TEDDIES FOR LOVING CARE ESSEX (TLC ESSEX)

REPORT OF THE TRUSTEES

The trustees present their report together with the financial statements of the charity for the year ended 30th September 2024. The financial statements have been prepared in accordance with the accounting policies set out on page 7 and comply with the charity's trust deed and applicable law.

Constitution and Charitable Objects

Teddies for Loving Care was formed as a verbal trust on the 1st of October 2000 and constituted by a formal charitable trust deed on the 19th February 2001. The trust was registered as a charity by the Charity Commission on 30th July 2001. The full name of the charity is 'Teddies for Loving Care (TLC Essex)' with 'TLC Essex' being its working name.

Trustees

The trustees of the charity during the period covered by these financial statements are set out on page 1.

New trustees have their legal obligations under charity law explained to them and are provided with a copy of the governing document and introduced to their fellow trustees. All trustees are encouraged to attend appropriate external training events to prepare them to undertake their role.

Development and Organisation of the Charity

The charity commenced its activities following consultation with Accident & Emergency units.

A visit to hospital can be extremely distressing for a young child and often that distress extends to their parents or guardians. In many cases offering the appropriate treatment is difficult due to the child's distress.

The simple idea of enabling Accident & Emergency Dept. staff to improve the quality of their care and the friendliness of their environment by enabling them to offer severely distressed children a soft teddy bear was endorsed by the medical staff and the parents or guardians of those children. Medical Staff also use them to show a child, through play, what procedures they need to perform. This involves performing the procedure on Teddy first.

The charity's fundraising activities began in October 2000 with the intention of raising funds from Freemasons in Essex in order to provide a sufficient number of teddy bears, other cuddly toys or other equipment to the NHS hospitals in Essex. The trustees formed a Fundraising & Hospital Liaison Committee of Essex Freemasons, and the fundraising progressed so well that the charity was able to launch the teddy bears at Paediatric A&E Units (also known as Children's Emergency Units) across Essex on 12th March 2001. The eight NHS hospitals located within Essex (all of whom use TLC Teddies) are Whipps Cross Hospital (Leytonstone), King George's Hospital (Redbridge), Queen's Hospital (Havering), Princess Alexandra Hospital (Harlow), Basildon Hospital, Broomfield Hospital (Chelmsford), Southend Hospital and Colchester Hospital.

Since 2001 the charity has extended its activities to also supply five NHS Walk-in Centres in Essex at Clacton Colchester, Harold Wood, Harwich and Orsett.

Since its launch TLC Teddies are now also supplied by local Freemasons to hospitals in every County in England & Wales as well as by local Freemasons in several countries abroad (currently Ireland, New Zealand, Fiji, Hong Kong, Cyprus, Malta, Gibraltar, Spain and The Netherlands).

Since the charity started over 500,000 children in Essex have had the stress of visiting A&E Units and receiving treatment relieved by receiving a "Teddies for Loving Care" (TLC) teddy bear, which they keep following their visit to hospital.

The reaction to this simple idea from the recipients, their parents and guardians, the medical staff at hospitals, and anyone who has experienced the fear of a child at an accident and emergency unit is nothing but praise for this simple but appropriate way of relieving distress and suffering.

The trustees would like to thank the TLC Essex Committee and all the volunteers who have helped the appeal, who through their ceaseless effort in their own time and at their own expense, have ensured that the charity was successful.

We would also like to thank all the hospitals involved for their co-operation and the compliments that they have given to us.

Most important of all, the trustees would like to thank all of those who have donated to the fund.

TEDDIES FOR LOVING CARE ESSEX (TLC ESSEX)

REPORT OF THE TRUSTEES (Continued)

Financial Review and Investment Policy

The statement of financial activities for the year shows incoming resources amounted to just over £69,000 significantly more than the previous year's £37,000.

Of this income and existing reserves, almost £35,303 was utilised in purchasing teddies for use by Paediatric A&E Departments.

No expenses were incurred in the running or management of the charity, all these costs being borne by the trustees or the members of the committee personally in addition to volunteering a significant part of their time. For that effort, the trustees are extremely grateful

At the end of the year there is a fund balance of £110,480 which will be used for the purchase of further soft toys and other items to achieve the objects of the charity in the future.

This balance of funds will enable the charity to continue its activity for almost a further 3 years after the end of the financial period to 30th September 2024. The trustees wish the charity to continue its activities at the same level for a significantly longer period and therefore encourage all Freemasons to continue to donate to the appeal.

