## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Realife has benefited from expert leadership and guidance from our Finance and Office Manager, dealing with historical overspending and accruing a small operational surplus
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>Following recommendations by the accountants in 2006, Realife adopted a maximum 50% of annual turnover reserves policy and is working on a fundraising plan to achieve that by 2020. This commitment is secondary to our primary purpose to ensure that people who use our services come first and we will seek to make up deficits by additional contracting, fundraising and grant applications to meet changing needs.</p> <p>At present Realife has no reserves with legal freelance notice periods set by each specific contract or grant. Any surplus in the annual accounts is made up of restricted funding received in advance of services to be provided.</p>
Amount of reserves held	Para 1.22	Nil
Reasons for holding zero reserves	Para 1.22	Realife remains committed to building a solid reserves figure but is also focused on running sustainable, volunteer led projects that work on a break even basis and does not prioritise fund raising for general purposes
