Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 19 November 1998 and registered as a charity on 30 July 2001. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

In the event of the company being wound up members are required to contribute £1.

Recruitment and Appointment

The directors of the company are also charity trustees for the purposes of charity law. The Trustees are elected for a twelve month period after which they can be considered for re-election at the next Annual General Meeting. Ladybridge Sports and Leisure Limited is governed by a Board of Trustees. The trustees along with the management committee are responsible for the strategic direction of the charity. The day to day responsibility and management of Ladybridge Sports and Leisure Limited rests with the management committee.

Mr SJ Hill, Mr A Waring, Mrs A Hardman , Mrs G Hill retired by rotation and, being eligible, offered themselves for re-election.

The management committee consists of an experienced team with a wealth of experience of dealing with children and young people. The skills include qualified youth workers, welfare and wellbeing, chartered quantity surveyor and former financial controller.

In the event of any particular skills being required due to retirements etc, individuals are approached to offer themselves for election to the management committee.

Risk Management

The management Committee has conducted a review of the major risks to which the charity is exposed.

A risk register has been established and is updated annually. Where appropriate, procedures have been established to mitigate the risks the charity faces. Procedures are in place to ensure compliance with health and safety of volunteers and visitors to the charity's facilities. All the charity's volunteers have been subjected to Criminal Records Bureau checks and the coaches have achieved the minimum level 1 standard Football Association coaching standard as well as an emergency first aid qualification.

Objectives and Activities

The company's objectives and principal activities are :

To develop the character and personality of children and young people by promoting their physical, moral and spiritual well-being.

To organise and provide or assist in organisation or provision of facilities for physical recreation in the interests of social welfare in any part of Lancashire.

To advance the education of children and young people residing in Lancashire by providing facilities and opportunities for playing football so as to promote and encourage the physical development of such children and young people.

To encourage children and young people to make full use of the charity's facilities.

The work of the charity inevitably focuses upon children and young people and therefore the Management Committee seeks to ensure that the child protection needs are appropriately reflected with the appointment of a qualified child welfare officer and all volunteers are subject to criminal records bureau approvals.

These main objectives and activities have been achieved throughout the year as a result of the strategies employed by the charity.

Increased numbers of qualified coaches and volunteers has led to an increase in participants.

More football coaching sessions have been provided especially our female members.

More senior members have become volunteer coaches.

Each year, the trustees review the objectives of the charity to ensure that they continue to reflect the aims of the company and to provide a public benefit. The trustees are more than satisfied that they do.

Achievements and Performance

The Charity has been fully operational in the community during the last twelve months

The Charity highlights include :-

Retained the FA Charter Standard Community Club status.
