General Meeting.

Trustees are committed to the standards outlined in the Charity Commission's Charity Governance Code. A review of the Code and how the Foundation functions is currently underway.

Day to day management of the Foundation is delegated by the Trustees to the following executives:

Mr E D Hester (Foundation Head)
Mr R P Duigan (Head of Crackley Hall)
Mr J P Thackway (Head of Crescent School)
Mr E J K Tolcher (Foundation Bursar and Company Secretary).

Mr G de Toit has been appointed as Head of Princethorpe College from January 2023 at which time Mr E D Hester will become Foundation Principal.

Selection and induction of trustees

Trustees are selected with a view to maintaining on the governing body a balance of skills in a range of disciplines including education, finance, law, religious and pastoral issues and general business acumen. Individual qualities such as motivation and availability are also important for what is an unpaid and time consuming commitment. Suitable candidates are identified by personal recommendations from members of staff, existing parents and trustees.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

New trustees receive a comprehensive information pack detailing the role of a trustee, the Foundation and its structure, objectives and strategy. Statutory obligations are also explained and copies of relevant Charity Commission guidance are issued. In addition, each new trustee is briefed by the Heads and the Foundation Bursar and, subject to availability, offered places on bespoke training sessions organised by national bodies such as AGBIS (Association of Governing Bodies in Independent Schools).

Management structure

The Foundation consists of three schools:

- Princethorpe College, a co educational senior school for pupils aged 11 to 18;
- Crescent School, a co educational junior school for pupils aged 4 to 11 in Rugby;
- Crackley Hall School, a co educational junior school for pupils aged 4 to 11 in Kenilworth. The school incorporates Little Crackers Nursery for pupils aged 2 to 4.

The Trustees meet as a full board on at least one occasion each term and undertake the management of the Foundation through a structure of sub committees. A finance committee meets at least termly and monitors all aspects of the Foundation's finances including capital expenditure, making annual budgetary recommendations to the governing body and considering applications for bursaries. Other committees meet regularly to oversee such activities as education, staffing, safeguarding, marketing and communications, premises, health and safety and governance. The development board has been established as a sub committee to oversee fundraising.

Day to day management of the Foundation is delegated to the Heads and Foundation Bursar who report to the Trustees and to the various sub committees relevant to their individual responsibilities. There is a regular meeting of the Foundation's senior executives which comprise the Heads, the Foundation Bursar, the Deputy and Assistant Heads from Princethorpe College and the Foundation Assistant Heads. The group, known as the Foundation Executive Committee, are the key management personnel.

Remuneration

Remuneration is set by the Board, with the policy objective of providing appropriate incentives to encourage enhanced performance and of rewarding fairly and responsibly individual contributions to the Foundation's success.

The appropriateness and relevance of the remuneration policy is reviewed annually, including reference to comparisons with other independent schools to ensure that the Foundation remains sensitive to the broader issues of pay and employment conditions elsewhere.

Delivery of the Foundation's charitable vision and purpose is primarily dependent on our key management personnel and staff costs are the largest single element of our charitable expenditure.

Employment policy

The Foundation is an equal opportunities employer. Full and fair consideration is given to job applications from disabled persons and due consideration is given to their training and employment needs. Consultation with employees, or their representatives, has continued at all levels with the aim of taking the views of employees into account when decisions are made that are likely to affect their interests.

Communication with employees continues through normal management channels in a variety of forms to apprise staff of current issues.

OBJECTIVES AND ACTIVITIES

Charitable Objectives

The Foundation's objectives are to establish, conduct and carry on an independent school, college and nursery or any one or more thereof, for the education of boys, girls and young adults of all or no religious denominations and of such ages as the Trustees may from time to time determine, and to do all things as are or may be incidental or conducive to the attainment of the above objects.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Aims

The Foundation aims to provide a caring Christian environment to children with a broad range of ability wherein their needs can be met and their talents developed. The Foundation pursues these objectives by creating a healthy balance between freedom and structure with an emphasis on self discipline through responsibility and trust, supported by a high level of pastoral care.