Reserves Policy

The trustees have considered their policy on reserves for the charity. The charity's income is dependent, almost entirely, upon donations from Freemasons. Donations, by nature, will fluctuate so, in order to ensure that the charity's activities are not affected by such fluctuation in donations, the trustees have decided to maintain a level of reserves equivalent to approximately two years expenditure on charitable activities. In current terms this would amount to approximately £70,000 based on recent history.

The current reserves of the charity are 58% over that level.

Risk Management

The trustees have examined and considered the major strategic and operational risks that the charity faces. Steps are taken to ensure that all items donated via hospital A&E Units meet current regulatory and safety standards.

As the charity is entirely dependent upon the assistance of volunteers, the trustees continue to recruit new volunteers in order to ensure we are able to maintain the activities of the charity.

These risks are reviewed regularly by the trustees in order that any steps necessary to be taken are taken in adequate time.

On behalf of the Trustees:

.....

Dated: 29th 25

TEDDIES FOR LOVING CARE ESSEX (TLC ESSEX)
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
TEDDIES FOR LOVING CARE TRUST

I report on the accounts of the trust for the year ended 30 September 2024, which are set out on pages 5 to 7.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent Examiner's Statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

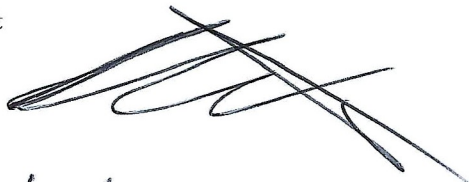

(a) which gives me reasonable cause to believe that in any material respect the requirements:

- (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
- (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;

have not been met or

(b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TEDDIES FOR LOVING CARE ESSEX (TLC ESSEX)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2024

1. Accounting Policies

1.1. Charity Information

Teddies for Loving Care is constituted by a formal charitable trust deed on the 19th February 2001.

1.2 Accounting Convention

The accounts have been prepared in accordance with the Charities Act 2011 and “Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)” (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going Concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.4 Charitable Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.5 Income

Donations and gifts are included in the financial statements when receivable.

1.6 Expenditure

Resources expended are accounted for on an accrual's basis including irrecoverable Value Added Tax and included expenditure where there is a constructive or legal obligation to pay. Charitable expenditure comprises expenses incurred on the defined charitable purposes of the Institution. Each category included direct expenses. The Charity has no staff, support or governance costs.

1.7 Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

1.8 Financial Instruments

The charity has elected to apply the provisions of Section 11 ‘Basic Financial Instruments’ and Section 12 ‘Other Financial Instruments Issues’ of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

TEDDIES FOR LOVING CARE ESSEX (TLC ESSEX)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

1 Accounting policies (continued)

1.8 Financial Instruments (continued)

Basic Financial Assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic Financial Liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical Accounting Estimates and Judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Staff Costs and Trustees' Remuneration

The charity did not employ any staff during the year and no trustee received any remuneration and were not reimbursed for any of their expenses in the year.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

The trustees present their report together with the financial statements of the charity for the year ended 30th September 2023. The financial statements have been prepared in accordance with the accounting policies set out on page 7 and comply with the charities trust deed and applicable law.

Constitution and objects

Teddies for Loving Care was formed as a verbal trust on the 1st of October 2000 and constituted by a formal charitable trust deed on the 19 February 2001. The trust was registered as a charity by the Charity Commission on 30 July 2001.

Trustees

The trustees of the charity during the period covered by these financial statements are set out on page 1.

New trustees have their legal obligations under charity law explained to them and are provided with a copy of the governing document and introduced to their fellow trustees. All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Development and organisation of the charity

The charity commenced its activities following consultation with accident and emergency units.

A visit to hospital can be extremely distressing for a young child and often, that distress extends to their parents or guardians. In many cases offering the appropriate treatment is difficult due to the child's distress.

The simple idea of enabling accident and emergency unit staff to improve the quality of their care and the friendliness of their environment by being able to offer severely distressed children a soft teddy bear or other cuddly toy was endorsed by those dealing with those severely distressed children and their parents or guardians.

The charities activities began at the beginning of October 2000 with the objective of raising funds from Freemasons in Essex in order to provide a sufficient number of teddy bears, other cuddly toys or, other equipment to hospitals serving the Province of Essex. The trustees formed a fundraising and hospital liaison committee from Essex Freemasons. Fundraising progressed so well that the charity was able to launch the teddy bears at A & E Units across Essex in the early part of March 2001.

Since that launch, activities have been replicated into many other areas in England and overseas, with activities in some being operated by local voluntary groups, and these will continue to develop in 2023/24.

Around 14,000 children have had the stress of visiting A & E Units and receiving treatment relieved by receiving a "Teddies for Loving Care" teddy bear, which they keep following their visit to hospital.

