Accounts have been kept on a weekly basis for the club and in our view, every care has been taken to account for all monies taken.

The club is affiliated to British Gymnastics (the governing body), the Southwest Amateur Gymnastics Association and Cornwall Amateur Gymnastics Association. The club and our coaches comply with their guidelines and policies.

The club's new gym year started on 5th September 2023. Our new Landlords had taken over during our last financial year and the expected rent rise was put in place. However, class numbers continued to grow, which enabled the club to deal with the rent increase. Additional income was created by arranging Holiday Clubs during half term and holiday periods.
We also saw an improvement in the decoration and maintenance of the club's unit. The club's relationship with our new Landlords has continued well.

Our parents, together with some coaches, set up a Fund-Raising Committee and this helped to provide for any necessary expenditure regarding club clothing and renewal of apparatus. The generous donation from one of our parents enabled the club to fund coaching courses which in turn led to more sessions being offered and having more BG qualified coaches, the club has been able to increase the numbers in most classes.

The Competition Squad continued to enjoy success in County and invitational competitions throughout the year and has continued to increase in numbers.

The club received a grant from our local Redruth Charity Trust again this year which was used to purchase replacement handrails for our Asymmetric Bars and a new First Aid Kit. This was presented to the club at the RCT Annual Awards evening in May.

We have had no serious incidents in the club during this past financial year and no incidents of serious injury. The conditions of our insurance are such that any incidents of injury must be reported British Gymnastics.

GAZELLES GYMNASTICS CLUB

Trustees Annual Report, August 2023

Trustees:
David B Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE
Jeannette Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE

Accounts have been kept on a weekly basis for the club and in our view, every care has been taken to account for all monies taken.

The club is affiliated to British Gymnastics, the South West Amateur Gymnastics Association and Cornwall Amateur Gymnastics Association. The club complies with their guidelines and policies.

The club's new gym year started on 5 th September 2022 Most of the restrictions imposed as a result of the covid pandemic were dropped. Membership continued to grow back slowly and by the end of the gym year in July 2023 numbers were almost up to pre-covid.

Before the start of the new gym year, we were informed by our landlord that the unit was being sold to the owners of the adjacent. This resulted in our rent being almost doubled which took effect almost immediately. The implications of this rent rise, together with price rises in energy bills were not favourable for the future of the club. A new parent/coach led fundraising committee was formed and set about organizing extra fun sessions. Term fees were inevitably increased from January 2023. A considerable donation from one of our parents enabled the club to fund several coaching courses. This has led to more sessions being offered and having more BG qualified coaches, the club has been able to increase the numbers in most classes. The future of the club is again ensured for the foreseeable future.

Numbers have also increased in the club's competition squad who have entered County and Invitational Competitions with a very pleasing amount of success.

The club's Administrator decided to retire after 40 plus years helping to run the club. Her duties were taken over by the club's Treasurer and Welfare Officer.

Once again, the club has received a grant from our local Redruth Charity Trust. It was decided to ask for a Hand Apparatus Storage Unit and a set of resistance bands which have proved to be very useful training aids. This was presented to the club at the RCT Annual Awards evening in May.

We have had no serious incidents in the club during this past financial year. No incidents of serious injury. The conditions of our Insurance are such that these incidents of injury have to be reported on a regular basis to our insurers – Hixcox. This insurance is arranged through British Gymnastics.

GAZELLES GYMNASTICS CLUB

Trustees Annual Report, August 2022

Trustees:
David B Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE
Jeannette Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE

Accounts have been kept on a weekly basis for the club and in our view, every care has been taken to account for all monies taken.

The club is affiliated to British Gymnastics, the South West Amateur Gymnastics Association and Cornwall Amateur Gymnastics Association. The club complies with their guidelines and policies.

The club's new gym year started on 6th September 2021 without most of the restrictions imposed as a result of the Covid outbreak. It was obvious that membership of the club was reduced compared with the pre-covid numbers. However, as the gym year progressed, membership has grown but not reached pre-covid numbers.

We were very sad to receive the news that our coach who ran our Pre-School class decided not to return to the club due to the ever present threat of covid. So it was decided not to run this class for the coming gym year. It was replaced by a Toddler Group run on a drop in basis, by two of our coaches who had children of that age. This proved to be very popular throughout the Autumn and Spring terms, but not as much during the Summer term. Increased support is expected when the new gym year starts in September 2022.

Our Welfare Officer decided to retire from the post in August 2021. The club was delighted to appoint Mrs Alice Blenes as our new Welfare Officer.

We started the new gym year with a reduced number of Saturday Recreational classes and the slightly later start has proved to be popular. In November 2021, one of our Level 2 coaches left on maternity leave but has been able to fill in on the odd occasion during the Summer Term when needed. Another Level 1 coach also left at the end of the Autumn Term due to work commitments. We were delighted to have two new volunteer parent coaches join the coaching staff with a view to becoming qualified at a later date.