Current year's objectives

The main objectives for the year were:

- to continue to improve on the high levels of academic achievement, especially when assessed in terms of value added;
- as a whole community, to follow faithfully the ethos of the school, creating an environment where each child will flourish;
- to continue to enhance the wide range of co curricular activities that are so enjoyed by the pupils;
- to continue the programme of refurbishment and expansion of facilities.

Current year's strategies to achieve aims

Strategies employed to achieve these objectives include:

- attracting and recruiting high calibre staff;
- optimising pupil/teacher ratios;
- improving training and staff development;
- providing scholarships and bursaries to allow talented pupils from less well off backgrounds to enrol;
- managing finances so as to retain competitive fees whilst maximising funds available to improve quality of education and facilities for pupils.

Current year's principal activities

The Foundation successfully provided education to over 1,400 pupils. A total of 302 (2021: 325) pupils received help with fees to the total value of £1,209,447 (2021: £1,189,058) and the scholarships and bursaries fund is at a level equivalent to 6.7% (2021: 7.2%) of fee income.

The Trustees have been successful in raising some funds from existing parents and others towards the general bursary fund which is actively publicised. The Thomas More Scholarship is also actively publicised and is a means tested scholarship programme which is available for Catholic pupils.

The Trustees are indebted to the parents' associations of all schools whose organisation of events bring together the wider school communities and whose support of school events is invaluable as well as raising significant sums of money to support the schools.

PUBLIC BENEFIT

Charitable aims, relevant benefits and beneficiaries

The Trustees are satisfied that the schools' aims are charitable, and that its operation was and is consistent with those aims. The Trustees have also given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education and on fee charging.

In accordance with the governing instruments of the Foundation, the chapel at Princethorpe College is provided to the local parish for services including weekly Mass, baptisms, weddings and funerals without charge. An occasional donation is received from the parish towards running costs.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

As part of the Foundation's educational provision, the schools encourage pupils to contribute to the wider community:

- fundraising for a wide variety of charities and other organisations;
- Christmas Lunch for senior citizens from local care homes and from the local parish;
- fundraising and practical help in local schools, care homes and institutions through Youth St Vincent de Paul Society;
- Community Service as part of Sixth Form General Studies.

Children and young people who are not pupils at the schools have also benefited from the Charity's activities consistent with its objects:

- the facilities of the Foundation are provided free or at reasonable cost to a wide variety of external groups for functions for children and young people including youth sports groups, children's fun days and music festivals;
- the Foundation provides coaching in hockey to external youth teams and to individual external pupils;
- the provision of training to teachers, including remedial training sessions, in maintained schools;
- teachers provide support for exam boards for example as examination moderators, examiners, examination leadership, and in service training (INSET) for AQA for teachers for all sectors;
- a Music Day, a Football Festival and a Hockey Festival are run annually for local schools including state schools;
- a nationally acclaimed cross country course is used by pupils in the independent and maintained sectors.

There are also activities that have provided other charitable benefit, in addition to benefits directly associated with the objects of the Charity:

- pupils completing post graduate studies with various academic bodies have the facility of carrying out teaching practice;
- a regular Reading Group is open to both parents and local people;
- the use of facilities by external groups;
- the schools' facilities are used by a variety of groups at no or low cost;
- Princethorpe College takes part in the annual Heritage Open Day.

The Trustees are satisfied that there is no evidence of detriment or harm associated with the schools' activities. The Trustees are satisfied that any private benefits are incidental, the fee remission provided for staff being part of the employment terms offered to attract and retain high quality staff.

Access

The Foundation applies appropriate academic entrance requirements to ensure that its pupils are able to benefit from the education provided. The Foundation wishes to ensure that admission to the schools is not restricted by financial circumstances excepting that overall there has to be a proper balance between income and costs such that the continuation of the Foundation will not be financially imperilled.