The reaction to this simple idea from the recipients, their parents and guardians, the medical staff at hospitals, and anyone who has experienced the fear of a child at an accident and emergency unit is nothing but praise for this simple but appropriate way of relieving distress and suffering.

The trustees would like to thank all of the volunteers who have helped the appeal, who through their ceaseless effort in their own time and at their own expense have ensured that the charity was successful.

We would also like to thank all of the hospitals involved for their co-operation and the compliments that they have given to us.

Most important of all, the trustees would like to thank all of those who have donated to the fund.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

Financial review and investment policy

The statement of financial activities for the year shows incoming resources amounted to just over £21,000 more than the previous year. During this accounting period the trustees were able to undertake meetings, therefore the fund-raising activities could resume to pre Covid 19 levels. The trustees continue to recognise the generosity of freemasons through the Corona virus crisis.

Of this income and existing reserves, almost £30,996 was utilised in purchasing teddies for use by A & E Units.

No expenses were incurred in the running or management of the charity, all of these costs being borne by the trustees or the members of the committee personally in addition to volunteering a significant part of their time. For that effort, the trustees are extremely grateful.

At the end of the year there is a fund balance of £77,221 which will be used for the purchase of further soft toys and other items to achieve the objects of the charity in the future.

This balance of funds will enable the charity to continue its activity for almost a further 2 years after the end of the financial period to 30th September 2023. The trustees wish the charity to continue its activities at the same level for a significantly longer period of time and therefore encourage all Freemasons to continue to donate to the appeal.

Reserves policy

The trustees have considered their policy on reserves for the charity. The charity's income is dependent upon donations from Freemasons. Donations, by nature, will fluctuate. In order to ensure that the charities activities are not affected by any fluctuation in donations, the trustees have decided to maintain a level of reserves equivalent to approximately two years expenditure on charitable activities. In current terms this would amount to approximately £62,000 based on recent history.

The current reserves of the charity are 25% over that level.

Risk management

The trustees have examined and considered the major strategic and operational risks that the charity faces. Steps are taken to ensure that all items donated via hospital A & E Units meet current regulatory and safety standards.

In view of the fact that the charity is entirely dependent upon the assistance of volunteers, trustees continue to recruit new volunteers in order to ensure that a continuous flow is available to maintain the activities of the charity.

These risks are reviewed regularly by the trustees in order that any steps necessary to be taken are taken in adequate time.

On behalf of the Trustees:

.....

Dated: 7 MARCH 2024.....

TEDDIES FOR LOVING CARE

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
TEDDIES FOR LOVING CARE TRUST**

I report on the accounts of the trust for the year ended 30 September 2023, which are set out on pages 5 to 7.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;

have not been met or

- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TEDDIES FOR LOVING CARE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1. Accounting policies

1.1. Charity information

Teddies for Loving Care is constituted by a formal charitable trust deed on the 19 February 2001.

1.2 Accounting convention

The accounts have been prepared in accordance with the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.5 Income

Donations and gifts are included in the financial statements when receivable.

1.6 Expenditure

Resources expended are accounted for on an accrual's basis including irrecoverable Value Added Tax and included expenditure where there is a constructive or legal obligation to pay. Charitable expenditure comprises expenses incurred on the defined charitable purposes of the Institution. Each category included direct expenses. The Charity has no staff, support or governance costs.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

TEDDIES FOR LOVING CARE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2023

1 Accounting policies (continued)

1.8 Financial Instruments (continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Staff costs and trustees' remuneration

The charity did not employ any staff during the year and no trustee received any remuneration and were not reimbursed for any of their expenses in the year.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

The trustees present their report together with the financial statements of the charity for the year ended 30th September 2023. The financial statements have been prepared in accordance with the accounting policies set out on page 7 and comply with the charities trust deed and applicable law.

Constitution and objects

Teddies for Loving Care was formed as a verbal trust on the 1st of October 2000 and constituted by a formal charitable trust deed on the 19 February 2001. The trust was registered as a charity by the Charity Commission on 30 July 2001.

Trustees

The trustees of the charity during the period covered by these financial statements are set out on page 1.

New trustees have their legal obligations under charity law explained to them and are provided with a copy of the governing document and introduced to their fellow trustees. All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Development and organisation of the charity

The charity commenced its activities following consultation with accident and emergency units.

A visit to hospital can be extremely distressing for a young child and often, that distress extends to their parents or guardians. In many cases offering the appropriate treatment is difficult due to the child's distress.

The simple idea of enabling accident and emergency unit staff to improve the quality of their care and the friendliness of their environment by being able to offer severely distressed children a soft teddy bear or other cuddly toy was endorsed by those dealing with those severely distressed children and their parents or guardians.

