KENYA ORPHANS FUND & UGANDA PROJECT

KOFUP

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MAY 2022

The trustees present their annual report and financial statements for the year ended 31 May 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice (amended for bulletin 1 & 2) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

KOFUP's objects are the relief of poverty, sickness and distress among children and young people living in Kenya and Uganda who are destitute and/or are orphaned by AIDS, by the provision of their basic needs, training and support.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The charity supports local community initiatives to provide for orphans and/or destitute children and young people in Kenya and Uganda. In the year 2021-2022 we supported twelve programmes, ten in Kenya and two in Uganda.

In May 2022, for the first time since 2019, because of the COVID pandemic, two trustees were able to visit Kenya (at their own expense). During the period of COVID restrictions, trustees had maintained constant contact with the projects via ZOOM, phone calls, "facetime" and email. In the course of this visit we were satisfied that the grants KOFUP has provided have been used most effectively and continue to make a measurable difference to the lives of many children. We are aware that, as more children are brought to the attention of the projects, the need for effective interventions is growing. The COVID pandemic created a huge increase in poverty as well as other issues affecting the health, safety and welfare of children, especially girls.

In Kenya:

- Our support for the Atemo community has expanded to include five secondary schools through the Atemo Community Education Initiative. KOFUP provides bursaries for orphaned and impoverished students (510). The provision of sanitary pads (known as the "Mama Always Programme") continued to enhance opportunities for the girls, reducing absence rates, improving academic performance and enhancing confidence. We funded further empowerment and lifeskills workshops for the students, both male and female, facilitated by the Precious Tears Initiative. The aim is to improve life-chances, particularly for the girls, and to address the issues of gender-based violence, early marriage, early childbearing and the exploitation of girls as unpaid domestics or sex-workers.
- The Community of Pope John XXIII Association is an outreach project working with street-children in slums in and around Nairobi. KOFUP funds support their rehabilitation centre in Kahawa West. We contribute to pay school and college fees for those who will benefit. The COVID crisis resulted in a strict lockdown which impacted harshly on those living on the streets. KOFUP was funding rented accommodation for about 30 young street-dwellers until forbidden by the local authority.
- We continued to support the work of KUAP (Pandipieri) in providing for the needs of orphans and vulnerable children in the slums of Kisumu. Our funds pay school and college fees and provide other educational requirements, as well as supporting nutritional, medical and counselling needs.
- In a poor, rural area known as "Raroki" because of the rocky nature of the terrain, a community generated initiative called "Raroki Integrated Child and Community Development Programme" (RICCDEP) has built schools and a medical facility for the people of the area. RICCDEP provides nutrition support and care for the orphans in the community. KOFUP funds pay for school, college and university fees. As a result, many children attend secondary and further education, with several studying at university.

KENYA ORPHANS FUND & UGANDA PROJECT

KOFUP

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2022

- We have continued to fund the "Precious Tears Initiative" in Sidindi in Siaya County. This is a project to enhance the education, security and life-chances of teenage girls through a mentoring and empowerment programme. Its work is expanding, reaching girls in several secondary and primary schools. KOFUP funds are making possible workshops in these schools and the establishment of support networks for vulnerable young women.

We funded vocational skills training and business start-up packs for teenage mothers. In addition, in order to address male attitudes to the rights of girls, we have funded workshops for boys.

KOFUP funds also pay for school, college and university fees

- St Luke's Mini-Nursery provides nursery education to a large number of children living in the Manyatta slum in Kisumu in Western Kenya. Families in the slum can ill-afford to pay the cost of nursery education. St Luke's accepts children into the nursery even if the parents cannot provide necessities. Consequently, there is little money available to buy food. KOFUP's funds pay for a feeding programme for the children so they are assured of a decent meal in the day.
- St Christina's Elite Primary and Nursery School is situated in the lush countryside near the town of Kisii. It is a fee-paying school, but reserves places for poorer children who cannot afford to pay. KOFUP's funding makes up for the shortfall in fees and goes towards developing the facilities at the school.
- We have continued to develop our partnership with the John Wilson Foundation (JOWI). Through JOWI we reach 70 target households with orphaned/vulnerable children with activities in each of the following domains: Health, Education, Safety and Economic/Food Stability.
- We continued to support 100 children at St Peter's Catholic Primary School in Oyugis, with fees, food, and educational necessities. We also paid Secondary School fees for 6 children who had completed primary education.
- St Sylvester's Secondary School for Girls is situated in the remote and impoverished rural district of Rarieda. KOFUP pays boarding fees for 34 students. We also funded an empowerment workshop for the whole school.

