All parents who attend the school are all members of the PTFA and are welcomed to all events - whether that be to help out or do things behind the scenes.

### **Objectives**

To put on fun events for the children of Yenton Primary School, then money raised goes towards extras for all year groups that can't be bought out of the school budget.

### **Safeguarding**

The PTFA adhere to all the safeguarding of the school and put extra measures in place for events. Some members of the PTFA have Volunteer DBS's. Anyone not DBS checked always has to stay with a member of the PTFA who is DBS checked, for the safety of all children.

### **Finance**

See attached sheet for breakdown of monies in and out for the year.

This also has an independent examiner report which is attached.

**Disclosure**

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

**Give here brief details of any items that the examiner wishes to disclose.**

Advised to present the summary of information in a different format to show balance brought forward and balance carried forward.

It came to light that MW has paid for much of the stock from her own personal account. This was due to the lack of money in the account.

She can provide receipts for all items listed. She has then paid herself back from the cash that has been taken from the various PTA events held.

I have advised MW that she needs to annotate the accounts to show which of the payments she has paid for herself, attach the receipts that make up this amount and the highlight the corresponding cash receipts that she has used to pay back these payments.

Going forward they need to have a system in place where all payments and receipts go through the PTA account so there is a corresponding record.

All cash taken MUST be witnessed and recorded by a second person and banked into the PTA bank account.
