## **Structure, governance and management**

### **Organisational Structure**

The Cancer Support Centre - Sutton Coldfield is a charitable company limited by guarantee and governed by its Memorandum and Articles of Association dated 21 April 2001 as amended by special resolution 29 November 2001.

The Trustees confirm that the Annual Report and Financial Statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2015)

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### **Major Risks and Management of those risks**

Our approach to risk is prudent and we assess and manage risks both at an operational and strategic level. We assess any new risks arising each month at Trustees meeting and undertake a full board review and reassessment of all risks every six months. Our current major risk involves our ability to fund the service we offer.

### **Objectives and activities**

#### **Objects and aims**

The Cancer Support Centre - Sutton Coldfield offers help and support to adults with a Cancer diagnosis, no matter the prognosis, and their carers in the Midlands area. Our offer is one of tailored holistic support to enable people to cope with the impacts of cancer and its side effects, to rebuild their wellbeing and resilience. We support health, physical, mental and emotional wellbeing with a choice of therapies, groups, education, advice and social interaction. We offer a complementary approach to the NHS and other agencies.

### Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2025

---

#### Objectives and activities *(continued)*

##### Fundraising disclosures

This year raising funds has become increasingly difficult due to the effects of inflation and economic slowdown, none the less:

- Our small team have sought out ways of raising funds and have worked tirelessly in that pursuit
- We have obtained grants for premises, staff and to increase our hours/days of operation
- We are fundraising online
- We continue to operate our lottery, which is being run by an external provider
- We have run some fund-raising events
- We have sold crafts, cards and many cakes
- The eBay shop continues to be a success
- Schemes to donate as you shop have been effective
- Local businesses have supported with time and donations of money and goods to help us
- Supporters and local organisations have held their own fund-raising events
- Many service users and our supporters have made donations.

Our Trustees are responsible for specific areas of our fund-raising and communications to enable us to focus attention on each area and to drive revenue growth to support our operations.

In April 2024 The Cancer Support Centre was elected as the nominated Charity for the Sutton Coldfield Chamber of Commerce, covering a 2 year period. We continue working closely with the Chamber to ensure that we achieve the maximum benefit possible from this selection.

##### Public Benefit

The Cancer Support Centre - Sutton Coldfield (CSC) offers help and support to people affected by cancer. The majority of our clients are from the wider Sutton Coldfield area but there are no geographical limits to where our clients may come from.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2025

---

## Objectives and activities *(continued)*

### Use of Volunteers

A huge thanks to everyone. Despite their own hardships they have helped us to support people who desperately need our service. The Cancer Support Centre could not have continued to operate without them.

We continued to be supported by amazing volunteers and fundraisers and the goodwill endures.

Throughout the year our staff, therapists, volunteers and trustees are hardworking, flexible and care about the Cancer Support Centre so much. Their support and willingness to adapt and take on extra tasks has been fantastic. In these hard times, determination, resilience, leadership and a vast amount of caring have meant the Cancer Support Centre was able to survive. A huge thank you to all of you.

### Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

### Achievements and performance

The centre in Lindridge Road, Sutton Coldfield operates 4 days a week to provide both individual therapies and group sessions to nearly 400 clients.

### Individual Therapies

Our ethos and beliefs are based around holistic support, and focus on your mind, body and spirit, to ensure that clients feel part of our supportive community. All our support is designed to help them manage the effects that their hospital treatments have had, both physically and psychologically, and each 1:1 therapy is able to specifically help with these challenges.

These include:

- Acupuncture
- Aromatherapy
- Hypnosis
- Counselling
- Creative visualisation
- Emotional Freedom Technique
- Homeopathy
- Indian Head Massage
- The "M" Technique
- Foot Reflexology
- Facial Reflexology
- Reiki
- Scar Tissue Release
- Nutrition

---

## **Achievements and performance *(continued)***

### **Groups**

Support groups are a vital part of the support that we offer. Living with cancer can be a challenging and overwhelming experience, not just for the person with cancer, but also for their loved ones. It can be difficult to express the emotional and physical toll that cancer can have. We offer a wide range of support groups for those affected by cancer. We believe in a holistic approach, which is why our groups are built around the three main pillars of support: mind, body, and spirit.