The charities activities began at the beginning of October 2000 with the objective of raising funds from Freemasons in Essex in order to provide a sufficient number of teddy bears, other cuddly toys or, other equipment to hospitals serving the Province of Essex. The trustees formed a fundraising and hospital liaison committee from Essex Freemasons. Fundraising progressed so well that the charity was able to launch the teddy bears at A & E Units across Essex in the early part of March 2001.

Since that launch, activities have been replicated into many other areas in England and overseas, with activities in some being operated by local voluntary groups, and these will continue to develop in 2023/24.

Around 14,000 children have had the stress of visiting A & E Units and receiving treatment relieved by receiving a "Teddies for Loving Care" teddy bear, which they keep following their visit to hospital.

The reaction to this simple idea from the recipients, their parents and guardians, the medical staff at hospitals, and anyone who has experienced the fear of a child at an accident and emergency unit is nothing but praise for this simple but appropriate way of relieving distress and suffering.

The trustees would like to thank all of the volunteers who have helped the appeal, who through their ceaseless effort in their own time and at their own expense have ensured that the charity was successful.

We would also like to thank all of the hospitals involved for their co-operation and the compliments that they have given to us.

Most important of all, the trustees would like to thank all of those who have donated to the fund.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

Financial review and investment policy

The statement of financial activities for the year shows incoming resources amounted to just over £21,000 more than the previous year. During this accounting period the trustees were able to undertake meetings, therefore the fund-raising activities could resume to pre Covid 19 levels. The trustees continue to recognise the generosity of freemasons through the Corona virus crisis.

Of this income and existing reserves, almost £30,996 was utilised in purchasing teddies for use by A & E Units.

No expenses were incurred in the running or management of the charity, all of these costs being borne by the trustees or the members of the committee personally in addition to volunteering a significant part of their time. For that effort, the trustees are extremely grateful.

At the end of the year there is a fund balance of £77,221 which will be used for the purchase of further soft toys and other items to achieve the objects of the charity in the future.

This balance of funds will enable the charity to continue its activity for almost a further 2 years after the end of the financial period to 30th September 2023. The trustees wish the charity to continue its activities at the same level for a significantly longer period of time and therefore encourage all Freemasons to continue to donate to the appeal.

Reserves policy

The trustees have considered their policy on reserves for the charity. The charity's income is dependent upon donations from Freemasons. Donations, by nature, will fluctuate. In order to ensure that the charities activities are not affected by any fluctuation in donations, the trustees have decided to maintain a level of reserves equivalent to approximately two years expenditure on charitable activities. In current terms this would amount to approximately £62,000 based on recent history.

The current reserves of the charity are 25% over that level.

Risk management

The trustees have examined and considered the major strategic and operational risks that the charity faces. Steps are taken to ensure that all items donated via hospital A & E Units meet current regulatory and safety standards.

In view of the fact that the charity is entirely dependent upon the assistance of volunteers, trustees continue to recruit new volunteers in order to ensure that a continuous flow is available to maintain the activities of the charity.

These risks are reviewed regularly by the trustees in order that any steps necessary to be taken are taken in adequate time.

On behalf of the Trustees:

.....

Dated: 7 MARCH 2024.....

TEDDIES FOR LOVING CARE

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
TEDDIES FOR LOVING CARE TRUST**

I report on the accounts of the trust for the year ended 30 September 2023, which are set out on pages 5 to 7.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;

have not been met or

- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

The trustees present their report together with the financial statements of the charity for the year ended 30 September 2021. The financial statements have been prepared in accordance with the accounting policies set out on page 7 and comply with the charities trust deed and applicable law.

Constitution and objects

Teddies for Loving Care was formed as a verbal trust on the 1st of October 2000 and constituted by a formal charitable trust deed on the 19 February 2001. The trust was registered as a charity by the Charity Commission on 30 July 2001.

The objects of the charity are to relieve the distress and suffering of patients, particularly children, attending or admitted to accident and emergency units at hospitals, or the associated emergency services, by providing such equipment, facilities and amenities which are not normally provided by the statutory authorities.

Trustees

The trustees of the charity during the period covered by these financial statements are set out on page 1.

New trustees have their legal obligations under charity law explained to them and are provided with a copy of the governing document and introduced to their fellow trustees. All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Development and organisation of the charity

The charity commenced its activities following consultation with accident and emergency units.

A visit to hospital can be extremely distressing for a young child and often, that distress extends to their parents or guardians. In many cases offering the appropriate treatment is difficult due to the child's distress.

