**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Charity Commission in its Charities and Public Benefit Guidance requires that there are two key principles to be met to show that an organisation's aims are for the public benefit. Firstly, there must be an identifiable benefit. Secondly, the benefit must be to the public or a section of the public.

The Trustees confirm that in setting the Charity's objectives and in planning its activities, they have had due regard to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives.

The Trustees are satisfied that the Charity has met the requirements of the public benefit guidance

The Main activities undertaken by the charity to further its charitable purpose for the public benefit are to provide grants and support charitable institutions in support of their charitable objects.

The above-mentioned gifted shares were subsequently sold at a value of £219,905 and the proceeds are included within the total of investment proceeds under section A2.

Grants and donations totalling £203,500 (2024: £197,000) were made during the year to charitable institutions for charitable objects.

You may choose to include additional information, where relevant about:
