### **TREASURERS REPORT 2022-2023**

Fundraising was down compared to the previous year mainly from corporate donations

Which would have gone to Clarks Farm so this had very little impact on our overall financial

Position and we finished the year with a net loss.

We were able to hold sponsored meeting and re meet and greet activities which swelled the coffers

We finished the year in a relatively strong position setting for the next financial year

As always we would like to thank Entain, Owners, Trainers and Members of the Public who

Support us financially to enable us to continue finding forever homes for the greyhounds

Retired from Crayford stadium

## CHAIR REPORT AGM 2021/2022

I can report that the FOCRG had a successful year. With the focus on raising funds for the charity to help the transition of Greyhounds from track to couch.

In August and December 2021 we were able to hold our sponsored race days over a Saturday mornings and evenings with great success.

We also held our Easter and Christmas Raffles which always prove to be successful.

In April 2022 we launched our 'Meet and Greet'. On the first Saturday every month we open a stall in the stadium selling all things relating to greyhounds and our success is partly due to having a greyhound or two meeting the general public. This has turned out to be very popular with the stadium customers and their children, when they can get up close to the hounds to pet them and ask lots of questions.

I would like to thank, on behalf of our charity, the support of Crayford Stadium and Entain, as without their cooperation we would not have achieved the continuing successes we have to date. Their financial contribution and commitment are of great benefit to the greyhounds and homing kennels.

The GRS scheme from the GBGB continues to ensure the greyhounds are successfully transitioned to retirement from their racing lives. To this end we continue to raise funds to assist our approved homing kennels.

I would like to take this opportunity to thank the FOCRG team who have been working tirelessly behind the scenes, to ensure we keep a raised profile both at the track and social media platforms.

Chair,

Richard Illingworth
