

**LIVERNORTH Charity  
Annual Report 2023**

1. **The financial year to which this report relates:** Start: 1<sup>st</sup> April 2022      End: 31<sup>st</sup> March 2023
2. **Brief summary of the main activities and achievements of the charity during the year in relation to the charity's objects:**
  - a) Offering support, advice and information to all those who suffer from liver disease.
    - 1] Free support newsletter 'LIVERNEWS'. 2350 copies were distributed quarterly at a cost to the charity of £9,024.16 A PDF copy of each newsletter was placed on the LIVERNORTH website, on our ISSUU publishing platform site and sent electronically to 282 members by email. The reduction in the number of printed copies distributed required due to the restrictions on displaying paper documents and posters imposed by COVID measures in healthcare environments was reduced in some locations but others were more cautious.
    - 2] Live meetings of the main group have been affected due to COVID implications. Previously held approximately every six weeks at the Freeman Hospital they have of necessity been fewer, held online during the period via Zoom and only when speakers have been available. Each meeting was addressed by a qualified speaker who talked about some aspect of liver disease and each talk was followed by an interactive Q&A session. The talks were recorded and are available to view on our YouTube channel.

2022	May	PBC - Is the Fog About to Clear?
	Aug	NAFLD - Latests Updates
	Dec	ERAS - Enhanced Recovery After Surgery
2023	Mar	Progress Towards the Elimination of Hepatitis C
    - 3] Operation of the telephone helpline continued with seven trained listeners and one bereavement counsellor. The helpline coordinator is Revd. Nigel Goodfellow M.A., (a governor of the charity).
    - 4] The charity currently has twenty notice boards/leaflet dispensers in UK hospitals. All information leaflets provided free of charge to patients. The group now publishes 26 leaflets covering a wide variety of information for liver patients, carers and family members. All leaflets were reviewed during the period with several being updated.
    - 5] The group newsletter 'LIVERNEWS' was available to read online and all advice leaflets were made available to download online via the website.
    - 6] All publications have been made available to read online without downloading via the ISSUU online publishing service.
    - 7] Our patient & carer accommodation provided within Beechwood House in the grounds of the Freeman Hospital has continued to be used as accommodation for visiting clinicians who were providing COVID related assistance to the NHS in the region.
    - 8] One governor (a barrister) has continued to work pro bone for members with respect to disability allowances and other legal matters of relevance to liver patients.
    - 9] The group has continued to distribute copies of a DVD describing Primary Biliary Cholangitis (PBC) both in the UK and abroad (a USA versions has been produced).
    - 10] The contents of the PBC DVD above and several of the lectures given to the group have been made available to watch via YouTube.
  - b) Offering support, advice and information to all formal and informal carers of liver disease sufferers.
    - 1] Formal and Informal Carers attend online (Zoom/Teams) meetings where possible. Regular email updates and the LIVERNEWS provides helpful information for carers.
    - 2] The accommodation mentioned in item 2 a) 7] above has been used solely by clinicians and carers during the period.
    - 3] Many of the calls to the helpline are from carers and family members.
    - 4] Carers are supplied with free information leaflets on request and can avail themselves of the information displayed on the notice boards in the Freeman Hospital Ward 16 and Ward 38 day rooms, the clinics and elsewhere. The website has several leaflets on liver diseases to download free of charge and the ISSUU publishing link is widely advertised. Carers and clinicians are encouraged to refer patients to the charity as a pathway to further support.
    - 5] An Educational Grant of £2,448.00 was made during the period. This funding was for a period of

specialist filming for training surgeons at the Institute of Transplantation at the Freeman Hospital in Newcastle upon Tyne.

- c) Assisting in the funding of research into the causes of, treatments for, and prevention of all forms of liver disease.
  - 1] Research Grants totalling £53,102.00 were made during the period.
  - 2] The charity is an officially designated NIHR non-commercial partner for one funding stream.
- e) Assisting with the provision of amenities, equipment and funding for the care of liver patients, their carers and families providing that such provision shall be for the general benefit of a liver patient or liver patients.
  - 1] Christmas gifts to the value of £502.00 were distributed to inpatients on 24<sup>th</sup> Dec 2022.
- f) Advancing the public awareness of liver disease, the treatment of liver disease and the prevention of liver disease.
  - 1] Several articles and interviews initiated by the charity regarding liver transplants, alcoholism and organ donation initiatives were published/broadcast by the media.
  - 2] The Charity website [www.livernorth.org.uk](http://www.livernorth.org.uk) continues to receive several thousand hits each year with information leaflets and the newsletter (LIVERNEWS) available for download.
  - 3] The charity makes full use of social media and regularly issues tweets using twitter and posts using facebook with the hashtag #livernorth and @livernorth.
