PTA-UK provides advice and best practice on managing a school PTA and provides ideas for fundraising activities. They also provide the PTA insurance cover.</p> <p>The PTA complies with the Charity Commission rules and regulations and submits an annual Charity Commission Return, as required.</p> <p>PTA members consist of all parents, guardians or carers of any pupil attending the school as well as teaching and non-teaching staff employed by the school. All members are encouraged to join the working group of members from which the trustees (<i>‘the Committee’</i>) are elected. The Committee seeks to have fundraising sub-groups made up of both experienced and new members to ensure effective succession planning and sharing of new ideas.</p> <p>The Committee hold regular meetings to discuss forthcoming events, share successes and improvements from recent events, and agree on both short-term and long-term donations to the school. At these meetings the Head Teacher (also the PTA’s President), or appointed staff representative, provides a report discussing wider school issues, successes and useful dates.</p> <p>In turn the Committee provide feedback to the Head Teacher on matters arising/voiced by parents/children (e.g. school meals, health & safety matters etc).</p> <p>Health & Safety assessments are undertaken prior to all events to ensure the safety of all parties. Section C

Objectives and activities

<p>Summary of the objects of the charity set out in its governing document</p>	<p>The objective of the PTA is to advance the education of the pupils in the school in particular by i) developing effective relationships between the staff, parents and others associated with the school ii) engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.</p>
--	---

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

When planning activities for the year, the PTA has considered the Charity Commission's guidance on public benefit.

The PTA regularly contributes funds towards the school swimming pool, the 'Listening Ear' counselling service in the school and provides a fixed amount to each class teacher to enhance the education of all pupils.

The PTA arrange, on average, 6 events per annum in order to raise funds. The main events are a Fireworks display as well as a Christmas Fair and Summer Fete.

The PTA consults with the Head Teacher and Governing Body to help identify longer-term projects it considers appropriate to support.

All feedback/concerns raised by parents and local neighbours are fed back to the Head Teacher to enable such matters to be addressed (e.g. risks associated with parking outside school gates, other health and safety related matters, school dinners etc).

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by *volunteers*.

Summary of the main achievements of the charity during the year

The PTA had another successful year in terms of raising funds and donating money to the school. All of our usual fundraising events went ahead and we managed to raise £33,000 from these events.

Our biggest fund raising event was the annual Fireworks display. This continues to be a very popular event and generated a profit of just over £9,000 for the PTA.

Our Christmas Fair keeps on getting bigger and better! This year, we raised almost £8,000.

The weather, unfortunately, worked against us for our Summer Fair so it did not attract as many people as it usually does. Despite this, the event still managed to make a profit of almost £4,000. The organising team remained in good spirits throughout, and the people that did brave the rain to support the event enjoyed themselves regardless of the weather. We moved to a system whereby people could pre purchase tokens for use at the fair and we think that this contributed to people turning up on the day. The tokens were a success and will be used going forwards across our events.

For the 2023/24 academic year we were fortunate to be able to add a Circus event to our calendar. This event sold out very quickly and was a huge hit with all that attended. In total the Circus generated profits of £2,700. Going forwards, we intend to arrange a Circus event every other year.

Film night was another success for both infants and juniors, bringing in about £1,500.

After school playground sales of ice-lollies continued during the summer of 2024. Sale events happened a couple of times each week (weather permitting) and made £900.

The School Lottery, and Personalised Gifts boosted PTA funds, raising £2,300.

In total, the PTA was able to raise funds of £32,600 (2022/23 £34,700 – note the split of the Circus profit across the academic years, with ticket sales going into 2022/23 and costs going into 2023/24).

£57,150 is due to be donated back to the school in respect of this financial year. Unfortunately, due to timing issues, we were unable to make the transfer in July 2024, instead the money was transferred in August 2024.

The majority of the donation (£37,000) was in respect of a new Playground Project, which upgraded existing equipment and added new games and activities, designated calm spaces and sensory spaces. The Year 6 Quad was also updated and a variety of natural resources, sand pits and forest school areas were added across the school grounds.

The PTA continued to fund its regular annual commitments to the school. These included support for the ongoing maintenance of the PTA funded Swimming Pool and new reading books for all classrooms.

The regular contribution of £3,000 for the Listening Ear counselling service remained. This service is available to all children from Year 1 upwards. Funding also continued for children in KS1 & KS2 to enjoy a visit from Life Space.

The PTA again provided each class teacher with £150 to purchase special resources of their choosing and continued to share the cost of a crossing patrol person with the school.

The PTA only continues to operate due to the ongoing time and effort of a relatively small team of loyal volunteers. We continue to experience a decline in the number of volunteers willing to support the events and are looking at ways to increase these numbers to ensure that we can continue to run our usual fundraising events.

Section E

Financial review

Brief statement of the charity's policy on reserves	<p>The PTA aims to raise sufficient funds each year to cover annual commitments and additional requests. Any deficit will be covered by reserves.</p> <p>Reserves of £7,500 will be maintained to ensure adequate working capital for fundraising events.</p> <p>Any excess funds will be held towards funding of major financial projects agreed with the Head Teacher and Governing Body</p>
Details of any funds materially in deficit	None

Further financial review details (Optional information)

<p>You may choose to include additional information, where relevant about:</p> <ul style="list-style-type: none">the charity's principal sources of funds (including any fundraising);how expenditure has supported the key objectives of the charity;investment policy and objectives including any ethical investment policy adopted.	<p>The charity's principal sources of funds are from fundraising events such as the Summer Fete, Fireworks event, Christmas Fair, Film Nights and similar events. We also run various activities such as the sale of nearly new uniform and ice lollies. We sometimes receive donations and match funding from employers.</p> <p>The key objective of the charity is to provide Warren Road Primary School with funding to enhance the education of the children.</p> <p>The main expenditure is the donation of funds to the school. Other expenditure relates to the cost of the events described above in order to raise the funds required.</p>
