Highlights of raised Funds.

This has been a tremendous year for funding. The continuous, generous donations from parents and the hard work and dedication from PTA members has meant that we have had a steady flow of income. Signing up for Amazon, Easy funding really makes a difference. A huge special thank you to Maggie who was able to secure funding from East Staffordshire Council for our new outdoor classroom. Open gardens donated funds raised from last years open gardens and these also went towards this. I am sure you agree it looks fantastic. The Parish Council also provided funds so that all children could receive a Queens Jubilee coin. We were pleased to have some fun events such as School Disco, open gardens and our reading Cafe. We were once again grateful to receive Match funding from HSBC and a kind donation from Joy Rowe. Below highlights some of the main income streams.

Tutbury Parish Council	1332.72

Expenditure

Our Children have really benefited this year. Each year group received funds to contribute to their learning environment. This year the Children were treated to a Panto in school, and all received a present from Santa! An Author visited during the summer term and the PTA provided funds for the coaches so that all year groups could enjoy a school trip. Additional to this, we once again contributed to the year 6 leaver hoodies. The main spend was on developing our outdoor area, the children now have two outside libraries , wooden sculptures and our wonderful outdoor classroom. Next year focus will be on providing furniture for this.

Overall, a successful year and we look forward to your continued support of future events.

Many thanks
