## **THE MELTON CONSTABLE TRUST**

### **Report of the Directors**

The directors present their report and the unaudited financial statements for the year ended 31 August 2021.

#### **Directors**

The following directors have held office during the period covered by this report:

Trevor James Bailey  
David Christopher Bill MBE  
Derek Leslie Haynes  
John Sparks Hull

#### **Principal activity and review of operations**

The principal activity of the trust is to advance the education of the public in the historical, architectural and constructional heritage in and around the railway works and village of Melton Constable in particular but not exclusively by making available for public reference and by the publication of information concerning the history, equipment and operation of the former Midland & Great Northern Joint Railway and by the preservation of buildings or equipment of particular beauty or historic, architectural or constructional interest.

Activity during the year has been restricted by the Covid pandemic. It has, however, been possible to carry out survey and planning work in respect of a future extension of the Trust's property alongside the Holt by pass and to continue raising funding towards the final purchase of a further section of former railway at High Kelling. Work has also been undertaken towards satisfying the requirements of Norfolk County Council and the Office of Rail and Road in respect of the proposed extension of the Trust's property and activities.

A successful application was made to the National Lottery Heritage Fund for emergency funding to assist with overcoming the problems of the Covid period. This enabled consultancy to be commissioned in order to plan future fund raising, supporter recruitment and PR/publicity. It also provided manpower to keep the Trust's sites at High Kelling and Fakenham under surveillance in order to restrict vandalism, monitor public safety and to continue to engage the community and visitors.

#### **Statement of Directors' Responsibilities**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the board on 28th February 2022

Adrian Loynes  
Secretary.

**I have examined the receipt and payment accounts and the statements of assets and liabilities of the Melton Constable Trust. The closing balance from the bank statements have been wrongly manually copied to the accounting spreadsheet on one occasion (Closing bank balance at 05/08/2021 should read £69,313.52 and not £59,079.13).**

**The overall balance sheet summary including Total Income, Total Expenditure and Total Loans is aligned to the presented documents for the account audit. I can confirm that the statements and the accounts as presented above are in accordance with the accounting records of the trust.**
