Trustees' report
for the year ended 31 March 2022

The Trustees present their annual report together with the financial statements of the Charity for the year ended 31 March 2022. The Annual report serves the purposes of both a Trustees' report and a Directors' report under company law. The Trustees confirm that the Annual report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The principal object of the Charity is to alleviate the hardship and distress caused by the breaking up of marriage and family. This includes assisting separating and/or divorcing couples to resolve disputes and reach agreed decisions on matters arising from family stress, financial matters and matters involving children within the County of Kent. The Charity is also established to assist the resolution of family disputes.

Our revenue from the Cafcass SPIPs contract has provided further income to the service and earnings for mediators.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Main achievements of the Charity

The service made a surplus of £23,983 (2021: £13,799), during the year ended 31 March 2022, including gains on investments of £435 (2021: £1,868).

Given the tight margins on which the Charity operates, cash flow has always been a major preoccupation but the Charity has maintained a sufficient Balance Sheet. Legal Aid payments are received promptly and private clients are required to proceed on a 'pay in advance' basis to minimise uncollectible debts.

b. Review of activities

March 2020 saw the impact of Covid-19 on the country which affected everyone and this continued throughout 2021. The Government brought in restrictions which meant KFMS had to completely change its way of working, seeing clients online instead of face to face and all staff working from home. Initially, all staff, apart from the Service Manager and Bookkeeper, were on the Government Furlough Scheme. They gradually returned over the following months until all were working their normal days by September, with the exception of one mediator who returned in November. There was another lockdown late 2021 and everyone returned to working from home.

Referral numbers reduced during lockdown, but expenses also decreased in respect of venue hire and mediator expenses. We were successful in our bids for Covid-19 assistance grants, which were used to pay for rent, utilities and other core expenses.

The Service was constantly monitored by the Service Manager and Trustees during this time.

Despite the impact of Covid-19, the Service has fared well, and the Trustees wish to thank the staff for accepting the situation in such a positive way and helping the Service through this unprecedented time.

The Service will gradually be re-introducing face to face mediation meetings but also continuing to offer online mediation, which has been our clients' preferred option. Under our Legal Aid Agency contract, we are required to offer both.

Kent Family Mediation has continued to provide a high, professional standard of service which is reflected in the maintained level of turnover.

The Service has continued to meet its objective of alleviating hardship and distress caused by the breaking up of marriage and family, including assisting separating and/or divorcing couples resolve disputes and reach agreement on matters arising from family stress. It is increasingly recognised that professional mediation is assisting in speedier settlements which are more cost effective and less acrimonious than other procedures in dispute resolution. This is to the benefit separating parents and the children of the relationship.

The Charity provides mediation services to the County of Kent and receives fees from privately paying clients, and those that are legally aided. It is expected that legally aided work will continue to decline as the criteria for legally aided help are tightly drawn.

An ongoing problem for the mediation sector is that the majority of applications received are by applicants who just wish to go through the required motions to be able to proceed in court. The level of applications that ultimately result in mediation remains low. Less than 40% of referrals by one party lead to an initial interview (the MIAM). This results in the Charity incurring significant overheads in setting up processes that do not lead to mediation and accounts for the slim margins. These costs are not recognised by any government funding.

The Charity reviews clients' fees annually, within the context of what is reasonable to charge as a non-profit making body. It continues to seek additional funding from a variety of grant making Trusts to supplement its reserves. The Charity also remains conscious of the duty to provide public benefit by providing a service at significantly less cost than the alternatives and has due regard to the guidelines issued by the Charity Commission.

c. Investment policy and performance

Under the Memorandum and Articles of Association the Charity has the power to make any investment which the Trustees see fit.

In accordance with the reserves policy all funds are retained in cash and all reserves are now invested with the COIF (Charitable Organisations Fund). The COIF is the largest specialised fund manager in the UK for charities and has a good record for capital growth.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

The Trustees have a duty to ensure that the income and reserves are sufficient to meet all liabilities whilst maintaining a sufficient level to ensure the longevity and continuation of the Service. The Trustees are obliged to review this yearly as part of the annual accounts.

Key elements to be reviewed are the possible liabilities of rent, residual payments on equipment leases and staff redundancy payments. As at the end of the financial year our target reserves figure was £95,102. The unrestricted reserves as at 31 March 2022 were £63,440. Although the reserves were still below the Charity's target figure, the Trustees consider that they have reasonable grounds for believing that the service can continue to improve its financial position going forward. This is despite the Covid-19 pandemic lockdown measures, since it appears that, with the government assistance which is available, and by utilising facilities for online mediation, the service has been able to maintain its viability.

Structure, governance and management

a. Constitution

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 31 March 2001.

The Charity is constituted under a Memorandum of Association dated 31 March 2001 and is a registered charity (number 1087460).

The service is affiliated to the College of Mediators, a founder body of the Family Mediation Council, the body which sets and maintains high standards for the mediation profession.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

c. Organisational structure and decision-making policies

The Charity has a management committee which comprises the Trustees, two advisors to the Trustees and a mediator representative.

