Real Aid

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and independent examiners report of the charitable company for the year ended 31 July 2022.

Objectives and activities

Objects and aims

The basic objectives of the charity are to offer help and relief.

As set out in the memorandum & articles of association the objects of the charity are to advance education worldwide and for the public benefit to relieve persons and in particular children who are suffering sickness, need, hardship or distress anywhere in the world as a result of famine, drought, flood, war or any other calamity.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Use of volunteers

The trustees are incredibly grateful and thank all the volunteers that help in our shops and at the warehouse, they are a valuable part of our team and their hard work and commitment is very much appreciated. We would also thank the private and national companies, for the generous donations that has contributed this year to help Real Aid carry out its work.

Real Aid

Trustees' Report

Achievements and performance

The trustees are pleased to present the report for the financial year of 2021/2022, the trustees are incredibly grateful and thank all the volunteers that help in our shops and at the warehouse, they are a valuable part of our team, and their hard work and commitment is very much appreciated. We would also thank the general public, private and national companies, for the generous donations that has contributed this year to help Real Aid carry out its work, particularly local supermarkets in Bridlington.

The Trustees are delighted that despite the challenges of the previous year with the Covid 19 Pandemic, Real Aid has come through when the High Street is in a volatile situation. The trustee are extremely grateful to all our managers and volunteers their hard work and loyalty. Our shops are extremely important and integral part of Real Aid and we are please to report that business in the shops has been good and our loyal customers have returned resulting with a 50% increase in takings.

Foodbanks

Our foodbank in Bridlington is longstanding and been running since 2009. It is sad that it is still vital to so many, this year we have seen an increase of those families struggling to make ends meet not just with food but also basic commodities such as toiletries and warm clothing. We were once again also able to give Christmas Toys to all those with children on the foodbank thanks to a generous private donation and all our foodbank recipients received a christmas hamper. Real Aid is extremely grateful to all those members of the public and church groups who regularly donate food, toiletries and cash to help keep our foodbank well stocked.

We continue to work closely and supply our partners in several community groups in Hull and the East Riding enabling to reach many families in need, with food, fresh bread and hygiene products including:

The Boulevard Centre for schoolgirl Mums
Unity in the Community
Gyroscope
The Vulcan Training Centre
Kingfisher Homeless Cafe
The Hinge
Emmanuel Church Foodbank

Furniture re-use scheme

The furniture re-use scheme continues to be extremely popular with a 30% increase. Real Aid have supplied a wide variety of furniture including an increase in beds, cots and even coal and household packs to those in need across the East Riding County, especially the vulnerable and marginalise families as well as those fleeing domestic violence and the homeless, helping them to restart their lives and settle into a safe environment. It is sad that so many families are still struggling especially those with children. Many referrals are from the local authority, social services, and children's centres and at times from private individuals, we aim to provide help wherever possible.

We are delighted to have sponsored Hornsea Sporting Girls Under 13s football team enabling them to purchase new training kits and Bridlington Swimming Club to buy medals for their local gala. Our fundraisers have been very busy, and we were delighted to receive some large donations.

Overseas goods in kind

Due to new Brexit regulations, we have not been able to send our christmas shoeboxes overseas this year, our partners in the Netherlands are also experiencing distribution issues and it is hope that they can be resolve.

After a challenging couple of years and at a time when so many businesses and sadly a few charities have had to close the trustees are delighted that despite difficulties Real Aid is well placed to face the oncoming year and continue to support and help anyone who finds themselves in difficulties. The commitment and determination of our staff has not gone unnoticed by the Trustees and they would especially thank Abi and Lindsay for their leadership with steady takings and the good financial decisions taken from them the trustees feel positive that that the charity is in a reasonably good position to continue

Real Aid

Trustees' Report

helping all those in need of some extra support in the coming year.,

Financial review

During the period ended 31 July 2022, total funding received of £317,912 exceeded expenditure of £312,268. The excess of income over expenditure was £5,644.

At 31 July 2022 the net book value of fixed assets was £26,363 and movements in tangible fixed assets are shown in note 14 to the financial statements. The charity has general unrestricted funds in surplus of £46,972 and general restricted funds in surplus of £3,853.

Policy on reserves

It is the policy of the charity to maintain the net current assets, which are the free reserves of the charity, at a level which equates to approximately four months expenditure. This provides sufficient funds to cover the running costs, and management administration and support costs. However, due to the continuing difficulties over the past years this has not been possible, and we do not expect this to change or improve over the next year.

Principal funding sources

The principal source of funding remains shops and private donations.

Structure, governance and management

Nature of governing document

Real Aid is a company limited by guarantee governed by its Memorandum and Articles of Association dated July 2001. It is registered as a charity with the Charity Commission. Anyone over the age of 18 can become a member of Real Aid.

Recruitment and appointment of trustees

Trustees are nominated from the membership and serve for 2 years, although they can stand for re-election. The trustees also have the right to co-opt trustees when required.

All members are circulated with invitations to nominate trustees prior to the election advising them of the retiring trustees and requesting nominations. When co-opting trustees, the board has regard to the requirements of any specific skills needed.