The simple idea of enabling accident and emergency unit staff to improve the quality of their care and the friendliness of their environment by being able to offer severely distressed children a soft teddy bear or other cuddly toy was endorsed by those dealing with those severely distressed children and their parents or guardians.

The charities activities began at the beginning of October 2000 with the objective of raising funds from Freemasons in Essex in order to provide a sufficient number of teddy bears, other cuddly toys or, other equipment to hospitals serving the Province of Essex. The trustees formed a fundraising and hospital liaison committee from Essex Freemasons. Fundraising progressed so well that the charity was able to launch the teddy bears at A & E Units across Essex in the early part of March 2001.

Since that launch, activities have been replicated into many other areas in England and overseas, with activities in some being operated by local voluntary groups, and these will continue to develop in 2021/22.

Around 18,000 children have had the stress of visiting A & E Units and receiving treatment relieved by receiving a "Teddies for Loving Care" teddy bear, which they keep following their visit to hospital.

The reaction to this simple idea from the recipients, their parents and guardians, the medical staff at hospitals, and anyone who has experienced the fear of a child at an accident and emergency unit is nothing but praise for this simple but appropriate way of relieving distress and suffering.

The trustees would like to thank all of the volunteers who have helped the appeal, who through their ceaseless effort in their own time and at their own expense have ensured that the charity was successful.

We would also like to thank all of the hospitals involved for their co-operation and the compliments that they have given to us.

Most important of all, the trustees would like to thank all of those who have donated to the fund.

TEDDIES FOR LOVING CARE

REPORT OF THE TRUSTEES

Financial review and investment policy

The statement of financial activities for the year shows incoming resources amounted to just over £31,094 higher than the previous, this amount includes a significant "one off" donation of £21,465. It continues to recognise the generosity of freemasons through the Corona virus crisis.

Of this income and existing reserves, almost £24,754 was utilised in purchasing teddies and other toys for use by A & E Units.

No expenses were incurred in the running or management of the charity, all of these costs being borne by the trustees or the members of the committee personally in addition to volunteering a significant part of their time. For that effort, the trustees are extremely grateful.

At the end of the year there is a fund balance of £81,540 which will be used for the purchase of further soft toys and other items to achieve the objects of the charity in the future.

This balance of funds will enable the charity to continue its activity for almost a further 3 years after the end of the financial period to 30th September 2021. The trustees wish the charity to continue its activities at the same level for a significantly longer period of time and therefore encourage all Freemasons to continue to donate to the appeal.

The trustees are conscious of the short-term nature of the funding and the continuous cash flow. The trustees have an investment policy of ensuring that the relatively small sums of money held are invested to attain the best short-term rate of interest, which is negligible in the current environment.

Reserves policy

The trustees have considered their policy on reserves for the charity. The charity's income is dependent upon donations from Freemasons. Donations, by nature, will fluctuate. In order to ensure that the charities activities are not affected by any fluctuation in donations, the trustees have decided to maintain a level of reserves equivalent to approximately two years expenditure on charitable activities. In current terms this would amount to approximately £60,000 based on recent history.

The current reserves of the charity are 35% over that level.

Risk management

The trustees have examined and considered the major strategic and operational risks that the charity faces. Steps are taken to ensure that all items donated via hospital A & E Units meet current regulatory and safety standards.

In view of the fact that the charity is entirely dependent upon the assistance of volunteers, trustees continue to recruit new volunteers in order to ensure that a continuous flow is available to maintain the activities of the charity.

These risks are reviewed regularly by the trustees in order that any steps necessary to be taken are taken in adequate time.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF TEDDIES FOR LOVING CARE TRUST

I report on the accounts of the trust for the year ended 30 September 2021, which are set out on pages 5 to 7.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared accounts in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;

have not been met or

- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TEDDIES FOR LOVING CARE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2021

1. Accounting policies

1.1. Charity information

Teddies for Loving Care is constituted by a formal charitable trust deed on the 19 February 2001.

1.2 Accounting convention

The accounts have been prepared in accordance with the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.5 Income

Donations and gifts are included in the financial statements when receivable.

1.6 Expenditure

Resources expended are accounted for on an accrual's basis including irrecoverable Value Added Tax and included expenditure where there is a constructive or legal obligation to pay. Charitable expenditure comprises expenses incurred on the defined charitable purposes of the Institution. Each category included direct expenses. The Charity has no staff, support or governance costs.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

TEDDIES FOR LOVING CARE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 SEPTEMBER 2021

1 Accounting policies (continued)

1.8 Financial Instruments (continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

3 Staff costs and trustees' remuneration

The charity did not employ any staff during the year and no trustee received any remuneration and were not reimbursed for any of their expenses in the year.