- Art Group
- Tripudio - a gentle range of movements aimed at post-surgical rehabilitation for keeping the lymphatic system healthy and to get back moving after surgery
- Walking Group
- Jewellery Group
- Carers' Group - providing support to those who care for or support someone who has cancer
- Yoga Group
- Talk & Support Group - support group specifically designed for women living with cancer
- Prostate Cancer Support Group in partnership with PCUK
- Colorectal Support Group in partnership with Good Hope Hospital
- Bereavement Group workshops in partnership with Cruse
- Nutrition talks
- Well-being help-yourself workshops

### **Social media and Communications**

We are working regularly with social media channels to raise our profile in the West Midlands and have used our Website, Facebook, LinkedIn, YouTube and Teams to keep people informed and to publicise and deliver both our services and our fundraising activities.

New clients including those who are affected by cancer in any way, themselves or as a carer, who want to have someone to talk things through with, can get in touch by phone 0121 378 6295 or via the website or social media links, for a call back. We have staff and therapists who will talk with them about the things we can do to help and make some suggestions for some 1:1 sessions we can offer.

We continue our weekly newsletter which we send to all of our supporters and clients identifying key activities for the coming weeks, and future fund-raising activities and events that we are organising.

**Year ended 31 March 2025**

---

## **Financial review**

As described above, the team at The Cancer Support Centre explored many sources of income during the year with significant results.

An increase in expenditure on fundraising of £26,645 (£32,985 in 2024/25 compared to £6,340 in 2023/24) has resulted in the amount received in grants rising from £27,000 in 2024/25 to £58,190 in 2024/25, the amount achieved from fundraising events rise from £27,497 in 2023/24 to £42,838 in 2024/25 and the amount raised by our supporters rise from £26,151 in 2023/24 to £63,851 in 2024/25. However, the latter amount does include just over £25,000 from a one-off event which we will not benefit from in the coming years.

Income from donations also rose substantially from £33,220 in 2023/24 to £53,047 in 2024/25.

The only other significant increase in expenditure was in the area of staff costs driven by the increased cost of additional hours which were required to ensure office coverage at all times when needed. The remaining difference between unrestricted expenditure in 2023/24 and 2024/25 is due to the different ways in which premises costs have been funded in the two years.

Overall, it is gratifying to report that after 3 years of recording significant deficits which have eaten into the Centre's reserves, the surplus achieved in 2024/25 has gone some way to redressing those balances.

## **Plans for future periods**

### **Aims and key objectives for future periods**

Our plans to return to operating 5 days a week and to extend hours after the working day are progressing well, and we have received grant funding to cover the increased costs of this. This will be fully operational in 2025.

Our continued use of social media and working with local Health Organisations is key to being able to grow our client base and this continues to be a priority for us.

We continue to establish new partnerships with other charities or groups, which help us to provide additional services for our clients.

Our development of funding sources is a key activity in the coming years to ensure that we are able to rise to the challenge of matching funding to demand and this is a key focus for the Board of Trustees.

Our on-line self help capability continues to grow, and further additions to this to enable it to be used by clients who are unable to visit us will be a key focus in the next 1-2 years.

### Independent Examiner's Report to the Trustees of The Cancer Support Centre - Sutton Coldfield

Year ended 31 March 2025

---

I report to the trustees on my examination of the financial statements of The Cancer Support Centre - Sutton Coldfield ('the charity') for the year ended 31 March 2025.

#### Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 March 2025

---

## Plans for future periods *(continued)*

### Growth

Cancer Research UK anticipate around 570 new cases diagnosed per year for the population of Sutton Coldfield Constituency and around 6600 new cancer diagnoses per year for the entire population of Birmingham.

The Cancer Support Centre will continue to find ways to reach new clients so they are aware of our service, and we will continue to be there for existing clients.

### Funds held as custodian trustee

#### Policy on reserves

The Trustees are currently reviewing their policy on reserves and investments as despite a significant increase in income during 2024/25 the reserves fall short of the stated strategy to hold reserves equal to 9 months of operational expenditure.

In addition holding this level of reserves can deter funders but we still need to raise funds each year as it is desirable to meet annual expenditure from annual income.

The Trustees will carefully examine the impact of changing their reserves policy in the coming year.

The trustees' annual report and the strategic report were approved on 22 Oct 2025 and signed on behalf of the board of trustees by:

Mr T A Saadi  
Trustee

For the year ending 31 March 2025 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on ~~22 OCT 2025~~ and are signed on behalf of the board by:

Mr T A Saadi  
Trustee

The notes on pages 11 to 21 form part of these financial statements.

# The Cancer Support Centre - Sutton Coldfield

## Company Limited by Guarantee

### Notes to the Financial Statements

Year ended 31 March 2025

---

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is The Cancer Support Centre, Lindridge Road, Sutton Coldfield, B75 6JB.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

#### 3. Accounting policies

##### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### Going concern

There are no material uncertainties about the charity's ability to continue.

##### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

# The Cancer Support Centre - Sutton Coldfield

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- *income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.*

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

# The Cancer Support Centre - Sutton Coldfield

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Short leasehold property	-	9 years straight line
Equipment	-	25% reducing balance

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

##### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

# The Cancer Support Centre - Sutton Coldfield

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2025

---

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

The charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

## Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2024.

### Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr Trevor Ammar Saadi
	Ms Dorothy Ann Cavanagh
	Mr Roy Edward Poller
	Mr Shaun Patrick Cremins
	Mr Tarlocham Singh Randhawa
	Mr Gordan Peter David Craig
	Mr Simon Trevelyan (appointed 5 July 2023)
	Mrs Vicki Louise Maye (appointed 23 August 2023)
	Ms Joanne Ellen Susan Jinks (appointed 24 April 2024)

Secretary: Ms Christine Jane Kimberley

The Trustees of the charity are also company directors for the purpose of company law. In accordance with the Articles of Association, Trustees are appointed by the membership.

### Patrons

We are very pleased to welcome the Rt Hon Andrew Mitchell; MP for Sutton Coldfield who has now joined us as a new Patron of the Charity.

### Objectives and activities

#### *Objects and aims*

The Cancer Support Centre – Sutton Coldfield offers help and support to adults with a Cancer diagnosis, no matter the prognosis, and their carers in the Midlands area. Our offer is one of tailored holistic support to enable people to cope with the impacts of cancer and its side effects, to rebuild their wellbeing and resilience. We support health, physical, mental and emotional wellbeing with a choice of therapies, groups, education, advice and social interaction. We offer a complementary approach to the NHS and other agencies.

# The Cancer Support Centre - Sutton Coldfield

## Trustees' Report

### ***Fundraising disclosures***

This year raising funds has become increasingly difficult due to the effects of inflation and economic slowdown, none the less:

- Our small team have sought out ways of raising funds and have worked tirelessly in that pursuit
- We have obtained grants for premises, staff and service
- We are fundraising online
- We continue to operate our lottery, which is being run by an external provider
- We have run some fund-raising events
- We have sold crafts, cards and many cakes
- The ebay shop continues to be a success
- Schemes to donate as you shop have been effective
- The Big Give was fantastic
- Local businesses have supported with time and donations of money and goods to help us
- Supporters and local organisations have held their own fund-raising events
- Many service users and our supporters have made donations.

We have also continued our work this year to launch a Corporate Sponsorship Program into the local business community to help us work closer with local businesses and to help with fund-raising.

Our Trustees are responsible for specific areas of our fund-raising and communications to enable us to focus attention on each area and to drive revenue growth to support our operations.

In April 2024 The Cancer Support Centre was elected as the nominated Charity for the Sutton Coldfield Chamber of Commerce, covering a 2 year period. We are now working closely with the Chamber to ensure that we achieve the maximum benefit possible from this selection.

### ***Public benefit***

The Cancer Support Centre – Sutton Coldfield (CSC) offers help and support to people affected by cancer. The majority of our clients are from the wider Sutton Coldfield area but there are no geographical limits to where our clients may come from.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### ***Use of volunteers***

A huge thanks to everyone. Despite their own hardships they have helped us to support people who desperately need our service. The Cancer Support Centre could not have continued to operate without them.

We continued to be supported by amazing volunteers and fundraisers and the goodwill endures.

In 2023/4 we have continued to strengthen our board of trustees and the energy of new participants has boosted our efforts. Throughout the year our staff, therapists, volunteers and trustees are hardworking, flexible and care about the Cancer Support Centre so much. Their support and willingness to adapt and take on extra tasks has been fantastic. In these hard times, determination, resilience, leadership and a vast amount of caring have meant the Cancer Support Centre was able to survive. A huge thank you to all of you.

# The Cancer Support Centre - Sutton Coldfield

## Trustees' Report

### **Achievements and performance**

The centre in Lindridge Road, Sutton Coldfield now operates 4 days a week to provide both individual therapies and group sessions to nearly 400 clients.

### Individual Therapies

Our ethos and beliefs are based around holistic support, and focus on your mind, body and spirit, to ensure that clients feel part of our supportive community.

All our support is designed to help them manage the effects that their hospital treatments have had, both physically and psychologically, and each 1:1 therapy is able to specifically help with these challenges.