In Uganda:

- The Kamwokya Christian Caring Community is a slum project providing healthcare and education for the many orphans and vulnerable children there. KOFUP funds pay school fees for a number of children who would otherwise be unable to access education. We also fund a counselling service and feeding programme for children who are HIV positive.
- We continue to provide bursaries to cover the school fees for destitute children who attend Miriam Duggan Primary School, which serves the Kamwokya slum

The KOFUP charity is managed by the trustees whose aim is to use 100% of donations for its charitable purposes. The trustees make regular donations to cover all management and administrative expenses.

We acknowledge with gratitude the immense support and generosity of those who are committed to contributing to KOFUP on a regular basis.

In twenty and a half years up to 31st May 2022, we have made grants totalling £1,438,600.

The charity's fund-raising activities consist of charity meals and art exhibitions organised by the trustees. The charity does not use the services of a professional fund-raiser and has not received any complaints.

KOFUP
TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MAY 2022**

Financial review

Reserves

The trustees' policy is to maintain an income reserve of at least £5000, both to provide for emergency relief and to enable continued funding of projects for a period of a few months, in the event of a decline in donation income. This would allow time to redress any income reduction through fundraising activities.

The projects funded by KOFUP are not primarily capital in nature, and require an ongoing commitment to meet the cost of providing basic welfare needs on a regular basis. Grants by KOFUP are paid at varying intervals throughout the year.

As at 31st May 2022, unrestricted reserves totaled £2,464,330 (2021: £2,919,149).

Grant-making

The trustees aim to provide regular grants to help fund the basic welfare requirements of orphaned and/ or destitute children and young people in Kenya and Uganda. Grants may also be paid for emergency relief as well as capital projects which provide or enhance welfare facilities.

Investments selection

The charity's income reserves are held primarily within various stock investments managed by Nucleus Financial Services. Additionally the charities income is held on an interest-bearing account with CafBank Limited, to ensure that funds are readily available for making grants.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is controlled by its governing document, a deed of trust dated 27 October 2001 and constitutes an unincorporated charity.

The trustees who served during the year and up to the date of signature of the financial statements were:

PB White
B Bennett
O Moore
CM O'Keefe
SM Fox
T Severwright
WO Owuor

The entitlement to appoint trustees is vested solely in the existing trustees. New trustees are appointed by a resolution of the existing trustees, passed at a special meeting.

The trustees' report was approved by the Board of Trustees.

KENYA ORPHANS FUND & UGANDA PROJECT
KOFUP
STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 MAY 2022

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

KENYA ORPHANS FUND & UGANDA PROJECT
KOFUP
INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF KENYA ORPHANS FUND & UGANDA PROJECT

I report to the trustees on my examination of the financial statements of Kenya Orphans Fund & Uganda Project (the charity) for the year ended 31 May 2022 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

KENYA ORPHANS FUND & UGANDA PROJECT
KOFUP
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MAY 2022

1 Accounting policies

Charity information

Kenya Orphans Fund & Uganda Project is an unincorporated charity.

1.1 Accounting convention

The financial statements have been prepared in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition)' and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition)' rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

**KENYA ORPHANS FUND & UGANDA PROJECT
KOFUP
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MAY 2022**

1 Accounting policies

(Continued)

1.5 Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category.

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs are the costs associated with governance arrangements of the charity. These costs are associated with constitutional and statutory requirements.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, and deposits held at call with banks.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

KOFUP
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 31 MAY 2022

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
