Belief of the Trust

The fundamental belief of the Trust is LA ILAHA ILLALLAAH MUHAMMADUR RASULALLAH, that there is no God but one God, ALLAH, and Muhammad (peace be upon him) is His prophet.

Objectives

The Trust's main objective is to advance Islam and in particular the Sunni Brailvi Muslims faith. In furtherance of this objective, the trust's resources will be used to propagate Islam according to the Sunni School of Thought.

During the year the main objective of the Trust, to further the Islamic teachings according to the Sunni School of Thought, was fulfilled through the completion of all ceremonies and functions. Our long-term is to build the self-confidence of Southall's Muslims in their faith, and through our community facilities and activities help make our area a peaceful, vibrant and harmonious community.

Review of Activities and Achievements

The charity's financial activities are shown on page 5 of these financial statements.

The trustees will continue to use funds to further the charity's objectives. Given the fluctuation in donations received, the charity retains sufficient funds to ensure continued support to the various bodies to whom grants are given.

The scheme is running very effectively. The JMIC Executive Committee and Construction are thankful to the local Muslim community and members, who are supporting the centre.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1. Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities (SORP 2005)' issued in March 2005, applicable accounting standards and the Charities Act 2011.

Funds accounting policy

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Further details of each fund are disclosed in note 7.

Incoming resources

Donations are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregates all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both the costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised and at historic cost. Fixed assets are stated at cost less accumulated depreciation. The freehold property is valued at historic cost and it is not depreciated, as the Mosque, are considered to have a useful life as a building of greater than 50 years and so any depreciation charge is considered immaterial.