When setting the fees for the schools Trustees are mindful of the need to ensure accessibility for as wide a range of socio-economic background as possible and therefore fee levels and increases are kept as low as practicable.

The Trustees are satisfied that the opportunity to benefit from the Foundation's activities is not unreasonably restricted. The Bursary Fund is used to enable access to members of the public who might not be able to afford the full fees. Means tested bursaries were granted to 67 pupils totalling £473,775 with 19 pupils receiving fee remissions of 75% or more including 4 pupils receiving full fee remissions.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

The provision of free places and other financial assistance with fees means that people in poverty are not excluded from the opportunity to benefit from the schools' activities.

Fundraising

The Foundation contacts the members of its community, namely alumni, current and past parents and friends of the schools, regarding fundraising activities. All fundraising efforts make clear that any donations are voluntary and do not place any undue pressure on an individual.

We are registered with the Fundraising Regulator, we are an organisational member of the Chartered Institute of Fundraising and we attend relevant conferences to ensure best practice is applied.

In the last financial year there have not been any breaches or failure to comply with fundraising regulatory standards of any regulatory body governing fundraising policies. There have not been any formal complaints against the Foundation's fundraising procedures.

STRATEGIC REPORT

Review of achievements and performance for the year:

The links between the junior and senior schools are strong and continue to deepen. The Foundation is the sole provider of independent education in Kenilworth up to the age of 11 years. The Foundation has a ten year building development plan for its schools. The development office continues its programme of raising awareness of its aims and objectives.

Crackley Hall:

- the school continues to benefit from high quality accommodation following a substantial building programme in recent years;
- academic results remain excellent with a high percentage of school leavers securing scholarships at their secondary schools of choice; new testing programmes help to facilitate close scrutiny of pupils' progress, thereby impacting on value added and pupil achievement;
- after the impact of the pandemic on the life of the school, including co-curricular and inter-school activities, it is pleasing to note that these have now significantly increased and results are, once again, outstanding with some pupils competing on a national level; inter house sport continues to be an important forum of competition for the pupils, with high levels of passion and involvement and high levels of pupil participation at all levels of ability;
- Performing Arts continued to excel with a range of productions and all entrants to LAMDA examinations passed, with pupil gaining distinctions in most cases; equally all music grade candidates passed with outstanding results; public performances increased this year, after the pandemic and the school community enjoyed a range of performances, including the annual production which included every pupil in the school;
- various art entries progress to the ISA national art finals with one piece judged as a national winner.

Crescent School:

- the planned programme of improvements and refurbishments to the site and related facilities continues and recent improvements include improvements to the corridors, school hall, specialist classrooms, outdoor play areas and external security, as well as reception areas of the building;
- in September 2021 a building on the school campus returned to our use after a period of time when it had been contracted out to a local nursery provider. As a result, the school has gained a new classroom, music and drama spaces and a wellbeing/medical area, establishing a sensory room for learning support at the same time;
- sport inside and outside of the curriculum has continued to play a major part in the experience of the children and the programme of fixtures was re-established during the year. All pupils in key stage two have participated in competitive fixtures for the school this term, as they do throughout the year

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

- speech, language and drama form a key part of the children's development, both within the curriculum and in extracurricular clubs. We have achieved an extraordinary 90% pass mark distinction right in Lambda exams that are a clear indication of the very high levels that the children achieve in this area.
- fundraising for charitable causes continues to be significant within the school community. The children's school council nominate a local, national and international charity for us to support each year. We have supported the Birmingham's Children's Hospital, the Warwickshire Wildlife Trust as well as building on our long-standing commitment to the village of Bwengu in Malawi. Children actively participate in the fund raising by designing games and competitions for each other to enter.

