Achievements and performance

Review of activities

With the world in the midst of the Covid 19 pandemic, the opportunity for travel into the different countries where CTMI operates was limited. This, however, did not affect the continued implementation of our vision. A strategy was set in place to hold Virtual Leaders conferences in the months of May and November headlined as BUILD ONE and BUILD TWO. The first conference was attended online by some 8,000 church leaders, whilst the second was viewed by more than 25,000 in over 45 countries across the world. The sessions were pre recorded into 19 different languages and then watched online in nominated viewing centres, churches and homes. Where access to internet data was limited, USB keys were distributed thus making the conference accessible to all.

During the month of September, CTMI also held its annual International Conference which has been viewed online by many thousands of people.

In conclusion, it can be said that all funds raised to help in the reaching of the objectives of CTMI.

Financial review

The charity recorded a deficit of £5,311 for the year (2020: deficit £18,117). At the year end there was a balance of £65,429 (2020: £70,740) in reserves to be carried forward, of which £6,288 was in Unrestricted funds and £59,141 was in Restricted funds.

Policy on reserves

The Trust does not accrue any liabilities or running costs and therefore does not require any financial reserves.

Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Statement of Responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The annual report was approved by the Trustees of the charity on 28 September 2022 and signed on its behalf by:
