The Association has informal agreements in place with the school to meet certain recurring expenditures, for example:

- To pay a contribution towards the school / parent text messaging service;
- To pay for transportation for pupils to attend sporting or music events; and
- To pay for skills activities such as bike ability and recorders.

In addition, the Association is approached by the school for funding for specific one-off projects. These are debated and approved by the Committee.

As with any Parent Teacher Association, the Hagley Primary School PTA is only able to function due to the participation and contribution of its volunteer members.

Summary of the main achievements of the charity during the year

During the 2022– 2023 academic year, the Association operated a significant number of successful fundraising events, such as:

- Football sports event
- Pupils break the rule day
- Smarties earn money for jobs done
- Christmas market
- Pupil designed Christmas cards and Tea Towels;
- New and Used Uniform sales;
- Bag to School.
- Tuck shops
- A school lottery
- Pupil 5K your way sponsorship event
- Pupil disco and entertainer
- Circus summer event

In conducting these events, the Association was able to raise funds of over £27000 (income from events, less cost of running those events).

A total of £7600 was spent on regular school requirements such as the following:

- Text Messaging service (contribution);
- Contribution to pupil Recorder lessons;
- Bike Ability;
- Class Christmas Gifts and Christmas Trees;
- Young voices coaches
- Year 6 end of year books

In addition, the PTA donated one off amounts to the school to fund various items in the school this included our biggest projects for this year, brand-new playground markings and a much-needed set of I pads.

Funding for a sensory area to help those with particular needs and another contribution towards equipment to further finish off reception area. In addition, we also funded a new set of reception nativity costumes in December 2022.

Expenses incurred by the Association in its operation are tightly controlled and totalled £859.55 for PTA UK membership and event insurance and necessary event licenses.

Expenses this year have also included the purchase of a first aid kit which so far has been used at our footballing event as well as the Christmas market and Circus.

In total, the Association realised a net surplus for the period of approximately (difference between raised and spent) and this amount has been added to reserves.

As at 31 August 2023, the Unrestricted funds totals £27500 of which approximately £8000 is committed to ongoing regular school requirements for the 2023/ 2024 academic year. It is currently undetermined what the remainder of the unallocated Unrestricted funds will be used to contribute to.

Section D

Achievements and performance

This year we have been able to get bigger events such as the Christmas market and the circus running again as 2022/2023 was a still a restricted year due to the global pandemic. We were able to make full use of volunteers at every event such as the discos and circus. These events add significantly to our funds and we are happy to have them back on our annual calendar of events.

This year we have raised just over £27000. This is an amazing amount especially considering we have had no adult nights (the quiz and curry was postponed until this academic year)

This total includes the Tea towel total which has still not been paid as there are new orders going onto the invoice so this amount is based on the invoice already received and the amount that has been received from payments. The totals for used uniform and tuck shop is not the complete total for these as these are also included in Christmas market and circus totals. (tuck also included in Disco totals)

The remaining balance should cover annual commitments for the next two years with a surplus that can be allocated to school projects.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
 have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Summary of the main achievements of the charity during the year

In addition, the PTA donated one off amounts to the school to fund various items in the school this included our biggest project to date, a brand-new outdoor Play zone situated on the school field.

Funding for books to help those with particular reading needs and another contribution towards equipment in the new reception area. In addition, we also funded a pantomime for year 6 children to watch when their residential trip was postponed in December 2021.

Expenses incurred by the Association in its operation are tightly controlled and totalled £??? for PTA UK membership and event insurance and necessary event licenses. In addition, this year we invested in a much-needed container on the school site which has allowed safe and clean storage of equipment, used uniform and stock supplies for tuck sales as well as much more keeping it all in excellent condition. This container was at a cost of £??? which also included the purchase of industrial shelving for health and safety of retrieving items we need for various events. Since we have had the container we were able to purchase clothes rails for the used uniform sales, making these a much more streamline situation.

Expenses this year have also included the purchase of a gazebo

and extension leads which so far has been used at our footballing event as well as the Christmas market.

In total, the Association realised a net surplus for the period of approximately (difference between raised and spent) and this amount has been added to reserves.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the Association is to advance the education of pupils in Hagley Primary School ('the school') by:

- Developing effective relationships between the staff, parents and others associated with the school;
- Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities of the Association are:

- To raise funds for donation to the school through sponsored events and fun activities for the pupils;
- To raise funds for donation to the school through events for the parents; and
- To support the school in key activities and initiatives for the advancement of education of the pupils.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Association has informal agreements in place with the school to meet certain recurring expenditures, for example:

- To pay a contribution towards the school / parent text messaging service;
- To pay for transportation for pupils to attend sporting or music events; and
- To pay for skills activities such as bike ability and recorders.

In addition, the Association is approached by the school for funding for specific one-off projects. These are debated and approved by the Committee.

As with any Parent Teacher Association, the Hagley Primary School PTA is only able to function due to the participation and contribution of its volunteer members.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During the 2020 – 2021 academic year, the Association operated a significant number of successful fundraising events, such as:

- An auction;
- Pupil designed Christmas Cards;
- Online Parties;
- Smartie Tube Chores collection
- Pupil designed Tea Towels;
- Uniform sales;
- Bag to School.
- Spring Raffle
- A new school lottery
- Summer Funday and Bounce
- Light up the Christmas Tree

In conducting these events, the Association was able to raise funds of over £13002 (income from events, less cost of running those events).

A total of £3,426 was spent on regular school requirements such as the following:

- Text Messaging service (contribution);
- Contribution to pupil Recorder lessons;
- Bike Ability;
- Class Christmas Gifts and Christmas Trees;

In addition, the PTA donated one off amounts to the school to fund various items in the school this included a mural on the outside of school, funding for books to help those with particular reading needs and a new reception playground. In addition we also funded a virtual pantomime for all children to watch whether in school or isolating at home.

Expenses incurred by the Association in its operation are tightly controlled and totalled £647 for PTA UK membership and event insurance and necessary event licenses. In addition this year we bought a new PTA banner to help support events.

In total, the Association realised a net surplus for the period of approximately £13000 and this amount has been added to reserves.

As at 31 August 2021, the Unrestricted funds totals £29,538 of which approximately £8,500 is committed to ongoing regular school requirements for the 2021/ 2022 academic year. It is currently undetermined what the remainder of the unallocated Unrestricted funds will be used to contribute to.

Clearly 2020/2021 was another difficult year for raising funds for the school and saw a similar amount to the prior year, which is a reduction on previous years. This is of course in part due to the global pandemic and the inability to run all of our events such as the regular favourites of the Christmas and Summer fayres, not to mention the parents events such as the annual quiz.

These events add significantly to our funds and we look forward to a time when we can add these back into our annual calendar of events.

Brief statement of the charity's policy on reserves

All of the funds of the Association are held in cash current accounts on the basis that they are held for donation to the school in the short term.

Details of any funds materially in deficit

None

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
 have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