Princethorpe College:

- the life of the school continues to flourish and the impact of the pandemic on the day-to-day life of the school has diminished over the 2021-22 academic year;
- the school continues to provide comprehensive pastoral support to pupils;
- achievement in Sixth Form and GCSE was impressive; 44% of A levels and L3 BTECs were A*-A grades, with 71% grades A*-B. At GCSE, 33% of grades were grades 9-8 and 54% grades 9-7, with a superb 'value added' score. For both age groups, these results mirrored the national trend of being lower than those awarded via CAGs and TAGs but represent an improvement on Princethorpe's excellent results of 2018 and 2019;
- our co curricular programme returned to offering a huge range of activities, sport, music and drama to accommodate all ages and abilities. Inter house competitions often replaced inter school fixtures, and our school musical went ahead virtually during the period of lockdown. Large and growing of pupils continue to take music exams and also achieve highly in the London Academy of Music and Dramatic Art (LAMDA) awards.
- participation in co curricular sport continues to be very successful across a range of boys' and girls' sports with many pupils representing their county and some competed at national level. Our Junior Boys Athletics team won the Midlands Schools Combined Events Regional Championships and Girls Under 18 hockey reached the National finals;
- the College community continues to show kindness and generosity in abundance raising over eleven thousand pounds, through pupil led activities which ranged from "welly wanging" to 24 mile sponsored walks.
- Outdoor education is a central pillar of our offering and despite the restrictions, with over 200 pupils working toward Gold, Silver or Bronze Duke of Edinburgh Awards, with 23 pupils completed their Gold and 54 pupils complete their Silver expeditions. The number of awards achieved continues to increase each year;
- Students in many areas competed with success in national competitions including Art, Physics, Chemistry and Mathematics;
- Pupil numbers continue to be very strong in all year groups, with a growing number of strong external candidates in the Sixth Form;
- the College continues to benefit from the range of building projects and campus improvements over the last ten years most recently The Limes building which has proved to be a superb addition to the teaching accommodation providing 14 additional classrooms, two ICT suites, a language lab, tutorial and student resource and study areas and the refurbishment and upgrade to the Clarkson Theatre.

Building work commenced in February 2022 on the College's new £8 million Science Centre. The Science Centre will open in September 2023 and features 10 brand-new, state-of-the-art Science laboratories and will ultimately transform the College's entire campus allowing other areas to be redeveloped and departments clustered within the main school building.

Financial review

The results for the year are shown on page 18. The overall results reflect an operating surplus for the year of £1,058,673 (2021: £532,166).

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Reserves policy

The Trustees have a responsibility to protect the Foundation against uninsurable risks and future uncertainties and to establish a level of reserves which satisfies operating prudence, bearing in mind the impact of potential change in the economic, political and legislative environment within which the Charity functions.

The Foundation does not possess large endowment reserves to generate income to assist in the financing of the charity.

The Foundations total reserves of £20,947,182 at the year end included £853,982 of restricted funds and unrestricted funds of £20,093,200.

Restricted and endowed funds are, because of the particular spending constraints attached to them, not available for funding the general operations of the school. The unrestricted funds are expendable in accordance with the Objects of the Foundation. However, these unrestricted funds have already been invested by the governing body in the building, development and refurbishment of school buildings and other fixed assets used by the school. Accordingly, there are no current free reserves (unrestricted funds less the net book value of fixed assets financed by those funds). Given our plans for new buildings, this nil balance will continue for several years.

The Trustees are of the view that it is appropriate to retain a minimum cash balance of £1m on its bank accounts. The Trustees have established this reserve.

Principal risks and uncertainties

The Trustees are responsible for the management of risk to which the charity is exposed. The major risks to the Foundation as identified by the Trustees have been reviewed and systems or procedures have been established to manage those risks. An annual re assessment of risks is conducted as part of the strategy and business review process.

The principal risks and uncertainties that the Trust faces include:

- increased competition;
- adverse economic conditions;
- adverse government policy and practices;
- regulatory costs;
- recruitment of staff and trustees;
- adverse publicity;
- increase in costs outside of the foundation's control;
- political and economic uncertainty.

Each of these would be high impact but their likelihood is monitored carefully.