CAGA has resumed it's competition programme, and in October 2021 the club entered a small number of it's competition squad gymnasts, resulting in a pleasing degree of success after an 18 month gap in the competition year. As the gym year progressed, the club entered more competitions and the results were encouraging. The competition squad grew during the gym year and the club is looking forward to continued success during 2022/23.

This year the club has received a grant from our local Redruth Charity Trust. It was decided to ask for a folding foam wedge and this was presented to the club at the RCT Annual Awards evening in April.

We have had no serious incidents in our club during this past financial year. No incidents of serious injury. The conditions of our Insurance are such that these incidents of injury have to be reported on a regular basis to our insurers – Hixcox. This insurance is arranged through British Gymnastics.

Accounts have been kept on a weekly basis for the club and in our view every care has been taken to account for all monies taken.

We re-opened the club in September 2020 with a lot of restrictions imposed mainly by British Gymnastics, with a view to keep our members and coaches as safe as possible. One of the main differences was a reduction in our membership. Our classes were significantly reduced, to 125.

The coaches and children's temperatures were checked and hands sanitised at the entrance door at the start of each session and all apparatus used was wiped down and sanitised after each class. Despite the stringent restrictions, the club recovered and the parents, children and coaches were happy to train under the new arrangements. But then the country was in lockdown again in November 2020, so the club was again closed.

We re-opened for the last 3 weeks of the Autumn Term on Monday 7th December, hoping that we would be able to start our Spring Term in January 2021. But of course as we all know, another lockdown was imposed on us all and the club remained shut until after Easter 2021.

We are glad to say that since Monday 19th April 2021, we have been able to keep the club open – still with a reduced class size, despite some of our coaches being vaccinated, we still have to keep them as safe as possible.

The club is affiliated to British Gymnastics, the South West Amateur Gymnastics Association and Cornwall Amateur Gymnastics Association. The club complies with their guidelines and policies.

We have not been able to add to our higher interest bank account but it has been used to top up our running costs such as our monthly rent and utility bills.

We are pleased to report that the coach who was on maternity leave has re-joined us. However, due to the reduction in class numbers we have taken the decision to reduce the Saturday Recreational classes to 3 instead of 4 when we return for our new gym year in September this year.

This year the club has again received a grant from our local Redruth Charity Trust. It was decided to ask for an inflatable springboard and replacement foam for 2 landing mats – a total of £610.

We have had no serious incidents in our club during this past financial year. No incidents of serious
injury. The conditions of our Insurance are such that these incidents of injury have to be reported on
a regular basis to our insurers – Hixcox. This insurance is arranged through British Gymnastics.

Gazelles Gymnastics Club

Trustees Annual Report, August 2020

Trustees:
David B. Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE
Jeannette Veasey, 122 Agar Road, Illogan Highway, Redruth, Cornwall TR15 3NE

Accounts have been kept on a weekly basis for the club and in our view every care has been taken to account for all monies taken.

We have had no serious incidents in our club during this past financial year. No incidents of serious
injury. The conditions of our Insurance are such that these incidents of injury have to be reported on
a regular basis to our insurers – Hixcox. This insurance is arranged through British Gymnastics.

This gym year has been a very challenging one for our club, with the advent of the Covid 19 pandemic!

At the beginning of our Spring Term in January 2020, our membership was 185. Although lockdown was officially on Thursday 26th March, it was clear that to keep our members and coaches as safe as possible it was decided to close our doors on Saturday 14th March 2020!

In February 2020, we ordered a replacement Sprung Floor, luckily, the money for the new floor and other new equipment, had been saved in our Savings Account. It was due to be delivered after Easter 2020 and was delivered and put down by the suppliers in August. During the closures the club has been cleaned and painted.

After a lot of consultation with our coaches, it was decided not to re-open for the last few weeks of the Summer Term, but to wait til the beginning of our new gym year in September 2020.

One casualty of the lockdowns however, was the loss of our Bambi Club leader. She felt unable to return to coaching mainly due to the effect that contracting Covid would have on her business. This meant that regretfully, the class had to close. Hopefully it will re-open again in a year of two when one of our other coaches will be able to commit their time to it.

We have been fortunate enough to receive a grant from Cornwall Council for £10,000 in July 2020 and subsequent smaller lock down grants from the Council, which was a big help to offset some of the loss in members' fees. We now look forward to re-opening our club on Saturday 5th September 2020.

The club is affiliated to British Gymnastics, the South West Amateur Gymnastics Association and Cornwall Amateur Gymnastics Association. The club complies with their guidelines and policies.

We have not been able to add to our higher interest bank account this year, but are very thankful to have had the contingency to be able to pay the rent during club closures and our utility bills.

Our waiting lists which have always been good have reduced greatly, due probably to parents' reluctance to send their children to a new environment during the pandemic. Very understandable.

We wouldn't have been able to continue without the very real and valued commitment of our coaches, to the club – we have been able to continue the same level of expenses.
We have had some really good feedback from our parents who have been complimentary on the level of safety we have followed since the beginning of the pandemic in March this year.

We can only look forward to a much safer and less fearful gym year, when we open again in September.
