STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is constituted as a company limited by guarantee, and is therefore governed by its Memorandum and Articles of Association.

The governors (trustees) administer the day-to-day affairs of the charity. None of the governors (trustees) have any beneficial interest in the charity.

It is not currently the intention of the governors (trustees) of the charity to appoint new trustees. Should the situation change in the future, the trustees will apply suitable recruitment training and induction procedures.

TRUSTEES' ANNUAL REPORT (INCORPORATING THE DIRECTOR'S REPORT)
(continued)
YEAR ENDED 31 MARCH 2023

OBJECTIVES AND ACTIVITIES

The charity is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law and in furtherance of the aforementioned objects.

The charity receives income mainly from charitable receipts, which it utilises in the provision and distribution of grants and donations.

The charity's principle activity throughout the year was the provision and distribution of donations and grants to organisations, and no change is envisaged in the immediate future.

The governors (trustees) confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

ACHIEVEMENTS AND PERFORMANCE

During the year, the charity continued to pursue its philanthropic objects in support of educational, religious and other charitable organisations. Income from donations and investments aggregated £150,108. Donations aggregating £158,380 were paid in the year.

FINANCIAL REVIEW

The financial results of the charity's activities for the year to 31 March 2023 are fully reflected in the attached Financial Statements together with the Notes thereon.

Reserve Policy

It is the policy of the charity to maintain unrestricted funds, which include the free reserves of the charity, at a level which the governors (trustees) think appropriate, after considering the future commitments of the charity and the likely costs of the charity for the next year.

As at the year end, the charity had sufficient cash reserves to continue its charitable activities, and the Trustees have also had regard to donations received following the year end.

Grant making policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

The governors (trustees) are approached for donations by a wide variety of charitable institutions operating all over England. The governors (trustees) consider all requests which they receive and make donations based on the level of funds available.

PLANS FOR FUTURE PERIODS

In determining the level of charitable grants and donations that the charity may make, the governors (trustees) consider the income available for such purposes from donations it receives.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF TRUEMART
LIMITED
YEAR ENDED 31 MARCH 2023

I report to the trustees on my examination of the financial statements of Truemart Limited ('the charity') for the year ended 31 March 2023.

RESPONSIBILITIES AND BASIS OF REPORT

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

3. ACCOUNTING POLICIES *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