Future plans

The Foundation's strategy and business plan looks forward five years and is reviewed and revised annually. Strategic objectives for the period are:

- to attract and recruit high calibre teaching and support staff;
- to maintain and improve the academic performance of the schools;
- to maintain optimum staff/pupil ratios;
- to grant scholarships and bursaries thereby enabling talented pupils from less well off backgrounds to enrol;
- to manage finances such that fees are kept at competitive levels commensurate with the maintenance and improvement of a high quality learning and working environment;
- to improve the facilities at the schools through a programme of building works and enhancements;

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

- to continue the fund raising initiative to support the provision of bursaries to widen access to the Foundation and highlight future plans including fund raising for capital and special projects, through the Foundation's 'Make Possible' campaign.

Going concern

Trustees consider that the Foundation is in a strong position to deal with the current challenges of inflation, increasing energy costs and a more difficult economic climate.

The number of pupils in the Foundation's schools is very healthy in November 2022 and there is a strong level of enquiry for current and future entry into all schools.

Trustees have reviewed the Foundation's financial position including the budget and forecasts for 2022-23 and the Foundation's medium and long-term financial plans and have every confidence that the Foundation will continue to flourish as a result of its financial strength, quality of provision of education and the support provided to pupils and their families and its reputation in the community

Investment powers

Under the memorandum and articles of association, the Foundation has the power to invest monies not immediately required for the furtherance of its objects in such manner as the Trustees may from time to time determine.

Streamlined energy and carbon reporting

The Foundation's greenhouse gas emissions and energy consumption are as follow:

Summary Data for 1 st September 2021 to 31 st August 2022	Value
Total Energy Use	2,855,093 kWh
Total Greenhouse Gas Emissions	391.67 tCO ₂
Total Students	1,398
Total Turnover	£17,594,000
Intensity Ratio No. 1 (students)	0.28 tCO ₂ per student
Intensity Ratio No. 2 (£ million turnover)	22.26 tCO ₂ per £m

The Foundation has used the GHG Protocol Corporate Accounting and Reporting Standard (revised edition). Further emission factors were used from UK Government's GHG Conversion Factors for Company Reporting 2022. We have also used data that was collected by the Foundation specifically for the purpose of SECR reporting.

The Foundation has measured Scope 1 and 2 emissions and also included Scope 3 emissions related to employee use of their own vehicles, where they claim mileage allowance. We have also reported on the renewable energy generated and used on site. We have discounted the emissions related to electricity supplied with Renewable Energy Guarantee of Origin (REGO) certificates, which are applicable for the half hourly and non half hourly supplies for the entire financial year.

Over the last year, the Foundation has invested in a projects aiming at improving efficiency and reducing energy consumption continuing the rolling programme of changing fluorescent and tungsten lights to LED at all three schools. These upgrade projects are projected to save circa 20,3006 kWh per annum, representing some 2.4% of total electrical consumption.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Section 172 Statement

The trustees have acted in accordance with their duties codified in law, which includes their duty to act in the way they consider, in good faith, would be most likely to promote the success of the Foundation for the benefit of its members as a whole, having regard to the stakeholders and matters set out in section 172 of the Companies Act 2006.

In discharging these duties, the trustees carefully consider, amongst other matters, the impact on and interest of other Foundation stakeholders and factor these into their decision-making.

Pupils

The pupils benefit from the schools' focus on all-round personal development supported by excellent pastoral provision, in addition to wide-ranging academic opportunities and co-curricular activities.

Employees

The qualities, skills and dedication of our employees underpin the success of our schools and the whole Foundation. Regular briefings keep staff informed of developments in their school and employee benefits enhance their quality of life. Staff well-being has been a key focus this year and will continue to be so. The Foundation is committed to equality, diversity and inclusion with oversight of this area being undertaken by a trustee.

Parents

The Foundation recognises the benefits of engaging with parents and has an ongoing programme of communications. Following feedback from parents it has been decided that some events will continue to be online rather than returning to face-to-face and certain events will continue to be streamed live.

