This is 'to promote any charitable purpose for the benefit of disadvantaged groups including migrants, refugees and asylum seekers by the advancement of education, the protection of health and the relief of poverty, sickness and distress'.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. COVID-19 STATEMENT

The impact of COVID-19 has had an effect both nationally and in the charitable sector. Embrace UK adapted speedily to adhere to the Government Regulations and Guidelines in this respect. This included updating our work procedures providing comprehensive staff training and ensuring that all members of staff, service users, and visitors to our organization were provided with adequate Personal Protective Equipment (PPE).

Additionally, we have worked closely with our care workers who work directly with vulnerable people to make sure that they take COVID 19 vaccination which we were successful in achieving this. The charity provides robust Infection Control Training to all staff so they can protect themselves and the public

We continue to strive to secure funding whilst monitoring our operational cost to provide our services to the public in this current climate.

VOLUNTEERS

The charity relies on the contribution of volunteers made to each of its projects. The charity manages around 15 volunteers. They are attached to individual projects managed by the charity. Most volunteers contribute to the Sexual Health Project particularly designed for people living in the London Borough of Haringey. They contribute widely to primary prevention outreach programmes.

Some also contribute to the other projects, administration and reception work. All volunteers assigned to work with Home Care Service with regard to Management and Administration have undergone through Disclosure and Barring Service (DBS) and have clearance certificate. The amount of hours they contribute is equivalent to 2 full time workers. The charity gives induction, full training and support and supervision to all its volunteers. They are managed by project co-ordinators that they are attached to. They also benefit from different projects managed by the charity and use the service as any other service users.

All volunteers are University students, college students, unemployed people, single mothers, single fathers and older migrants including people living with HIV. The charity is happy to provide reference to volunteers at the time of securing paid employment elsewhere and/or joining education institutions and as the need arises. In addition to this, Certificate of Appreciation for their contribution is also to be provided. We also provide Placement for University students that we work closely with such as London Metropolitan University.

WORKING PARTNERS

The charity works closely with different charitable organisations, community based organisations, education institutions and statutory and government department for the purpose of service delivery and influence policy on national and local basis. Some of the organisations

STRUCTURE AND GOVERNANCE

The charity appoints Directors in its Annual General Meeting held every year. The appointed Directors have job descriptions and induction and training is provided to them in order to help them understand about the charity and its decision making process.

Policies and procedures are adopted and included in the trustee induction pack. These include, Equal Opportunities Policy, Confidentiality Policy, Conflict of Interest Policy and Procedure, Financial Policy and Procedure, Appraisal and Supervision policy, Training and Development Policy and Risk assessment and Management Policy. Trustees meet 4 times a year [once every quarter].

Trustees delegate day-to-day responsibility to implement operational and strategic plans to the Executive Director.

The charity manages its exposure to unanticipated changes in funding and other risks through its risk management process. This involves identifying the types of risks the charity faces, prioritising them in terms of potential impact and likelihood of occurrence and identifying means of mitigating the risks.

Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charity.

The trustees actively review the major financial risks faced by the charity. They have also examined other operational and business risks faced by the charity. Systems have been established to mitigate risks.

RESERVES

Trustees have a contingency plan in place in recognition of the need for the charity to have sufficient reserves to cover for any unanticipated future losses or funding shortfalls. The trustees aim to increase the level of unrestricted reserves to provide a buffer against any possible reduction in funding or similar problems like the above.

APPROVAL

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

This report was approved by the board on 17 October 2023 and signed on their behalf.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by Companies Act 2006

- the information given in the trustees' report, which includes the directors' report prepared for company law purposes, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

(Continued)

Matters on which we are required to report by exception (continued)

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Trustees report and from the requirement to prepare a strategic report.

Responsibilities of the trustees

As explained more fully in the trustees responsibilities statement set out on page 4, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Understanding the legal and regulatory framework applicable to the entity and how the entity is complying with that framework;
- Laws and regulations identified as being of significance in the context of the entity;
- Assessment of the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur;
- Our assessment taking into account the scope and nature of the entity's activities in the effectiveness of its control environment and compliance with the laws and regulations.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

EMBRACE UK COMMUNITY SUPPORT CENTRE
(A company limited by guarantee)
Notes to the accounts for the year ended 31 March 2023

1) Accounting Policies

(a) Basis of preparation

These financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (2019)-(Charities SORP (FRS102)), the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS102), and the Companies Act 2006.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transition value unless otherwise stated in the relevant accounting policy note(s)

The financial statements have been prepared on a going concern basis. In arriving at this conclusion the trustees have taken into account any material uncertainties that may affect the charity's ability to continue as a going concern. The period covered by this assessment is at a minimum level of 12 months from the date of the approval of the accounts.

(b) Incoming resources

Voluntary income including donations, gifts and grants that provide core funding or are of a general nature are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Investment income is recognised on a receivable basis.

Income from charitable activities includes income received under contract or where entitlement to grant funding is subject to specific performance conditions is recognised as earned (as the related goods or services are provided). Grant income included in this category provides funding to support performance activities and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

(c) Resources expended

Resources expended are included in the Statement of Financial Activities on the accruals basis inclusive of VAT which cannot be recovered. Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

(d) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life as follows:

Fixtures, fittings and equipment - 25% on cost

(e) Funds structure

The charity has a number of restricted income funds to account for situations where a donor requires that a donation must be spent on a particular purpose or where funds have been raised for a specific purpose.

All other funds are unrestricted funds.

(f) Pensions

The charity operates a defined contribution scheme.

Contributions to the scheme are based on applicable pension costs in the organisation taken as a whole. The pension charge recorded in the accounts is the amount of contributions payable in the accounting year.

(A company limited by guarantee)
Notes to the Accounts for the year ended 31 March 2023

(f) Pensions (Contd)

The organisation also participates in a multi-employer defined benefit pension scheme. Details to this are in note 15 and the annexe to the accounts.

(g) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(h) Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments in deposits or similar accounts.

(i) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
