Activities

Objects: To provide and operate a boat or boats and associated facilities in North Staffordshire and surrounding areas, working with partner schools and care organisations in providing: a) recreation and education for children with disabilities and additional or special needs in the interests of social welfare and with the object of improving their condition of life; b) recreation for adults with disabilities and additional or special needs in the interests of social welfare and with the object of improving their condition of life.

Activities: To provide day trips on a narrowboat to children, and selected adults with learning and other disabilities, giving them an opportunity to have an experience that would otherwise be denied to them. These trips take place on the Caldon Canal in North Staffordshire