These include:

- Acupuncture
- Aromatherapy
- Hypnosis
- Counselling
- Creative visualisation
- Emotional Freedom Technique
- Homeopathy
- Indian Head Massage
- The "M" Technique
- Foot Reflexology
- Facial Reflexology
- Reiki
- Scar Tissue Release
- Nutrition

### **Groups**

Support groups are a vital part of the support that we offer. Living with cancer can be a challenging and overwhelming experience, not just for the person with cancer, but also for their loved ones. It can be difficult to express the emotional and physical toll that cancer can have.

We offer a wide range of support groups for those affected by cancer. We believe in a holistic approach, which is why our groups are built around the three main pillars of support: mind, body, and spirit.

- Art Group
- Tripudio - a gentle range of movements aimed at post-surgical rehabilitation for keeping the lymphatic system healthy and to get back moving after surgery
- Walking Group
- Jewellery Group
- Carers' Group - providing support to those who care for or support someone who has cancer
- Yoga Group
- Share Group - support group specifically designed for women living with cancer
- Talk & Support Group - support group specifically designed for women over 55 living with cancer
- Prostate Cancer Support Group
- Nutrition talks
- Well-being help-yourself workshops

## The Cancer Support Centre - Sutton Coldfield

### Trustees' Report

#### **IT Infrastructure**

The migration of our inhouse systems to the cloud was completed in December 2023. The centre is now using Office 365 (office admin) and Cliniko (Client Management). We continue to review and enhance the use of these new systems to improve our processes.

Our web site is continually updated to keep it accurate and to ensure everyone has access to information on our services and events that we are running.

#### **Social media and Communications**

We are now working regularly with social media channels to raise our profile in the West Midlands and have used our Website, Facebook, LinkedIn, YouTube and Teams to keep people informed and to publicise and deliver both our services and our fundraising activities.

New clients including those recently having been diagnosed with cancer and those who are affected by cancer in any way, themselves or as a carer, who want to have someone to talk things through with, can get in touch by phone 0121 378 6295 or via the website for a call back. We have staff and therapists who will talk with them about the things we can do to help and make some suggestions for some 1:1 sessions we can offer.

We have started a weekly newsletter which we send to all of our supporters and clients identifying key activities for the coming weeks, and future fund-raising activities and events that we are organising.

#### **Financial review**

The measures put in place during 2022/23 to increase income began to take effect in 2023/24 and total income from all sources rose to over £129,000 compared to almost £105,000 in 2022/23.

Most areas of income showed modest increases but income from fundraising rose from £14,000 in 2022/23 to £27,000 in 2023/24 with only a minimal increase in costs reflecting the effort put in by Trustees, Staff and Volunteers to secure the financial stability of the Centre.

Inevitably, the cost of securing the Centre's long term future at its current premises as well as making more use of these premises has meant that these costs have risen. The increase was £14,000 and the other major areas of expenditure have also seen increases in 2023/24, therapy costs rose by £7,400 and staff costs by £1,900, these increases reflecting the increased activity at the Centre.

However, overall the deficit to be funded from the unrestricted reserves fell from £37,700 in 2022/23 to £26,400 in 2023/24 and is showing signs of being further significantly reduced in 2024/25.

It is gratifying to see that the effect of recent turbulent years is now being mitigated and the Centre can look forward to a period of sustained and sustainable growth.

#### **Policy on reserves**

The Trustees have confirmed their strategy of holding reserves equal to 9 months of operational expenditure. This is currently being achieved, however a substantial increase in regular income is required to maintain the situation.

# The Cancer Support Centre - Sutton Coldfield

## Trustees' Report

### **Plans for future periods**

#### ***Aims and key objectives for future periods***

In July 2022 we received notice on our lease. Negotiations with the landlord created sufficient movement to allow us to remain for a further year (until Jan 2024) and to continue to offer services to our clients. Subsequent to that, in December 2023 a longer-term lease has been negotiated and put in place which allows us to remain and to continue to offer services to our clients.

This uncertainty over our location and facilities which limited our ability to plan longer term is now behind us and this allow us to return to our ambition to help as many local people with cancer and their families as ever.

Our continued use of social media and working with local Health Organisations is key to being able to grow our client base and this continues to be a priority for us.

Our development of funding sources is a key activity in the coming 1-2 years to ensure that we are able to rise to the challenge of matching funding to demand.

Our on-line self help capability continues to grow, and further additions to this to enable it to be used by clients who are unable to visit us will be a key focus in the next 1-2 years.

### **Growth**

Cancer Research UK anticipate around 570 new cases diagnosed per year for the population of Sutton Coldfield Constituency and around 6600 new cancer diagnoses per year for the entire population of Birmingham. The Cancer Support Centre will continue to find ways to reach new clients so they are aware of our service, and we will continue to be there for existing clients.