The Trustees have ultimate responsibility for income and expenditure and policy making and pricing changes are discussed and approved by the Trustees. The Trustees meet each quarter to review progress and the Chairman and Treasurer are in regular contact with the employees of the Service in the interim.

d. Policies adopted for the induction and training of Trustees

All new Trustees are given an initial induction when joining the Charity and are then trained as appropriate to the Charity's needs thereafter.

e. Financial risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. The Service will continue to monitor staffing levels in line with workload and make any necessary adjustments. We will also source funding opportunities as and when they become available.

Plans for future periods

The Trustees will continue to support the objectives and activities of the Charity for the foreseeable future. The Service intends to once again bid for the Cafcass Separated Parents Information Programme contract which is due for renewal in March 2023, subject to the terms of the bidding process.

Statement of Trustees' responsibilities

The Trustees (who are also the Directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its income and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the Trustees of Kent Family Mediation Service ('the Charity')

I report to the Charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the Trustees of the Charity (and its Directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

2.3 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

2.4 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Government grants relating to tangible fixed assets are treated as deferred income and released to the statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the statement of financial activities as the related expenditure is incurred.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless fair value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and shown in the heading 'Gains/(losses) on investments' in the Statement of financial activities incorporating income and expenditure account.

2.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

2.9 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2. Accounting policies (continued)

2.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

2.13 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

2.14 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

2.15 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Dear Sirs

This letter is furnished at your request in connection with your independent examination of the financial statements of the charity for the year ended 31 March 2022 for the purposes enabling you to issue your report to the trustees required by the Charities Act 2011 in respect of the charity's accounting records and preparation of the financial statements.

We recognise that our representations concerning the matters referred to below are significant in enabling you to issue your independent examiner's report.

In particular, we have carefully considered the impact of the COVID-19 pandemic and the UK's exit from the European Union ('Brexit'), on the charity's business and its financial statements.

We have fulfilled our responsibilities as trustees of the charity, as set out in your terms of engagement, under the Charities Act 2011/Companies Act 2006 for preparing financial statements in accordance with the applicable law and United Kingdom Generally Accepted Accounting Practice, which you have drafted on our behalf, which give a true and fair view of the financial position of the charity as of the period end and of the results of operations for the period then ended and for making accurate representations to you.

The financial statements have been prepared in accordance with the Companies Act 2006 / Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed, and in accordance with United Kingdom Generally Accepted Accounting Practice, including *Accounting and Reporting by Charities: The Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102)* ("the SORP"), including all subsequent Update Bulletins issued that apply to the period under review .

We confirm that the charity is entitled to the exemptions from an audit of the financial statements as set out in the Charities Act 2011 in that:-

- The incoming resources of the charity did not exceed £1 million; or

- The incoming resources of the charity and its group did not exceed £1 million, after eliminating intra group transactions and consolidation adjustments; and

An audit of the financial statements is not required by the charity's governing documents.

We confirm that the charitable company is entitled to the exemptions from an audit of the financial statements as set out in Section 477 of the Companies Act 2006.

Fraud

We acknowledge our responsibility for the design, implementation and maintenance of a system of internal control in order to prevent and detect fraud.

We have assessed the risk that the financial statements may be materially misstated as a result of fraud and it is our opinion that any such risk is minimal.

We are not aware of any irregularities involving management or employees who have a significant role with regards to the internal control system or that could have a material effect on the financial statements.

We are not aware of any fraud or suspected fraud of any kind communicated by current or former employees, analysts, regulators or any others.

We can confirm that our procedures for handling data are compliant with the General Data Protection Regulation and that there have been no events which could result in any penalty being levied by the Information Commissioner’s Office which could have a material impact on the financial statements.

Tangible Fixed Assets

The net book amounts at which fixed assets are included in the balance sheet are arrived at:

- After taking into account all capital expenditure on additions thereto, but no expenditure properly chargeable to revenue.
- After eliminating the cost and accumulated depreciation relating to items sold or otherwise disposed of.
- After providing for amortisation and impairment at rates sufficient to reduce the net book amounts to their residual value by the time they become no longer economically useful to the charity.

We confirm that all tangible fixed assets included in the financial statements exist at the balance sheet date.

Investments

None of the charity’s investments have declined in value to an amount less than the carrying value in the balance sheet.

Other Current Assets

We are of the opinion that other current assets have a value on realisation in the ordinary course of operations at least equal to the amounts at which they are stated in the financial statements. In particular adequate provision has been made against all amounts owing to the charity, which are known, or may be expected, to be irrecoverable.

Assets - General

We confirm that the charity has satisfactory title to all assets appearing in the balance sheet and that they are free from any lien or charge unless otherwise stated in the financial statements.

We have no intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

Liabilities - General

All known liabilities of the charity at the balance sheet date have been included in the financial statements. Adequate provisions have been made in the financial statements for liabilities, which are known to exist but the amount of which, cannot be accurately determined.

Provision has been made for all grant commitments made by the charity in line with the requirements of the SORP.