Induction and training of trustees

Real Aid advises trustees to attend appropriate training provided by outside trainers. All trustees are required and encouraged to spend as much time as possible at the Headquarters, understanding the complexities of the work of Real Aid.

Organisational structure

The board of trustees meets at least three times a year, though often it meets informally at other times. The joint executive officers are appointed by the trustees to manage the day to day operations of the charity.

Real Aid

Trustees' Report

Relationships with related parties

Childslife International Netherlands

Real Aid continues to have a close relationship with the above organisation to distribute in Countries where Real Aid has no staff or distribution system. Our system of aid distribution is well documented, so we have exact details of who received aid and where exactly it was distributed. Likewise, our partner has similar methods which they use and submit reports to Real Aid. The use of partners allows us to reach far more people without additional costs.

Major risks and management of those risks

The three lockdowns due to Covid 19 has been difficult to our retail sector, however since the re-opening we have been extremely busy, overwhelmed with donations, humbled by the support the public have given to Real Aid, and we are delighted to have retained all our staff. It has certainly been a challenge, especially after some tough years, to have stability. The trustees thank all our shop managers and warehouse staff for their commitment and hard work in keeping the shops vibrant, interesting, and welcoming. With a loyal customer base they have managed to keep good footfall at a time when the high street and retail is struggling. With steady takings and the good financial decisions taken from our directors Abi and Lindsay, the trustees feel positive that the charity is in a reasonably good position to continue helping all those in need of some extra support in the coming year.

The charity has a Risk Management Strategy which comprises: -

1. Annual review
2. Ongoing assessment of risks
3. Implementation of strategies to limit risks

Reviews have highlighted several risks which are: -

1. Key staff personnel risk - which is ongoing
2. Theft and security in Real Aid charity shops - reviewed regularly
3. Overseas risks
4. Trustees
5. Drop in financial donations /retail takings

Key staff personnel risk

Mrs Abigail Killick and Mr Lindsay Killick are joint executive officers of the charity, the trustees have every confidence in the ability to move the charity forward in challenging times.

Theft and security in Real Aid charity shops

This risk has always been with Real Aid as whenever money is handled there are risks. Random purchases are made by outsiders on behalf of Real Aid from the charity shops to enable us to determine trust and honesty of volunteers. Other random checks are made and to date only 3 from a total of 45 shop volunteers have been asked to leave, and none in the last 5 years. An improvement in security with shop managers is ongoing and procedures have greatly improved the situation, we feel very lucky and honoured to have such loyal and hardworking volunteers.

Trustees

As our work and responsibilities have increased the trustees and management recognise the need to both increase the numbers of trustees and attract more from professional backgrounds.

Real Aid

Trustees' Report

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Credit risk

The charity's principal financial assets are bank balances and cash, which the charity's risk is primarily attributable to. The charity has no significant concentration of credit risk, with exposure spread over a large number of customers.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance. Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

The annual report was approved by the trustees of the charity on 24 April 2023 and signed on its behalf by:

.....
Mr Jonathan Raine
Trustee

Disclosure of information to Independent Examiner

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant independent examination information and to establish that the charity's independent examiner is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the independent examiner is unaware.

Small Company Provisions

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Real Aid

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Real Aid for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 24 April 2023 and signed on its behalf by:

Mr Jonathan Raine
Trustee

Real Aid

Independent Examiner's Report to the trustees of Real Aid

I report on the accounts of Real Aid for the year ended 31 July 2022, which are set out on pages 9 to 20.

Responsibilities and Basis of Report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The company's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Chartered Institute of Management Accountants.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 July 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements on pages 9 to 21 were approved by the trustees, and authorised for issue on 24 April 2023 and signed on their behalf by:

Mr Jonathan Raine
Trustee

Real Aid

Notes to the Financial Statements for the Year Ended 31 July 2022

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation. The company is a private limited company registered in England and Wales.

The address of its registered office is:

Unit 4-6 Riverside Works
Hull Bridge Road
Tickton
East Yorkshire
HU17 9RT

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Real Aid meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements are presented in sterling and are rounded to the nearest pound.

Going concern

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The directors are confident that the measures put in place over the last year and measures still to put in place will improve the company's performance, liquidity and solvency position. Accordingly, the directors continue to adopt the going concern basis in preparing the financial statements.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Real Aid

Notes to the Financial Statements for the Year Ended 31 July 2022

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Gifts in kind

Gifts in kind are recognised in different ways dependent on how they are used by the charity:

- (i) Those donated for resale produce income when they are sold. They are valued at the amount actually realised.
- (ii) Those donated for onward transmission to beneficiaries are included in the Statement of Financial Activities as incoming resources and resources expended when they are distributed. They are valued at the amount the charity would have had to pay to acquire them.
- (iii) Those donated for use by the charity itself are included when receivable. They are valued at the amount the charity would have had to pay to acquire them.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Real Aid

Notes to the Financial Statements for the Year Ended 31 July 2022

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and equipment	Fully amortised
Motor vehicles	25% straight line

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