### **Structure, governance and management**

#### ***Organisational structure***

The Cancer Support Centre - Sutton Coldfield is a charitable company limited by guarantee and governed by its Memorandum and Articles of Association dated 21 April 2001 as amended by special resolution 29 November 2001

#### ***Major risks and management of those risks***

Our approach to risk is prudent and we assess and manage risks both at an operational and strategic level. We assess any new risks arising each month at Trustees meeting and undertake a full board review and reassessment of all risks every six months. Our current major risk involves our ability to fund the service we offer.

### **Small companies provision statement**

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

## The Cancer Support Centre - Sutton Coldfield

### Trustees' Report

The annual report was approved by the trustees of the charity on 13 November 2024 and signed on its behalf by:

.....  
Mr Trevor Ammar Saadi  
Trustee

## The Cancer Support Centre - Sutton Coldfield

### Statement of Trustees' Responsibilities

The trustees (who are also the directors of The Cancer Support Centre - Sutton Coldfield for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 13 November 2024 and signed on its behalf by:

.....  
Mr Trevor Ammar Saadi  
Trustee

## The Cancer Support Centre - Sutton Coldfield

### Independent Examiner's Report to the trustees of The Cancer Support Centre - Sutton Coldfield ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

#### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of The Cancer Support Centre - Sutton Coldfield as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 March 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

The financial statements on pages 10 to 23 were approved by the trustees, and authorised for issue on 13 November 2024 and signed on their behalf by:

Mr Trevor Ammar Saadi  
Trustee

The notes on pages 12 to 23 form an integral part of these financial statements.

# The Cancer Support Centre - Sutton Coldfield

## Notes to the Financial Statements for the Year Ended 31 March 2024

### 1 Charity status

The charity is limited by guarantee, incorporated in England & Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

The Cancer Support Centre  
Lindridge Road  
Sutton Coldfield  
B75 6JB

These financial statements were authorised for issue by the trustees on 13 November 2024.

### 2 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

The Cancer Support Centre - Sutton Coldfield meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## **The Cancer Support Centre - Sutton Coldfield**

### **Notes to the Financial Statements for the Year Ended 31 March 2024**

#### ***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### ***Gifts in kind***

Gifts in kind are recognised in different ways dependent on how they are used by the charity:

- (i) Those donated for resale produce income when they are sold. They are valued at the amount actually realised.
- (ii) Those donated for onward transmission to beneficiaries are included in the Statement of Financial Activities as incoming resources and resources expended when they are distributed. They are valued at the amount the charity would have had to pay to acquire them.
- (iii) Those donated for use by the charity itself are included when receivable. They are valued at the amount the charity would have had to pay to acquire them.

#### ***Investment income***

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

#### ***Expenditure***

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### ***Raising funds***

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

## The Cancer Support Centre - Sutton Coldfield

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

#### Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### Tangible fixed assets

Individual fixed assets costing £0.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Computer equipment	25% reducing balance
Short leasehold	9 years straight line

#### Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

## The Cancer Support Centre - Sutton Coldfield

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### 10 Net incoming/outgoing resources

Net outgoing resources for the year include:

	2024 £	2023 £
Depreciation of fixed assets	328	352

#### 11 Trustees remuneration and expenses

During the year the charity made the following transactions with trustees:

##### Mr Roy Edward Poller

Mr Roy Edward Poller received remuneration of £3,792 (2023: £3,676) during the year.

Mr Poller received remuneration for his role as a therapist at the Charity.

This is permitted by the Charity's Memorandum of Association.

No trustees have received any reimbursed expenses or any other benefits from the charity during the year.

Donations made by the trustees without any conditions attached totalled £1,271 for the year (2023 - £1,104).

#### 12 Staff costs

The aggregate payroll costs were as follows:

	2024 £	2023 £
<b>Staff costs during the year were:</b>		
Wages and salaries	62,237	60,399
Social security costs	-	255
Pension costs	1,229	934
	63,466	61,588

The monthly average number of persons (including senior management / leadership team) employed by the charity during the year expressed as full time equivalents was as follows:

	2024 No	2023 No
Charitable activities	5	5

No employee received emoluments of more than £60,000 during the year.

## The Cancer Support Centre - Sutton Coldfield

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### 13 Taxation

The charity is a registered charity and is therefore exempt from taxation.

#### 14 Tangible fixed assets

	Land and buildings £	Furniture and equipment £	Total £
<b>Cost</b>			
At 1 April 2023	-	3,313	3,313
Additions	2,299	-	2,299