Community

The Foundation recognises its place in the local communities and each school is proud of its involvement locally and conscious of the significant benefits it brings to the local economy and local cultural life.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who are also directors of the Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the Foundation and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

THE PRINCETHORPE FOUNDATION

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

DISCLOSURE OF INFORMATION TO AUDITOR

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as each Trustee is aware, there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the charitable company's auditor are aware of that information.

AUDITORS

Crowe U.K. LLP have indicated their willingness to continue in office.

Approved by order of the members of the board of Trustees and signed on their behalf by:

.....
Mrs E M F Griffin
(Chair of Trustees)

Date: 12 December 2022

.....
Mr C J Russell
(Deputy Chair of Trustees)

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRINCETHORPE FOUNDATION

Opinion

We have audited the financial statements of The Princethorpe Foundation (the 'charitable company') for the year ended 31 August 2022 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRINCETHORPE FOUNDATION
(CONTINUED)

Other information

The other information comprises the information included in the Annual report other than the financial statements and our Auditor's report thereon. The Trustees are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRINCETHORPE FOUNDATION
(CONTINUED)

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

[Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud.]

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's report.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRINCETHORPE FOUNDATION
(CONTINUED)

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Companies Act 2006, taxation legislation, together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The laws and regulations we considered in this context for the UK operations were The Education (Independent School Standards) Regulations 2014, General Data Protection Regulation (GDPR), Health and safety legislation, and Employment legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, and the Finance Committee about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, Independent Schools Inspectorate, Ofsted and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRINCETHORPE FOUNDATION
(CONTINUED)

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. General information

The Princethorpe Foundation is a Company limited by guarantee (registered number 04177718), which is registered in England and Wales. Its charity registration number is 1087124. The registered office and principal place of business is Princethorpe College, Princethorpe, Rugby, CV23 9PX.

Its principal activity is the provision of day schooling.

The company is a company limited by guarantee. The members of the company are the Trustees named on page . In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Princethorpe Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Foundation to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Foundation has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Foundation's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.3 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2.4 Fees and similar income

All income is recognised once the Foundation has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Fees receivable and charges for services and use of the premises, less any allowances, scholarships, bursaries granted by the Foundation against those fees, but including contributions received from restricted funds, are accounted for in the period in which the service is provided.

2.5 Donations and legacies

Voluntary incoming resources are accounted for as and when entitlement arises, the amount can be reliably quantified and the economic benefit to the Foundation is considered probable.

Donations received for the general purpose of the Foundation are credited to unrestricted funds. Where the donor or appeal has imposed trust law restrictions, voluntary income is credited to the relevant restricted fund and incoming endowments are accounted for as permanent trust capital or expendable trust capital, according to whether the donor intends restriction is to be permanent or not. Gifts in kind are valued at estimated open market value at the date of gift, in the case of assets for retention or consumption, or at the value to the Foundation in the case of donated services or facilities.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Foundation; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

2. Accounting policies (continued)

2.7 Government grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of meeting any performance related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

2.8 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

Expenditure on raising funds includes all expenditure incurred by the Company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.9 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

2. Accounting policies (continued)

2.11 Tangible fixed assets and depreciation

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Assets in the course of construction are included at costs incurred to date. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Motor vehicles	- 20% straight line
Fixtures and fittings	- 5-20% straight line
Computer equipment	- 20-33.3% straight line

2.12 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.13 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Accounting policies (continued)

2.14 Financial instruments

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.15 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

2.16 Taxation

The Company is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Company is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.17 Pensions

The Foundation participates in the Teachers' Pension Scheme (England and Wales) ("the TPS") for its teaching staff. This is a multi-employer defined benefits pension scheme and it is not possible to identify the assets or liabilities of the TPS which are attributable to the Foundation. As required by FRS102 the Foundation accounts for this scheme as if it were a defined contribution scheme. The Foundations contributions, which are in accordance with the recommendations of the Government Actuary, are charges in the period in which the salaries to which they relate are payable.

