## TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 OCTOBER 2020

---

The trustees present their report and financial statements for the year ended 31 October 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Objectives and activities**

The Charity was founded on 12 December 2001. The Governing Instruments under which the charity operates is the declaration of trust, and policies made from time to time by the trustees. The company is a registered charity (Charity Number 1089771). It is a limited company registered in England and Wales and is limited by guarantee and has no share capital. The company registration number is 04210261.

The charity's objects are to advance the education of children and young persons in the conservation of the environment, in particular the conservation of woodland and other natural wildlife habitats. The policies adopted in furtherance of these objects are to help children and young persons through leisure time activities to develop their physical, mental and spiritual capacities that they may grow to full maturity as individuals and members of society.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### **Achievements and performance**

#### **Financial review**

The attached documents demonstrate in financial terms the activities of the charity for the past year. As can be seen the Charity has a deficit in the year of £1,723 compared to a deficit of £7,935 in 2019. The direct charitable expenditure is mostly met with a combination of workshop fees and cash taken at the fairs.

In 2020 the Charity could not run the Real Halloween Event and the fairy fair due to Covid 19 restrictions. The Charity continued to deliver its charitable objectives by running workshops online and appealed for donations to generate income.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six months standard running expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.
