### **Objectives and activities**

To advance the Christian religion through the proclamation of the Gospel of Jesus Christ in all its fullness. And to reach out in particular by means of Printed matter, revival meetings, Crusades and through audio & video materials containing inspiring messages.

- To comfort the suffering by offering counselling and spiritual help in times of despair.
- To bring healing to the broken hearted, giving them hope through prayer
- To raise Prayer Intercessors who pray and serve with compassion.

### **Performance**

The main area of the charitable activity continues with the dedicated mission of its divine vision towards proclamation of the Gospel of Jesus Christ.

Having regard to the guidance published by the Charity Commission, the Trustees continued to provide public benefit by seeking to advance the Christian religion in accordance with the vision. "Praying for the World" is the theme of the Jesus Calls Ministry, and this theme has set the tone for the Charity's work in 2022-23.

Our work on the ground continued, to offer 24\*7 prayer support, public worship, nurturing faith and reaching out in service to the local communities.

In the last year we have restarted the face-to-face community meetings while our online engagement with the community continues to grow. Weekly meeting are held on Facebook, Zoom and Google Meet apart from face-to-face meetings.

In-person attendance has started gaining momentum. During the year the Charity organized outreach programs in Oxford, Leicester and London. We continued to meet together in small groups for prayer.

Volunteer Prayer intercessors offered their services 24 hours a day pray over the phone. During the year our volunteers answered 8000 prayer calls from people across all walks of life.

A daily prayer service to registered donors celebrating birthdays/anniversaries continued during the year. The digital services offers individuals an option to receive daily promise verses and messages.

During this period our website received over 2000 visitors each month.  
Monthly digital magazine service started in 2017 now reaches over 12,000 people.

# **INDEPENDENT EXAMINER'S REPORT**

## **TO THE TRUSTEES OF JESUS CALLS EUROPE**

I report on the accounts of the Charity for the year ended 31<sup>st</sup> May 2023, which are set out on pages 7 to 12.

### **Respective responsibilities of trustees and examiner**

As the charity's trustees you are responsible for the preparation of the accounts; The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to examine the accounts under section 145 of the 2011 Act, to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and to state whether particular matters have come to my attention.

### **Basis of independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with my examination, no material matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **NOTES TO THE ACCOUNTS**

### **FOR THE YEAR ENDED 31<sup>st</sup> MAY 2023**

#### **1 Accounting policies**

##### **1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's [governing document], and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### **1.2 Going concern**

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

##### **1.3 Charitable funds**

Unrestricted income funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Restricted funds are subject to the spending restrictions imposed by the fund provider.

##### **1.4 Incoming resources**

Income is recognized when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

##### **1.5 Resources expended**

###### **Expenditure and Liabilities**

Liability recognition – Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

###### **Governance costs**

Includes costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

## 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

## 1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.