Contributions are also made to pension schemes for certain non-teaching staff. Contributions are charged to income and expenditure account as paid.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

In the view of the Trustees, no assumptions concerning the future or estimation uncertainty affecting assets or liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

At 31 August 2021	18,718,560	67,829	871,078	203,912	555,291	20,416,670

All tangible fixed assets were used for charitable purposes.

Freehold land of £1,437,750 (2021: £1,437,750) included above has not been depreciated.

The freehold land and buildings donated to the foundation by MSC Charity Trust with effect from 1 September 2001 were professionally valued prior to the donation by Howkins & Harrison for Princethorpe College and Innes England for Crackley Hall. The values attributed to these properties were £5,900,000 and £842,099 respectively.

Assets under construction relate to the Science project.

Inalienable and historic assets

In addition to the capitalised fixed assets held for the Foundation's own use, the Foundation also has a substantial endowment of assets bequeathed on trust for retention in perpetuity as a permanent record of the Foundation's history. These comprise a variety of religious artifacts whose intrinsic value is also bound up with the Foundation's history. These are irreplaceable originals to which no reliable cost or value can be attributed and accordingly these assets have not been capitalised in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

22. Statement of funds (continued)

Tangible Fixed Asset Fund

The tangible fixed asset fund represents the net book value of tangible fixed assets excluding assets held as part of restricted funds.

Princethorpe Chapel Fixed Asset Fund

Under the terms of the gift by the MSC Charity Trust and in accordance with the memorandum of association of the Foundation, this endowment fund represents the gift of the chapel to the Foundation. The amount expended during the year represents the annual depreciation charge. This fund does not represent income available to be used on other projects. The chapel, which forms part of the premises, must be maintained as a public place of worship whilst owned by the Foundation.

Biodun Olanrewaju Memorial Prize

This fund has been set up by three former pupils in memory of their late father to provide an award to a Sixth Form leaver.

Princethorpe Bursary fund

The Bursary fund was established to enable students to continue to attend the college.

Princethorpe Science building fund

The Science building fund has been established to raise funds to contribute to the building of a new science building.

Princethorpe - other donations fund

This fund is to support activities at the college.

Crackley Hall - donations fund

This fund is to support activities at Crackley Hall.

Crescent - donations fund

This fund is support activities at Crescent School.

30. Pension commitments

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full time teachers in academies. All teachers have the option to opt out of the TPS following enrolment.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

30. Pension commitments (continued)

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the year amounted to £1,212,762 (2021: £1,133,072).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (https://www.teacherspensions.co.uk/news/employers/2019/04/teachers_pensions_valuation_report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi employer pension scheme. The Foundation has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Foundation has set out above the information available on the scheme.

Other Pension Schemes

Contributions are also made to pension schemes for certain non-teaching staff. Contributions are charged as paid, this years contributions payable were £158,440 (2021: £135,914). At the year-end £21,691 (2021: £20,220) was accrued in respect of contributions to this scheme.

THE PRINCETHORPE FOUNDATION
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

31. Operating lease commitments

At 31 August 2022 the Company had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2022 £	2021 £
Not later than 1 year	12,903	16,787
Later than 1 year and not later than 5 years	23,655	36,557
	<u>36,558</u>	<u>53,344</u>

Operating leases rentals charged during the year were £16,787 (2021: £23,607).

32. Financial instruments

	2022 £	2021 £
Financial assets		
Financial assets measured at fair value through income and expenditure	<u>1</u>	<u>1</u>

Financial assets measured at fair value through income and expenditure comprise investments.

The School's income, expense, gains and losses in respect of financial instruments are summarised below:

	2022 £	2021 £
Total investment income for financial assets measured at fair value through income and expenditure	13,532	3,917
Impairment losses on financial assets measured at amortised cost	<u>156,164</u>	<u>175,103</u>