We have disclosed to you all claims in connection with litigation or any other claims of material importance that have been, or are expected to be, received and any such claims have been appropriately accounted for and disclosed in the financial statements. We have disclosed to you all other contingent liabilities.

- charges or credits relating to prior periods.

All grants, donations and other income, the receipt of which is subject to specific terms or conditions, have been notified to you. There have been no breaches of terms or conditions during the period in the application of such income.

Transactions with trustees and other related parties

- K Clarke
- D Ingamells

We confirm the accuracy of the disclosure of the Key Management Personnel compensation, which includes all employee benefits paid, payable or provided by the charity or on behalf of the charity in exchange for services rendered to the charity. It also includes any consideration paid on behalf of any parent undertaking of the charity in respect of any goods or services provided to the charity.

Related party transactions

We confirm that we have fully disclosed to you the identity of all of the charity's related parties.

You have been provided with details of all transactions between the charity and its related parties that have arisen during the accounting period and we confirm that the disclosure made in the financial statements of these transactions is complete and accurate.

We confirm the factual accuracy of the controlling party disclosure in the financial statements.

Capital Commitments

The financial statements make full disclosure of all outstanding amounts contracted for at the balance sheet date in respect of capital expenditure.

Post Balance Sheet Events

Since the balance sheet date no events or transactions have either occurred or are pending which would have a material effect upon the financial statements at that date, or for the period then ended, or which are of such significance in relation to the charity's affairs as to require disclosure in the financial statements.

Financial Facilities

Since the balance sheet date adequate financial facilities have continued to be available to the charity and we have no reason to believe that such facilities will be withdrawn within the next twelve months.

Review of going concern basis

We confirm that we have considered the charity's future operations, working capital requirements and cashflows and we feel that the going concern basis is appropriate for the preparation of the financial statements for the period under review. Our considerations have covered a period of not less than 12 months from the date of the approval of the financial statements.

Our consideration has included a thorough assessment of the charity's ability to continue trading as a going concern in light of the COVID-19 pandemic and the global economic uncertainty it has caused, and of Brexit and the end of the Brexit transition period. We have taken appropriate measures, as far as possible based on the information currently available to us, to safeguard the current and future operations of the charity.

In making this assessment we have prepared revised forecasts, cashflows and our disaster planning includes due consideration of coronavirus contingency measures.

All projected cashflows, management accounts and other information and assumptions used in reaching this conclusion have been made available to you for the purposes of your assignment. We confirm that our plans for future actions required to enable the charity to continue as a going concern are feasible.

There are no material uncertainties of which we are aware that cast doubt on the charity's ability to continue as a going concern.

We are of the opinion that the disclosure on going concern in both the trustees' report and the financial statements is an accurate reflection of the charity's financial position.

Current economic climate – COVID-19 and Brexit

We confirm that we are aware of our responsibility as trustees to consider, as far as possible with the information currently available to us, the full impact of the COVID-19 pandemic and its effect on the global economic climate (together 'COVID-19') and Brexit and the end of the transition period (together 'Brexit'), on all aspects of the charity's financial and narrative reporting.

We confirm that all representations made in this letter include due consideration of these factors. In particular this includes, but is not limited to, the following:

- Appropriate disclosure has been included in the charity's narrative reporting regarding the impact of COVID-19 and Brexit on the charity's performance during the period, our assessment of principal risks and uncertainties and the future activity of the charity;
- We acknowledge our responsibility in the preparation of the financial statements for making appropriate judgments, estimates and assumptions. We have informed you of the judgements

and estimates, including those related to COVID-19 and Brexit, that have had the most significant impact on the financial statements;

- The financial statements reflect the conditions which existed at the reporting date,
 - to the extent that the spread of COVID-19 was known and government measures were announced, together with its impact on the local and global economic climate; and
 - to the extent that arrangements and agreements had been announced in respect of the UK leaving the European Union.

The effect of material non-adjusting events subsequent to the reporting date has been disclosed in the financial statements;

- We have reassessed the value of the charity's investments in light of COVID-19 and Brexit. We confirm that they have not declined in value to an amount less than the carrying value at the reporting date;
- We have considered whether the charity's tangible fixed assets have been impaired due to COVID-19 and Brexit. We have also considered whether our estimate of useful economic lives remains appropriate. Our consideration has included a review of the current market value of those assets and their future economic performance;
- At the reporting date, any additional liabilities arising as a result of COVID-19 and Brexit have been recognised. We have specifically considered whether any additional provision is required in respect of:
 - Doubtful debts;
 - Onerous leases and contracts;
 - Redundancy payments.

Approval of Financial Statements

We confirm that the above representations are made on the basis of enquiries of management and staff with relevant knowledge and experience and, where appropriate, of inspection of supporting documentation sufficient to satisfy ourselves that we can properly make each of the above representations to you.

The financial statements and the contents of this letter were formally approved by the board at a meeting held on the date shown below.

Yours faithfully

Trustee MICHAEL BATEY

for and on behalf of the Board of Trustees
